Feasibility and risk

This section helps us to understand how you will successfully deliver your project.

We need to know your plans for managing the project, what your budget is and how you will respond to any risks or challenges.

You don't need to have managed a project before, but you need to be able to demonstrate that you have given consideration to how you will manage the project, the budget, and any risks/challenges, and that you or your project partners have the skills to ensure it is delivered successfully.

When we look at your answers to the questions in this section we will think about:

- whether the budget is appropriate for the scale and type of activity?
- how appropriate are the areas of income and spending?
- whether all items in the budget are relevant and reasonable [are fees or wages appropriate to the context? Have quotes for assets/equipment been appropriately researched for any purchases?]
- whether the activity is attracting income from other sources; - is any other income confirmed? If not, are your potential income sources realistic?
- if appropriate financial controls are in place - Do you or the people you're working with have the necessary skills to manage the budget?
- if the activity is realistic and well-planned, and if you have demonstrated that you or the people you are working with are able to deliver the project

Project timeline

Project dates

Tell us the start and end dates for your project.

Please allow enough time to plan your project and for us to process your application, as well as enough time for us to make a payment before your start date if your project is successful. See our How to apply guidance for more details.

The dates you give here should be the dates for the full project you're asking us to fund.

We need eight weeks to process applications for £30,000 and under.

Project start date: 04/05/2023

Project end date: 16/06/2023

Please use the tool below to list the main stages and tasks of the project from the start date onwards, and to show who will lead on each element of the project. Please add each project stage in order. You must enter at least one stage.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

Budget - Income

Income table

Please complete the income table below with all your cash income, as well as any support in kind you will receive. (By support in kind we mean goods or services that you would otherwise have to pay for, but are being provided for free.)

Remember:

- Your budget must balance. This means your total income needs to be the same amount as your total expenditure.
- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:
Ticket sales (7 dates @ 60% of 100 capacity x £8 ticket price) £3,360

Expected:

-Box Office breakdown:

-265 capacity x 60% turnout (conservative, BOP usually 80%+ with similar size venue with less marketing support) = 159 seats

-50% of tickets concessions, makes avg. price £16

-Box office fee 7.7%

-50% kept by the Place

= £1,174.

Income est. is within achievable limits to prevent shortfalls or cashflow issues.

- Masterclasses: 25 capacity each makes 125 total. 50% turnout = 63 x £10 sales. Plus estimated 25 day passes @ £30 each = £750, representing 70% turnout on masterclasses, still a conservative estimate as we've always sold out masterclasses.

- Let's Talk Jazz Forum/Jazz CPD Seminar 100 capacity, 40% turnout @ £7.50 per ticket to allow for 25 day-pass attendees to bring turnout up to 65. Likely to be higher based on track record.

- Scholarships not counted in these or masterclasses, note: doesn't reduce expected income but puts a cap on how much can be made above this.

Confirmed:

-£2,525 from One Dance UK is a guaranteed grant to contribute to cost of emerging artist commissions as a branded collaboration, offering visibility & assurance to those approaching the collaboration.

SIK:

-All in-kind revenue based on quotes from partners

-Support from The Place & ODUK totalling almost £9K demonstrates the strong support within the dance ecology & enables a higher level of quality, dissemination & visibilising for artists & the jazz dance genre.

Budget - Expenditure

Expenditure table

Please complete the expenditure table below with all your cash expenditure.

Remember:

- Your budget must balance. This means your total expenditure needs to be the same amount as your total income.
- Only include expenditure that will be spent between the start and end date of your project.
- The table already includes any Support in kind you added on the Income screen so you do not need to add this.
- Breakdown your expenditure so we can understand your costs, for example: Artist fee (2 x Creative specialists @ £150 per day for 10 days = £3,000)

Risks and challenges

What are the main risks and challenges to your project meeting its aims? What will you do to manage these risks?

Up to 1500 characters

Short turnaround for artistic processes:

- Established artists are bringing fresh work they have already developed & keep rehearsed so will only need the tech rehearsal
- Emerging artist commissionees are already selected & have set the theme of their work & have over 4 weeks once funding is confirmed to choreograph a max. 6min piece & receive mentorship.

