

Introduction

National Lottery Project Grants

Arts Council National Lottery Project Grants is our funding programme for arts, museums and libraries projects. It is always open, so we can respond to people's good ideas.

Our Strategy, Let's Create

Let's Create is our ten-year Strategy 2020-2030. It explains how we want our funding to make a difference. It includes three Outcomes and their Elements, and four Investment Principles.

We recommend reading Let's Create before you apply. This is so you're familiar with the difference that we want projects to make (the Outcomes and their Elements). It will also help you to use the Investment Principles to shape and deliver a successful project.

We will ask questions in the application form which relate to the Outcomes, their Elements and the Investment Principles. We will tell you which questions these are.

Application form

In this application form we will ask you questions about:

- your project**
- the people and communities who will experience your project**
- your planning**
- you or your organisation**

When we read your answers we will think about how your project will help to make a difference using the Outcomes and Investment Principles. We will also think about how likely it is to achieve what you want it to.

The information you give us in this application form will help us decide which applications we will fund.

Remember

The first few screens are already completed with information you've provided in your applicant profile. If you need to make changes to these screens, go back to the 'Applicants' section and you can edit your applicant profile.

Throughout the application form, any questions marked with an asterisk (*) must be answered to allow you to submit the form.

The text boxes have a character limit which includes letters, numbers, symbols and spaces. Please stick to this character limit as any additional text won't be saved.

Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project?

Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need 12 weeks to process applications for £30,001 and over, your start date must be more than 12 weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 11/03/2024

Project end date: 10/11/2024

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Organisational development builds on the momentum of the successful, ACE-funded, Jazz Arts Rewired 2023 festival to strengthen Body of People Jazz Theatre Company (BOP)'s position in the jazz & dance ecologies.

Funded development, a company performance & 4 proof-of-concept projects will transition BOP from a high output, project-to-project trailblazer towards a visible, connected & resilient jazz & dance powerhouse, essential in elevating underrepresented dancers at all stages into longitudinal careers that put innovation & jazz lineage above commercial barriers.

Building BOP's core capacity will enable:

- Multi-year planning, integration of staple programmes, visioning of new ones
- Cross-pollination of artists & audiences across programmes, improving outcomes for all partners
- Diversification of institutional partnerships & funding streams, multiplying resilience & impact.

4 masterclass, education & inclusion projects that will inform this development include:

- 'Evolve' workshop series for London Contemporary Dance School (LCDS) Y3 undergraduates: 4 weekly sessions lead to a scratch performance that investigates technique, heritage & improvisation in jazz
- 'Jazzways' summer residency at Morley College for 16-18yo dancers: 3 day intensive training opens pathways into jazz; reach campaign provides free & subsidised places to underserved YP
- 'Jazzworlds' course at Danscentrum Syd's international summer school in Sweden for 40 international dancers & teachers: champions jazz pedagogies & BOP's visibility in a global forum
- 'Brit School Sessions' 2 in-depth masterclasses: map jazz techniques & history for A level dancers & musicians; offer a non-classical, decolonial & folkloric origin story for contemporary & experimental forms today.

These programmes leverage BOP's unique knowledge & position to improve career pathways for dancers & musicians from 16+, centre diasporic pedagogies rooted in underrepresented communities & build local & international exchange. Additionally BOP works collaboratively through place-based partnerships (Cultural Communities K4) at Morley, Brit School, The Place, & Danscentrum Syd to embed jazz dance & grow its economic impact.

BOP's 2024 company performance BOP 'Naissance':

- Features new choreography & composition 'Footprints in Jazz' & revives BOP's 1995 work Touches of Miles
- Showcases the legacy & future creative excellence of Creative Director Dollie Henry MBE & Musical Director Paul Jenkins
- Platforms BOP diverse & majority underrepresented dancers at crucial moments to sustain careers in diasporic, post-commercial & experimental art forms
- Leads with a day of public Masterclasses by BOP's cohort of leading Black jazz dance artists.

These all feed the org dev drive that includes hiring:

- Senior Producer Raj Pardesi to build production capacity & explore new partnerships, set up face-to-face meetings

-A Development Officer to produce 1st impact report, investigate funding streams.

Ambition, Quality and Dynamism

The next two questions are about our Ambition and Quality and Dynamism Investment Principles. You can find more about them [here](#).

What's led you or your organisation to do this project now?