Short turnaround for PR & marketing:

- Sales estimates have been set conservatively having sold out previous masterclasses & recent (post-COVID) BOP audiences have been minimum 80% turnout
- Many referral partners are connected to partner artists, who will be telling their students about the possibility of the symposium ongoing
- Scholarships will be selected & informed within a week, giving plenty of time to make arrangements to attend & places are available online.

Financial management with so many artists:

- Per diems will be paid in advance upon invoice to ensure no barriers
- Performance fees will be paid at end
- Commissioned choreography & performer fees will be separated to avoid cash flow issues & allow for ACE report & end grant transfer time.

Overspend because of music licensing, travelling artists, travelling scholarship students potentially from far north booking trains close to day of travel:

- 3.5% contingency is ample to cover these costs based on experience managing bigger budgets.

Delivering the Outcomes

Your Project and the Outcomes

Our strategy sets out three outcomes; Creative People, Cultural Communities and A Creative and Cultural Country. We do not expect every project to address all three outcomes, but we do want projects to align to at least one and to set out in detail how particular components are being addressed.

You can read about our three outcomes here: <https://www.artscouncil.org.uk/outcomes-0>

When we look at your answers to the questions in this section, where relevant we will think about:

- How your project is supporting people at all stages of their lives to design, develop and increase their participation in high quality creative activities
- If your project focuses on children and young people:
 - If your project reaches families from a wide range of backgrounds
 - If you are widening and improving opportunities for children and young people to take part in creative activities outside schools
 - if your project is supporting children and young people to develop their creative skills and potential
- If you are working with communities to better understand and respond to their needs and interests, resulting in increased cultural engagement and the wide range of social benefits it brings
- If your project is exploring new types of creative practice, new forms of cultural content and new ways of reaching new and existing audiences and participants
- If you are collaborating with other cultural organisations and/or with the commercial creative industries and/or with further and higher education that focuses on innovation, research and development and training, especially in relation to the use of new technologies
- If your project is strengthening the international connections of cultural organisations and creative and cultural practitioners, including co-production and touring
- If your project is bringing world-class culture to audiences in England
- If your project helps to ensure people have opportunities to sustain their careers and fulfil their potential in the creative industries, especially those who are currently under-represented
- If your project is connecting people and places, nationally and internationally

How will your project contribute to the delivery of at least one of our Outcomes, including which, if any, of the Outcome components?

A Creative and Cultural Country: England's cultural sector is innovative, collaborative and international, Creative People: Everyone can develop and express creativity throughout their life

JAR23 explores a new symposium format to:

- escape the narrow view of commercialism
- platform Black-led pedagogy in new, world leading aesthetics, foregrounding UK dancers
- reframe folkloric as classical, unpicking the neo-colonial aspects of the idiom.

Facilitated by cross-sector EDI pioneer Karina Maynard, the Let's Talk Jazz Forum will:

- Visibilise Black British dance pedagogy on the national/international stage
- Narrate UK JDTA's routes/roots & offshoots in that history
- Evidence BOP's 26 years as over-recognised, underfunded pioneers & sustainers of these art forms & their offshoots
- Establish Jazz Theatre Arts UK as a new (2022) body for building momentum for a cohort of black practitioners, their students & protégés.

The Jazz CPD Seminar:

- Cross-pollinates black & BIPOC dance pedagogies from England, Wales, Germany, Italy, US, Japan in a British-based network; reinvesting in dancers across the UK
- Disseminates these pedagogies, empowering educators to understand/transmit jazz lineage & develop the black aesthetic/kinaesthetic
- Sustains established practitioners' pioneering work by articulating its significance.

JAR23 plants seeds for national/international learning/collaboration/touring of JDTA by networking:

- 17 dance companies/orgs, expanding the cohort's size, visibility & resilience
- 9 education institutions, building career sustainability for dance students
- Artists based in 5 countries, reflecting diasporic nature of JDTA.

Inclusivity and Relevance

This Investment Principle is about England's diversity being fully reflected in the organisations and individuals we support and the culture they produce through:

Communities

- Tell us who you want to reach with this project, how you have identified them, and how they have been involved in the planning and/or creative process
- Tell us about the steps will you take to make sure your project is open and accessible to people within the communities you plan to work with

Up to 1500 characters

JAR23 will involve:

- Young dance students interested in jazz arts, referred by performing arts colleges/HE dance schools in Cheshire, Surrey, Kent, Brighton, Manchester, Hartfordshire, Swindon, Cardiff
- BIPOC & Diaspora dance students from these settings via devolved triage scholarships, with a short application form which can be a 1min video to increase access
- Early career 'emergent artists', who are actively overcoming barriers & who have articulated 'why jazz' & 'what stories they want to tell' in their applications
- Mid-career artists, apprentice dancers & promising students via opportunities to perform in established artists dance companies
- Accomplished, established artists, who have nevertheless identified limits in their trajectories stemming from an under representative arts space & inflexible commercial sector.

The project emerges in response to social & arts sector needs identified by the cohort of BIPOC lead artists & Dollie Henry, informed by:

- Extensive lived experience & understanding of BIPOC &/or jazz artists' needs on the ground
- Actively creating work in commercial sector & wider arts, in regular contact with professionals & students
- Teaching at Trinity Laban, Urdang, Mountview, International School on the Rhein (Germany), Performance Preparation Academy (Guildford), Institute for Contemporary Theatre, IRIE! Dance Theatre, African Diaspora Dance Association, Bird College, Wilkes Academy, White Lodge UK & Richmond College.

Workforce

- If you're engaging a team of people to work on your project, or are working in partnership with other individuals or organisations, tell us:
- How you will ensure they reflect the communities you wish to reach
- How you will ensure access to opportunities are open and accessible
- If you're not working with anyone else on your project you should explain why and consider how working with others would help you to reflect the communities you wish to reach.

JAR23 reflects the BIPOC, Black women & QTPOC communities it centres, because:

- Artistic Director Dollie Henry MBE has 40 years work as a catalyst for Black women in the arts
- The convention brings together 34 BIPOC artists at every stage of their career, holding nearly all lead roles
- Of the 42 professional, apprentice & student dancers more than 70% are BIPOC
- Across all, artists are 60% women, 7 LGBTQ & 2 non-binary artists.

To nurture a broader QTPOC artist base & audience going forward, non-binary choreographer Ffion Campbell-Davies (House of Absolute) will activate their networks & formally advise BOP on marketing.

The open call for choreography commissions from emerging artists was sponsored by One Dance UK (ODUK) & publicised by ODUK & Jazz Theatre Arts UK member's large networks built around platforming marginalised voices. Artists have been selected for excellence & to showcase the breadth of new jazz voices, with pieces proposed on themes on womanhood, jazz/latin fusion, West African jazz heritage & fighting racism.

Sasolo Arts Development will train BOP & partners to capture & evidence current & historical workforce EDI metrics, to narrate the pioneering workforce impact they have had over 25 years to future funders, sponsors, investors.

Creative Case

- Tell us how your project addresses the Creative Case for Diversity

JAR23:

- Showcases excellence of pioneering black artists, performed by majority BIPOC dancers, artistically directed by a black woman
- Articulates & address challenges faced by black artists inc. erasure, plateau & limited career pipelines leading to roles that tokenise/stereotype
- Breaks barriers to participation through scholarships, commissions, online streaming & affordable ticket prices (inc. day pass)
- Offers role models to young BIPOC dancers/students from across England & connects them to a world movement, exposing them to diverse career opportunities
- Exposes non-black dancers to the black aesthetic/kinesthetic rooted throughout jazz, emerging from the African Diaspora & Congo Square slave music
- Demonstrates the need to understand that root & to nurture improvisation to develop the jazz art form going forward
- Transcends gatekeeping & broadens scope for creative jazz expression within/out commercial structures
- Envigorates & sustains a well-resourced UK Jazz Theatre Arts community, following meeting with ACE's Hannah Bruce identifying this gap
- Cements & publicises the Jazz Theatre Arts UK network as a home & model for JDTA & black excellence going forward
- Visibilises existing Black British pedagogies & carves space for these to expand, be documented, be reflexive & become better funded
- (Literally) draws a map of the sector & its exponents, with a live event illustrator, & involves young voices in visioning next 10 years thru round-table.