Up to 1500 characters

- What ideas or experiences have led you or your organisation to this point?
- Is this project helping you or your organisation learn or try new things?
- If you've done something similar before, how is this different?

- You can write this in full paragraphs or in bullet points

This org dev drive emerges from:

- BOP's 26 years as over-recognised, underfunded pioneers & sustainers of Jazz Dance Theatre Arts (JDTA) & its offshoots
- Jazz Arts Rewired 2023, ACE-funded symposium at which visibilised, celebrated & championed UK's rich JDTA lineage, showcased Black pedagogy & new talent, inspired YP 16+
- Mentorship from Sasolo Arts Development that has identified next steps in financial planning, navigating industry & building a sustainable model.

Jazz Arts Rewired 2023 (JAR23):

- Connected leading artists with emerging dancers in 5 masterclasses, 2 panels, 4 commissions & a London show
- Networked practitioners & orgs across the jazz idiom thru interdisciplinary & cross-sector collaboration
- Was attended by 2 ACE staff who noted encountering incredible underrepresented artists not yet on their radar.

Having affirmed BOP's unique position in Jazz & Dance, now is a crucial time to maintain this momentum by developing the skills & capacity.

Working with a Development Officer (DO) will:

- Create a 1st impact report to research & articulate BOP's outsized footprint
- Create a business plan that separates core & projects costs to inform multi-year growth.

8 months with an experienced, connected Senior Producer (SP) will:

- Open new partnerships with venues, programmers, festivals, funders & education partners in FE/HE
- Streamline operations to enable Dollie Henry MBE to focus on championing jazz dance on the national & international stage.

- Filmed performances (Evolve/Jazzworlds by host orgs, Jazzways by BOP) participants use for showreels
- Individual students opt-in for host org to share their diversity data.

At end of each BRIT Schl Session:

- 50%+ students report better understanding jazz roots/trajectory

Future goals emerging from projects & org dev:

- Year-round outputs become a connected whole with associated KPIs; lay foundations for Audience Development plan & Theory of Change
- Jazz Arts Rewired becomes Black-focused Jazz Dance pedagogy & performance festival fixture every other year
- BOP on the national dance & education maps as a seminal producer & key career incubator for diverse artists pre- & post- university.

Environmental Responsibility

This question is about our Environmental Responsibility Investment Principle.

You can read more about this in the Being environmentally responsible section of the Guidance Library.

What are you doing to make your project environmentally responsible?

Carbon footprint - for example using a carbon calculator to forecast or better understand your project footprint, Training and development – for example climate literacy or mentoring, Materials and resource use – for example reducing waste or up-cycling

- What are the environmental actions or targets for your project?
- Are you testing any new approaches or ideas?
- How will you evaluate and share your environmental approach?

-Development Officer will create a 2025 roadmap for BOP measuring & understanding the Environmental impact of operations
-Creative Director will connect hxstory of jazz to migration, colonial resource extraction & thus to contemporary communities' fuel poverty, energy policies & the economic structures complicit in upholding a fossil-fuel-dependent world.

DO roadmap will investigate:

- How to build universal BOP environmental impact metrics that align with new metrics being adopted by venues
- What frameworks make sense for the different types of programmes BOP is engaged in, such as Creative Green Certification framework & Julie's Bicycle resources, & whether these can be an integrated whole or project-by-project systems
- The role of an Environmental Responsibility Champion (ERC).

This will lead to a presentation at the end of the project with recommendations for adoption to enable BOP to scale its environmental responsibility as it grows in capacity & scope.

Inclusivity and Relevance

This question relates to our Inclusivity and Relevance Investment Principle.
You can find more about it [here](#)

What steps are you taking to make your project inclusive and relevant?

Up to 3500 characters

Inclusivity

- How have you embraced a wide range of diverse influences and practices in bringing your project together?
- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?
- If it's relevant, how will the project team reflect the people and communities your project will reach?

The project emerges from JAR23, which:

- Platformed artists who are 70% BIPOC 60% women, 7 LGBTQ & 2 non-binary
- Inc. 34 BIPOC artists at every stage of their career, in all lead roles
- Commissioned 7 new choreographies performed by 23 yng, majority BIPOC professional/apprentice dancers & students
- Networked 17 dance companies/orgs & 9 education institutions.