EDI innovator Karina Maynard will facilitate both the CPD Seminar & Let's Talk Jazz Forum expert panels. She will harness them as a tool for synthesising learning across the sector, by:

- Working with Creative Director to liaise with speakers to curate a longitudinal & latitudinal narrative arc, looking at Jazz, impact, representation, barriers & utopianism, past, present & future
- Hosting both sessions as a 'round-table' horizontal space, subverting colonial top-down structures of expertise to involve lived experience & reflections from the diverse audience & invite young voices & perspectives.

Both live streamed panels will have a Live Event Illustrator to:

- Draw connections & differences in experience, practice & approach from panel members
- Create a visual representation of discussion points & map jazz theatre arts ecology

This will be supported by BOP dance student volunteers to:

- Relay questions from online audience chat to panellists
- Count & record results of in-person & online verbal polls.

The Live Event Illustrator & BOP volunteers will have a planning meeting with Karina. Sasolo will collate the visual map & forum/seminar contributions into a 'visioning' document & circulated to all partners at end of project.

Sasolo will work with BOP to create simple start/middle/end feedback mechanisms for partner artists, ranging panellists, choreographers to performers so BOP can improve as a learning organisation.

Developing Your Work

If this project aims to develop your skills (and those you work with) and contribute to your longer-term ambitions for strengthening the quality of your work, tell us about it here:

In producing & curating JAR23, BOP will:

- Practice managing larger scale events featuring a range of orgs, maintaining stakeholder symmetry
- Develop project management & evaluation skills with mentorship from Sasolo, learn to measure/communicate impact to partners/funders
- Bridge the gap between on-the-ground best practice & articulating this to funders/investors
- Transition from delivering individual creative projects & education initiatives to sector-level thinking, influencing best practice, nationwide curricula & educational policy
- Solidify their position as an industry innovator by cementing & publicising the Jazz Theatre Arts UK network to build resilience & longevity into their working model.

The 'Jazz Theatre Arts UK' member network, launched 2022, is comprised of the lead performers/choreographers/masterclasses leaders in this project.

JAR23 will advance Jazz Theatre Arts UK's aims to:

- Better communicate black diasporic folkloric roots of Jazz, dating back to New Orleans Congo Square with lineage back to Africa
- Trace the emergence & iterations of Jazz Theatre in the UK as a modern folk culture, to develop a language for it to advocate for itself
- Reach young BIPOC students in & out of London with development offerings that enable authentic Jazz-rooted expression & exploration parallel to commercial opportunities
- Strengthen sector relationships, embed ways of working, multiply opportunities for artists involved at all stages of their careers.

Measuring Your Progress

If you are setting out what good looks like for your project and know how you'll track how well you're doing and how well it's been received, tell us about it here:

X

Up to 1500 characters

Success markers:

-In first week of project BOP co-directors work with Sasolo to create a project management framework that continuously measures progress & captures feedback from partners

-4 artists mentored in choreography by Dollie Henry with opportunity to present scratch of work at Morley College or on zoom for comprehensive feedback before final performance

-Note: in case of any choreographies not being ready, mentorship frames this as a process-oriented learning opportunity, offers option to practice improvisation in final performance, reconnecting to jazz roots.

-1hr30min final performance by new & established talent showcasing breadth of jazz theatre arts

-Masterclasses 80% turnout including paid, scholarship, students & any other bursaries requested by education partners

-Panels 70% turnout & streamed online to at least 45 attendees each

-Panel assistants capture key demographic information from online & in-person attendees as well as relationship to the material using binary questions (have you heard of practice X? do you think Y is less than 100 years old?) Note: this captures quantitative & qualitative data live in the moment to avoiding physical/digital feedback forms of limited significance due to low turnout.

-75% of partners respond positively overall to short evaluation at end

-75% of partners report improving skills, understanding or perception of jazz field & opportunities (different measures for different levels of collaboration).

Dynamism

This Investment Principle is about being dynamic and able to respond to the challenges of the next decade.

Dollie Henry MBE is already a recognised advocate & voice for Black dance arts & jazz theatre dance, working to improve EDI in UK dance curriculum delivery & the wider performing arts sectors. To address the slow nature of systemic change in an industry marked by white gatekeepers & classical notions of excellence, this project develops Dollie's skills & standing by:

- Investing in a Black-led partner network via a proof-of-concept symposium, amplifying artists on their own terms in their own words
- Supporting her creative practice on a higher level, transitioning from curating individual pieces & mentoring individual artists, to mentoring & curating 34 artists to represent a cross-section of Black voices & Black excellence
- Positioning her as the champion of a new vanguard, leading jazz forward, steeped in its roots & facing a utopian future.

Development with Sasolo will convert project info & evaluation into funding templates & impact reports to streamline future funding applications, pitches to potential sponsors, dance & cross-sector collaborators. Creating a visioning document, documenting JDTA ecology's self-knowledge, & sharing it back with partners will inspire self-belief & daring to innovate. Upskilling BOP will in turn upskill the Jazz Theatre Arts UK member network so that it can pool resources & gain momentum as a collective voice calling to celebrate representation, honour lineage & invest in the future of jazz.

 - b) To provide copies to other individuals or organisations who are helping us assess and monitor grants, including local authorities, other lottery distributors and organisations that award grants. After we reach a decision, we may also tell them the outcome of your application and, if appropriate, why we did not offer you a grant.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**

☐
☐

- is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and
- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

PRELIMINARY

1. (a) Subject as hereinafter provided the Regulations incorporated in Table A as set out in the Schedule to the Companies (Tables A to F) Regulations 1985 as amended and hereinafter called "Table A" shall apply to the Company.

(b) The Articles hereinafter contained, together with the Regulations incorporated in Table A subject to their exclusion or modification hereinafter expressed, shall constitute the Regulations of the Company.

(c) Any reference in these Articles to "the Act" shall mean the Companies Act 1985 as amended or extended by any other enactment.

INTERPRETATION

2. In Regulation 1 of Table A there shall be inserted before the words "office" and "secretary" the word "the" and between the words "regulations" and "the Act" the words "and in any regulations adopting in whole or in part the same".

ALLOTMENT OF SHARES

3. (a) Subject to the provisions hereinafter expressed, the Directors are authorised for the purposes of section 80 of the Act to exercise the power of the Company to allot shares to the amount of the authorised but unissued share capital of the Company at the date hereof and the Directors may allot, grant options over or otherwise dispose of such shares to such persons, on such terms and in such manner as they think fit provided always that:-
 - (i) save as provided in sub-paragraph (ii) below, the authority hereby given to the Directors to exercise the power of the Company to allot shares shall expire five years after the date of incorporation of the Company;
 - (ii) the Members in General Meeting may by Ordinary Resolution:-
 - (a) renew the said authority (whether or not it has been previously renewed) for a period not exceeding five years (unless the Company elects by elective resolution to

modify the duration of authority pursuant to Section 80A of the Companies Act 1985), but such Resolution shall comply with the Act;

(b) revoke or vary any such authority (or renewed authority);

(iii) notwithstanding the aforementioned provisions of sub-paragraphs (i) and (ii) the Company may make an offer or agreement which would or might require shares to be allotted after such authority has expired and in pursuance of such an offer or agreement the Directors may allot shares notwithstanding that such authority or renewed authority has expired.

Any reference hereto to the allotment of shares shall include a reference to the grant of any right to subscribe for, or to convert any security into shares, but shall not include any reference to the allotment of shares pursuant to such a right.

(b) In accordance with Section 91 of the Act, Sections 89(1), and 90(1) to (6) of the Act are excluded from applying to the Company. Any shares for the time being unissued shall be offered to the Members in proportion as nearly as may be to the number of existing shares held by them respectively unless the Company shall by Special Resolution otherwise direct. Such offer shall be made by written notice specifying the number of shares offered and specifying a period (not being less than fourteen days) within which the offer, if not accepted, will lapse and determine. After the expiration of that period, or on the receipt of an intimation in writing from the offeree that he declines to accept the shares so offered, the Directors may in accordance with the provisions hereto allot, grant options over or otherwise dispose of the same to such persons, on such terms and in such manner as they think most beneficial to the Company. The Directors may in like manner and subject as aforesaid, allot any such new or original shares which by reason of the proportion borne by them to the number of persons entitled to any such offer as aforesaid or by reason of any other difficulty in apportioning the same cannot in the view of the Directors effectually be offered in the manner aforesaid.