This served as deep research & consultation that has informed the design of this project via:

- Fora where peers shared lived experience of diverse jazz artists' needs on the ground, facilitated by EDI champion Karina Maynard
- Sharing approaches & challenges faced by black & BIPOC dance pedagogues working in 12 education institutions in England, Wales, Germany, Italy, US, Japan, esp. when decolonising Western contexts
- A reach campaign with bursaries to access masterclasses & the show, for YP in performing arts colleges/HE dance schools in Cheshire, Surrey, Kent, Brighton, Manchester, Hartfordshire, Swindon, Cardiff.

These successes & learnings underpin the drive for BOP & its peers to build a sustainable, resourced, independent platform that bridges emerging artists, diverse champions with big venues thru the freedom, plurality & diasporic heart of Jazz.

BOP's Workforce:

- Is led by CD Dollie Henry MBE, with 40yrs work as a catalyst for Black women in the arts, as she steps into her role as a custodian of her art form(s) & mentor for a new generation of practitioners
- Sees Rajpal Pardesi join as SP, representing British South Asian leadership in the arts at top level
- Is represented by its Naissance performance company featuring 7 dancers of British, Caribbean, South African, Norwegian, Italian & mixed heritages, inc. 3 womxn & 2 non-binary queer artists; 4 will shadow masterclasses at The Place to diversify skills
- Is supported by 7 musicians & 2 tech, 80% BIPOC
- Reflects the communities it centres, enabling underrepresented emerging dancers to see themselves in important roles in the dance world.

BOP's Communities:

- Host orgs & experienced triage partners ensure underserved aspiring dancers & early-stage professionals attend Jazzways summer residency & BOP Naissance masterclasses via a dedicated reach campaign, subsidy & bursary scheme, ads on socials & word of mouth in education networks
- The suite of programmes remove barriers to participation at entry points & development stages in dance careers to build confidence opps & sustainability
- YP at Brit School & Jazzways are given free tickets to BOP Naissance show & masterclasses
- BOP Naissance opening act slot platforms new work from LCDS Evolve BA3 students, fast forwarding career pathways
- BOP Naissance masterclasses specially target Black, BIPOC & LGBTQ+ dancers at crossroads to encourage them to take creative risks, forge multi-disciplinary careers, new ways of working
- International practitioners exposed to tools for improving access at Jazzworlds in Sweden.

BOP's model & the structure of the project embodies the Creative Case for Diversity by:

- Rooting jazz dance in the black aesthetic/kinaesthetic, returning it from over-commercialisation to the agency of Black artists & communities
- Platforming African folkloric lineage in the diaspora, reframing the folkloric as classical, decolonising education spaces thru embedded partnerships
- Working with Brit School's Ray Oudkerk & AQA to integrate Jazz in the Dance GCSE & A-Level syllabus, foregrounding black practitioners at its inception.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project timeline

Project Start Date: 11/03/2024

Project End Date: 10/11/2024

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project? I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)
- Other organisation(s) helping you to manage the project (tell us...)

How will they help you to deliver your project?

Up to 1500 characters

- What skills will they bring?
- If some people's involvement isn't confirmed yet, do you know what you'll do if they can't be involved?

JAR23 networked practitioners teaching at Trinity Laban, Urdang, Mountview, International School on the Rhein (Germany), Performance Preparation Academy (Guildford), Institute for Contemporary Theatre, IRIE! Dance Theatre, African Diaspora Dance Association, Bird College, Wilkes Academy, White Lodge UK & Richmond College. These will enable 2024 projects to reach a broad cross-section of YP 16-18 & emerging artists to ensure impact beyond the megapolis.

SP Raj Pardesi:

- Was awarded the Mahatma Gandhi Samman Leadership Award in Parliament for services to Arts & Culture (2022)
- Is Exec. Director of Soul City Arts, newly NPO
- Delivered projects for Olympics 2012, Coventry City of Culture 2021 & Commonwealth Games 2022.

His industry stature, knowledge & connections will enable BOP to step up to a new scale of delivery & impact.

One Dance UK will help identify a DO with experience:

- Communicating & winning opps & funding for underrepresented & underserved communities
- Advocating for growth that balances commercial viability with authentic representation of forms & diasporas.

Patronage & advocacy from choreographer Dr George W. Faison, singer Claire Martin OBE, actor Clarke Peters, EDI champion Karina H. Maynard, Serendipity Institute CEO Pawlet Brookes MBE & jazz musician Chris Hodgkins will enable SP & DO to position BOP's work as part of an seminal movement of Black & jazz pioneers who continue paving the way for new generations to carry the torch.