SHARES

4. (a) Subject to Chapter VII of Part V of the Act, and to the Regulations of the Company, the Company may purchase its own shares (including redeemable shares) whether out of distributable profits or the proceeds of a fresh issue of shares or otherwise.

(b) Regulation 35 of Table A shall not apply to the Company.

(c) Subject to Chapter VII of Part V of the Act, any shares may, with the sanction of an Ordinary Resolution, be issued on the terms that they are, at the option of the Company or the shareholder, liable to be redeemed on such terms and in such manner as the Company before the issue of the shares may by Special Resolution determine, and whether out of distributable profits or the proceeds of a fresh issue of shares or otherwise. Regulation 3 of Table A shall be modified accordingly.

(d) Subject to Chapter VI of Part V of the Act, the Company may give financial assistance for the purpose of or in connection with any

acquisition of shares made or to be made in the Company or its holding company.

5. The lien conferred by Regulation 8 of Table A shall attach to all shares whether fully paid or not and to all shares registered in the name of any person indebted or under liability to the Company whether he be the sole holder thereof or one of two or more joint holders. The Company shall have a first and paramount lien on every share (not being fully paid) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share and the Company shall also have a first and paramount lien on all shares (including fully paid shares) registered in the name of any person indebted or under liability to the Company whether he be the sole holder thereof or one of two or more joint holders for all moneys presently payable by him or his estate to the Company: but the Directors may at any time declare any shares to be wholly or in part exempt from these provisions. The Company's lien, if any, on a share shall extend to all dividends payable thereon. Regulation 8 of Table A shall be modified accordingly.

TRANSFER OF SHARES

6. (a) No share or beneficial ownership of a share shall be transferred nor shall the Company purchase any of its own shares pursuant to Regulation 4 unless and until the rights of pre-emption hereinafter conferred shall have been exhausted.

(b) Any member proposing to transfer any share or beneficial ownership of a share (hereinafter called "the vendor") shall give notice in writing (hereinafter called "the transfer notice") to the Company of such proposal. The transfer notice shall specify the sum which in the vendor's opinion constitutes the fair price of each share specified therein, and shall constitute the Company the vendor's agent for the sale of such share or shares (hereinafter called "the said shares") in one or more lots at the discretion of the Directors to the Members (other than the vendor), at that price save that if the Directors do not accept that the sum specified by the vendor constitutes the fair price of the said shares they shall instruct the Auditors of the Company (who shall act as experts and not as arbitrators so that any provision of law or statute relating to arbitration shall not apply) or, in the case of a Company to which no Auditors have been appointed, such independent expert as determined and duly appointed by the Members of the Company in General Meeting, to certify by certificate in writing (hereinafter called "the certificate of value") the value in their opinion of the said shares as between a willing seller and a willing buyer, and in such a case the transfer notice shall nevertheless constitute the Company the vendor's agent for the sale of the said shares but at the price certified in the certificate of value.

(c) If the Auditors (or the independent expert as aforesaid) are instructed to certify the fair value as aforesaid the Company shall, as soon as it receives the certificate of value, furnish a copy thereof to the vendor. The cost of obtaining the certificate of value shall be borne by the Company.

(d) Upon the price being fixed as aforesaid (whether by reference to the vendor's opinion of the fair price or by reference to the certificate of value) the Company shall forthwith by notice in writing (hereinafter called "the offer notice") inform each Member (other than the vendor) of the number and price of the said shares and shall invite each such Member to apply in writing to the Company within 21 days of the date of despatch of the offer notice (which date shall be specified therein) for

such maximum number of the said shares (being all or any thereof) as he shall specify in such application.

(e) If such Members shall within the said period of 21 days apply for all or (save as otherwise provided in the transfer notice) any of the said shares, the Directors shall allocate the said shares (or so many of them as shall be applied for) to or amongst the applicant Members in proportion as nearly as may be to the number of shares in the Company of which they are registered or unconditionally entitled to be registered as holders provided that no applicant Member shall be obliged to take more than the maximum number of shares specified by him as aforesaid. If any shares shall not be capable without sub-division of being allocated to the Members in proportion to their existing holdings, the same shall be allocated to the applicant Members, or some of them, in such proportions or in such manner as may be determined by lots drawn in regard thereto and the lots shall be drawn in such manner as the Directors think fit.

(f) The Company shall forthwith give notice of such allocations (hereinafter called "the allocation notice") to the vendor and to the Members to whom the said shares have been allocated and shall specify in the allocation notice the place and time (being not earlier than 14 and not later than 28 days after the date of the despatch of the allocation notice, which shall be specified therein) at which the sale of the said shares so allocated shall be completed.

(g) The vendor shall be bound (upon payment of the purchase price due in respect thereof) to transfer the shares comprised in the allocation notice to the purchasing Members named therein at the place and time therein specified; and if in any case the vendor after having become bound as aforesaid makes default in transferring any shares the Company may receive the purchase price on his behalf, and may authorise some person to execute a transfer of such shares in favour of the purchasing Member. The receipt of the Company for the purchase price shall be a good discharge to the purchasing Member. The Company shall forthwith pay the purchase price into a separate bank account in the Company's name and shall hold the purchase price and any interest earned thereon in trust for the vendor.

(h) During the 6 months following the expiry of the period of 21 days referred to in paragraph (e) of this Regulation the vendor shall be at liberty subject nevertheless to the provisions of paragraph (i) of this Regulation to transfer to any person (including, but subject to Regulation 4, the Company) and at any price (not being less than the price fixed under paragraph (b) of this Regulation) any of the said shares not allocated by the Directors as aforesaid.

(i) The Directors may, in their absolute discretion and without assigning any reason therefor, decline to register any transfer of any share, whether or not it is a fully paid share.

7. The instrument of transfer of a fully paid share shall be executed by or on behalf of the transferor and in the case of a share which is not fully paid, the instrument of transfer shall in addition be executed by or on behalf of the transferee. The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of Members in respect thereof.

GENERAL MEETINGS AND RESOLUTIONS

8. (a) Any proxy appointed by a member of the Company in accordance with Section 372 of the Act shall be entitled to vote on a show of hands as well as on a poll, provided that no person present shall be entitled to more than one vote on a show of hands save as provided in Regulation 50 of Table A.
- (b) In every notice convening a General Meeting of the Company there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend and, on a poll, or a show of hands to vote instead of him and that such proxy need not also be a Member.
- (c) Regulations 38 and 59 of Table A shall be modified accordingly.
- (d) Proxies may be deposited at the Registered Office of the Company at any time before the time of the Meeting for which they are to be used unless otherwise specified in the notice convening such Meeting. The Directors may at their discretion treat a facsimile transmission or other machine made copy of an instrument appointing a proxy as a proxy for the purposes of this Article. Regulation 62 of Table A shall be modified accordingly.
9. A Resolution in writing signed or approved by letter, telex, facsimile transmission or cable by all members of the Company, who would have been entitled to vote upon it if it had been duly proposed at a General Meeting or at a meeting of any class of members of the Company, or by their duly appointed attorneys, shall be as valid and effectual as if it had been passed at a General Meeting or at such a class meeting of the Company (as the case may be) duly convened and held. Any such Resolution may consist of several documents in the like form each signed by one or more of the members or their attorneys (or, in the case of a member which is a body corporate, by a director thereof or by a duly appointed representative). Regulation 53 of Table A shall not apply to the Company.

APPOINTMENT OF DIRECTORS

10. (a) Unless and until otherwise determined by the Company in General Meeting there shall be no maximum number of Directors and the minimum number of Directors shall be one. Whenever there shall be only one Director of the Company such Director may act alone in exercising all the powers, discretions and authorities vested in the Directors, and Regulation 89 of Table A shall be modified accordingly.
- (b) Regulation 64 of Table A shall not apply to the Company.
11. (a) The Directors shall not be required to retire by rotation and Regulations 73 to 80 (inclusive) of Table A shall not apply to the Company.
- (b) No person shall be appointed a Director at any General Meeting unless either:-
- (i) he is recommended by the Directors; or
 - (ii) not less than fourteen nor more than thirty-five clear days before the date appointed for the General Meeting, notice

executed by a Member qualified to vote at the General Meeting has been given to the Company of the intention to propose that person for appointment, together with notice executed by that person of his willingness to be appointed.