Budget: How much are you applying to us for?

We need to know how much money you are applying to us for.

We'll ask you to tell us how much money you'll have to spend on the project (the income) and what you will spend it on (the expenditure). We'll also ask you to think about any challenges for your project and explain how you will respond to these.

Whilst we understand that budgets can change over the life of a project, this information allows us to see how you've planned your budget and how realistic it is that your project will deliver what you want it to.

Please read the Budget section of our Guidance for Applicants for help on completing your budget.

Please tell us the total amount you are applying to us for, including any personal access costs (£): £49,945

How much of this request is for your/your collaborators' personal access costs (£)? £0

What do we mean by 'Personal access costs'?

*If you, or any of the core team of people you are delivering the project with, experience barriers because you identify as:

- D/deaf or disabled
- neurodivergent
- experience learning difficulties
- having a mental health condition
- having a long term health condition

there may be extra costs relating to your access needs. These would be to:

- help you deliver the project; or
- for the online management of your grant.
- Some examples are: a BSL interpreter, a notetaker, or specialist tutor for admin support, or counselling costs.

Costs can only be for the project period (between your project start date and end date).

Costs for caring responsibilities or costs for making your activity accessible to the people experiencing your project, including participants, can be included as part of your project budget but should not be included as personal access costs.

Only include personal access costs that you will have if your application is successful. This does not include costs relating to preparing, planning and submitting your application.

You can find more about personal access costs, and more about how we can support you to submit an application, in our Access Support information sheet.

If your personal access costs take your request over £100,000 we will still treat your application as an application for £30,001 and over

- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:

- Only include expenditure that will be spent between the start and end date of your project.
- The table already includes any Support in kind you added on the Income screen so you do not need to add this.
- Include example breakdown for expenditure, for example: Artist fee (£300 per day x 30 days) £9,000

Expenditure questions

What experience do you have of managing a project budget of this size? I have managed a project budget of this size or larger before

How have you worked out the costs for paying people included in your budget?

Up to 1500 characters

Creative Director Dollie Henry MBE's project fees between £250-£300/day represent an industry leader in her element.

£300 rate for Evolve jazz development programme at LCDS includes short check-ins with performance groups/unit leader Sasha Roubicek on choreography progress outside of delivery days.

Musical Director Paul Jenkins' £175-£200/day project fees represent a top level MD in supporting roles.

All Dancers, Musicians, Company Manager & Stage Manager are at ITC or MU or above. Dancers are contracted for 4 weeks inc. rehearsals & 2 shows. Musicians are in for 4 days on a rehearsal/show rate above MU.

Lighting & Costume are quotes from long standing collaborators for the scale of project in question.

How have you worked out the other artistic or creative costs included in your budget?

Up to 1500 characters

Space Hire is only 21 days across the entire project at non-commercial rates, which represents considerable space provided in kind.

The PRS contribution for BOP Naissance is low because the majority of materials is original compositions by the Musical Director.

Costume materials are folded into Costumier line (paying people) as it's part of the whole quote by the Costumier, approx. £500.

How have you worked out the costs of making your work accessible?

Up to 1500 characters

Consultation on Web Development to WCAG2.1 quote comes from development work done with Sasolo Arts Development in 2023 as BOP Co-Directors maintain their own website & will learn the skills to transition it.

The Guest Act (supported by The Place guarantee) is an opportunity to open a high visibility performance slot at the BOP Naissance debut at The Place to the most promising choreography at the BOP Evolve programme.

BOP Naissance masterclasses fees are £200 for a 1.5hr session inc. prep with the Creative Director to ensure a spectrum of techniques & approaches are showcased. These will be held by the formidable Karina Maynard & BOP's own Bafana Matea, Nahum McLean, Ffion Campbell Davies, with a focus on accessibility, jazz joy & improv, career pipelines for underrepresented artists, building confidence in post-commercial careers & experimentation, & represent a step up for Ffion stepping into the education & mentorship space given their considerable output & accolades & unique positionality to inspire queer & non-binary dancers of tomorrow.

The masterclass apprentice fees represent an opportunity for more junior BOP dancers & promising artists with new perspectives from the Evolve, Jazzways (potentially the BRIT School sessions) to assist the masterclass leaders in delivery, build education experience, articulate their work & learn from someone more experienced.

How have you worked out the costs of developing your organisation included in your budget?

Up to 1500 characters

35 days for Creative Director Dollie Henry MBE, equivalent to 0.2FTE over 8mos represents the first time BOP's Co-Director has paid time to lead the organisation. This time will be spent:

- Developing new relationships with support from Raj Pardesi & a roster of in kind supporters
- Working with a Development Officer for the first time to develop a multi-year vision for the org with resilience & sustainability at its core
- Feed into a first ever BOP Impact Report, tracing 25 years of crucial influence on the jazz & dance sectors, stylistically, pedagogically & representationally, especially for Black women & men dancers
- Oversee an integration of programmes inc. from production, marketing & comms perspectives.

Hiring Raj Pardesi as Senior Producer is a key to this development, leveraging his considerable position, contacts & passion for BOP to ensure 2025 onwards are years BOP steps up its national significance & international visibility for the UK's jazz dance sector. He will connect BOP's regular advocacy engagements into a strategic platform that transcends white gatekeepers.

The Development Officer requires someone agile & dynamic to connect various strands of BOP's work. One Dance UK will provide key support to advertise & onboard this role.

Paid time for Creative Director & Musical Director for industry meetings ensures both co-founders carry BOP's vision forward.
Paid evaluation time enables the team to lock in learnings from development.

How have you worked out the costs of marketing and developing audiences included in your budget?

Up to 1500 characters

Core marketing costs inc. Marketing Manager & Graphic Designer represents the first time BOP has resources to invest in year-round visibility campaign that connects all projects into a contiguous whole. 2 of the Graphic Designer enable them to work with the Development Officer to ensure the Impact Report & other bespoke materials have a clear BOP identity & any infographics on hxstoric impact communicate quickly & clearly.

Core ad spend enables BOP to grow their following & engagement to multiply the impact of Jazz Arts Rewired in 2025 & onwards.

The marketing campaign for BOP Naissance is appropriately costed for the size of the project, focusing on 2 shows, with a high chance of selling out (given track record) which enables the PR & marketing campaigns to focus on targeting:

- Larger orgs & institutions in jazz, dance, music & beyond
- New audiences via cross-promotion with BOP's roster of multi-disciplinary artists
- New platforms inc. TikTok, which have a higher cost-to-effectiveness ratio when starting out, but are essential for future proofing
- Newly working with Bernie Grant, in new communities & areas, with a more community, diaspora & family focus inc. disseminating free tickets using Head of Community Bevali McKenzie's expertise.

BOP will leverage combined followings across 3 accounts inc. 12k insta, 8k facebook & over 1,500 mailing list, & aim to grow these 20% in 2024. ODUK additional support inc. 86k facebook & 14k insta.

How have you worked out the costs of the overheads included in your budget?

Up to 1500 characters

Accounting quote from BOP's accountant ensures the project is carefully monitored so reports comply with stakeholders' need for rigour.

Office Overheads set at 0.4FTE representing Creative Director & Senior Producer on 0.2FTE each & include BOP office bills, equipment maintenance, insurance & PLI.

How have you worked out the costs of expenditure listed as 'other' in your budget?

Up to 1500 characters

Contingency is set at 2% to cover unexpected costs arising inc. making space for travel bursaries or per diems for Jazzways attendees coming from further afield. 2% is appropriate given the careful budget, experience managing projects of this scale & considerable support in kind.

How much of your total project budget is being spent on International costs (such as visas, carnets, freight, travel, accommodation, per diems)? £2,125

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

Risk 1

New relationships in 2024 won't lead to programming opps, match-funding or support in-kind until 2025 or 2026.

R2

Jazz isn't commercial enough to fuel a programming revival.

R3

The impact report will have limited scope because of a lack of historic diversity data.

R4

The DO is not guaranteed to raise funds in the project lifetime.

R5

Two back to back shows in different London venues puts them in competition with each other.

Mitigation 1

The org dev drive is designed to kickstart a multi-year transition for BOP. BOP has experience operating with low overheads & has designed the project to conclude with new relationships & critical assets to sustain momentum in years to come, even if a core funder is 2 years off. Funding now will enable BOP to take risks, deliver higher level & more accessible training, thereby multiply its impact.

What will you do to manage these risks?

Up to 2000 characters

- What plans have you put in place?
- Have these actions worked before?