(c) Subject to paragraph (b) above, the Company may by Ordinary Resolution in General Meeting appoint any person who is willing to act to be a Director, either to fill a vacancy or as an additional Director.

(d) The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director, provided that the appointment does not cause the number of Directors to exceed any number determined by the Company in General Meeting as the maximum number of Directors for the time being in force.

(e) Regulation 84 of Table A shall be modified by the deletion of the last sentence therefrom.

PROCEEDINGS OF DIRECTORS

12. Notice of a meeting of the Directors shall be deemed to be properly given to a Director if it is given to him personally or by word of mouth or sent in writing to him at his last known address or any other address given by him to the Company for this purpose, or by any other means authorised in writing by the Director concerned. A Director absent or intending to be absent from the United Kingdom may request the Directors that notices of meetings of the Directors shall during his absence be sent in writing to him at an address or to a facsimile or telex number given by him to the Company for this purpose, but if no request is made to the Directors it shall not be necessary to give notice of a meeting of the Directors to any Director who is for the time being absent from the United Kingdom. A Director may waive notice of any meeting either retrospectively or prospectively. Regulation 88 of Table A shall be modified accordingly.

13. All or any of the members of the board or any committee of the board may participate in a meeting of the board or that committee by means of a conference telephone or any communication equipment which allows all persons participating in the meeting to hear each other. A person so participating shall be deemed to be present in person at the meeting and shall be entitled to vote or be counted in a quorum accordingly. Such a meeting shall be deemed to take place where the largest of the group of those participating is assembled, or, if there is no such group where the Chairman of the meeting then is.

14. (a) A Director who is in any way either directly or indirectly interested (whether through persons connected with him as defined in section 346 of the Act or otherwise) in any contract, transaction or arrangement (whether or not constituting a contract and whether actual or proposed) with the Company or in which the Company is otherwise interested, shall declare the nature of his interest at a Meeting of the Directors in accordance with section 317 of the Act. Subject to such disclosure a Director shall be entitled to vote in respect of any such contract, transaction or arrangement (whether actual or proposed) in which he is interested and he shall be counted in reckoning whether a quorum is present.

(b) Regulations 94 to 97 (inclusive) of Table A shall not apply to the Company.

BORROWING POWERS

15. The Directors may exercise all the powers of the Company to borrow money, whether in excess of the nominal amount of the share capital of the Company for the time being issued or not, and to mortgage or charge its undertaking, property and uncalled capital or any part thereof, and to issue debentures, debenture stock or any other securities whether outright or as security for any debt, liability or obligation of the Company or of any third party.

DISQUALIFICATION OF DIRECTORS

16. The office of a Director shall be vacated if he becomes incapable by reason of illness or injury of managing and administering his property and affairs and Regulation 81 of Table A shall be modified accordingly.

In the case of joint holders of a share, service or delivery of any notice or other document on or to one of the joint holders shall for all purposes be deemed a sufficient service on or delivery to all the joint holders. Regulation 112 of Table A shall be modified accordingly.

(b) Any notice or other document, which is sent by post, shall be deemed to have been served or delivered 24 hours after posting and, in proving such service or delivery, it shall be sufficient to prove that the notice or document was properly addressed, stamped and put in the post. Any notice or other document left at a registered address otherwise than by post or sent by facsimile transmission or telex or other instantaneous means of transmission, shall be deemed to have been served or delivered when it was so left or sent. Regulation 115 of Table A shall not apply.

Any document signed by a Director and the Secretary of the Company or by two Directors of the Company and expressed (in whatever

form of words) to be executed by the Company has the same effect as if executed under the seal of the Company. A document shall only be so signed with the authority of a resolution of the Directors or a committee of the Directors. Regulation 101 of Table A shall not apply to the Company.