Mitigation 2

At the same time:

- BOP articulates & reclaims Jazz & its diasporic origins as the root of so many contemporary styles in Dance & Music. This brings more genres into Jazz & builds appetite to use it as a pluralist lens of cross-pollination
- Using Jazz, a genre built on experimentation & risk taking, as language for innovation with learners at all stages re-introduces experimentation across styles & disciplines, in a pre-commercial way that foregrounds diasporic artists, which will lead to new fruits & creative discoveries
- The above said, Jazz Arts Rewired sold out every session & performance, demonstrating an appetite & viability when this cohort of artists & organisations are given space to grow.

M3

While BOP cannot retroactively unearth 26 years of metrics, the far reaching impact of its shows, dance companies & education work is demonstrable. BOP has an close relationship with many legacy artists, is profoundly embedded in the artist cohort it came up with & will solicit interviews with leading dancers, choreographers, musicians & wider professionals. This document can serve as the foundations for a wider map of the British & international JDTA world(s) today.

M4

The DO will create the materials & develop the org understanding with which to diversify funding streams in 2025. As it's not a tenable year-round position for an org BOP's size the focus will be on training the CD & MD to leverage new materials & new language around BOP's unique position to opps at a higher level.

M5

BOP's history of high ticket sales on modest marketing budgets, leveraging cross promotion from its roster of exceptional artists minimises this issue. The show at Bernie Grant Arts Centre enables BOP's centrepiece performance to leave central London, engage Tottenham audiences at a venue with a deep understanding of its local community & a public that needs to see itself represented at the forefront of quality culture.

Safeguarding

You acknowledge that safeguarding is important in all projects working with the public. You acknowledge that if your project is funded you must sign up to Terms and Conditions that require you to have appropriate policies and procedures in place – and to put them into effect where needed – to support the safe delivery of the project.

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.

We will not use this information to assess your application. For specific programmes, we may use this information as part of our decision-making process. Where this is the case, it will be stated in the Applicant guidance, and we will ask you to ensure this information is up to date before submitting your application.

If you do not know some of the information or you would prefer not to provide it, you can fill in the 'Not known/Prefer not to answer' box. Should a member of senior management also sit on your board/council, please only count them once.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**

☐
☐

- is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and
- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

(b) Regulation 35 of Table A shall not apply to the Company.

(c) Subject to Chapter VII of Part V of the Act, any shares may, with the sanction of an Ordinary Resolution, be issued on the terms that they are, at the option of the Company or the shareholder, liable to be redeemed on such terms and in such manner as the Company before the issue of the shares may by Special Resolution determine, and whether out of distributable profits or the proceeds of a fresh issue of shares or otherwise. Regulation 3 of Table A shall be modified accordingly.

(d) Subject to Chapter VI of Part V of the Act, the Company may give financial assistance for the purpose of or in connection with any

acquisition of shares made or to be made in the Company or its holding company.

5. The lien conferred by Regulation 8 of Table A shall attach to all shares whether fully paid or not and to all shares registered in the name of any person indebted or under liability to the Company whether he be the sole holder thereof or one of two or more joint holders. The Company shall have a first and paramount lien on every share (not being fully paid) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share and the Company shall also have a first and paramount lien on all shares (including fully paid shares) registered in the name of any person indebted or under liability to the Company whether he be the sole holder thereof or one of two or more joint holders for all moneys presently payable by him or his estate to the Company: but the Directors may at any time declare any shares to be wholly or in part exempt from these provisions. The Company's lien, if any, on a share shall extend to all dividends payable thereon. Regulation 8 of Table A shall be modified accordingly.

TRANSFER OF SHARES

6. (a) No share or beneficial ownership of a share shall be transferred nor shall the Company purchase any of its own shares pursuant to Regulation 4 unless and until the rights of pre-emption hereinafter conferred shall have been exhausted.

(b) Any member proposing to transfer any share or beneficial ownership of a share (hereinafter called "the vendor") shall give notice in writing (hereinafter called "the transfer notice") to the Company of such proposal. The transfer notice shall specify the sum which in the vendor's opinion constitutes the fair price of each share specified therein, and shall constitute the Company the vendor's agent for the sale of such share or shares (hereinafter called "the said shares") in one or more lots at the discretion of the Directors to the Members (other than the vendor), at that price save that if the Directors do not accept that the sum specified by the vendor constitutes the fair price of the said shares they shall instruct the Auditors of the Company (who shall act as experts and not as arbitrators so that any provision of law or statute relating to arbitration shall not apply) or, in the case of a Company to which no Auditors have been appointed, such independent expert as determined and duly appointed by the Members of the Company in General Meeting, to certify by certificate in writing (hereinafter called "the certificate of value") the value in their opinion of the said shares as between a willing seller and a willing buyer, and in such a case the transfer notice shall nevertheless constitute the Company the vendor's agent for the sale of the said shares but at the price certified in the certificate of value.

(c) If the Auditors (or the independent expert as aforesaid) are instructed to certify the fair value as aforesaid the Company shall, as soon as it receives the certificate of value, furnish a copy thereof to the vendor. The cost of obtaining the certificate of value shall be borne by the Company.

(d) Upon the price being fixed as aforesaid (whether by reference to the vendor's opinion of the fair price or by reference to the certificate of value) the Company shall forthwith by notice in writing (hereinafter called "the offer notice") inform each Member (other than the vendor) of the number and price of the said shares and shall invite each such Member to apply in writing to the Company within 21 days of the date of despatch of the offer notice (which date shall be specified therein) for

such maximum number of the said shares (being all or any thereof) as he shall specify in such application.

(e) If such Members shall within the said period of 21 days apply for all or (save as otherwise provided in the transfer notice) any of the said shares, the Directors shall allocate the said shares (or so many of them as shall be applied for) to or amongst the applicant Members in proportion as nearly as may be to the number of shares in the Company of which they are registered or unconditionally entitled to be registered as holders provided that no applicant Member shall be obliged to take more than the maximum number of shares specified by him as aforesaid. If any shares shall not be capable without sub-division of being allocated to the Members in proportion to their existing holdings, the same shall be allocated to the applicant Members, or some of them, in such proportions or in such manner as may be determined by lots drawn in regard thereto and the lots shall be drawn in such manner as the Directors think fit.

(f) The Company shall forthwith give notice of such allocations (hereinafter called "the allocation notice") to the vendor and to the Members to whom the said shares have been allocated and shall specify in the allocation notice the place and time (being not earlier than 14 and not later than 28 days after the date of the despatch of the allocation notice, which shall be specified therein) at which the sale of the said shares so allocated shall be completed.

(g) The vendor shall be bound (upon payment of the purchase price due in respect thereof) to transfer the shares comprised in the allocation notice to the purchasing Members named therein at the place and time therein specified; and if in any case the vendor after having become bound as aforesaid makes default in transferring any shares the Company may receive the purchase price on his behalf, and may authorise some person to execute a transfer of such shares in favour of the purchasing Member. The receipt of the Company for the purchase price shall be a good discharge to the purchasing Member. The Company shall forthwith pay the purchase price into a separate bank account in the Company's name and shall hold the purchase price and any interest earned thereon in trust for the vendor.

(h) During the 6 months following the expiry of the period of 21 days referred to in paragraph (e) of this Regulation the vendor shall be at liberty subject nevertheless to the provisions of paragraph (i) of this Regulation to transfer to any person (including, but subject to Regulation 4, the Company) and at any price (not being less than the price fixed under paragraph (b) of this Regulation) any of the said shares not allocated by the Directors as aforesaid.

(i) The Directors may, in their absolute discretion and without assigning any reason therefor, decline to register any transfer of any share, whether or not it is a fully paid share.

7. The instrument of transfer of a fully paid share shall be executed by or on behalf of the transferor and in the case of a share which is not fully paid, the instrument of transfer shall in addition be executed by or on behalf of the transferee. The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of Members in respect thereof.

Up Close & Personal @ The Place 2023 - First Night Magazine

Wow!!! "This evening of jazz dance artistry in all its shifting and varied forms was a testament to the rich dance ecology in London and the UK. "Such an inspiring, thought provoking couple of days at Jazz Arts Rewired! Huge shout-out and THANK YOU to Dollie Henry and Paul Jenkins for conceptualising, curating and collating the whole event - founding this Jazz Dance 'Movement' Revolution! We need to do a lot more to support diversity here in the UK - and not side line the jazz dance idiom any longer! It's such a rich and diverse art form with incredible heritage and lineage that we are all so passionate about! I'm still buzzing from seeing all the incredible performances! Such a high standard, the whole Place was alive- that's how it should be" **Mel Simpson - Simpson Dance School – London.**

Organisational Development funding – support from The Place, London

To whom it may Concern

As Chief Executive of The Place I am writing to confirm that we are committed to working closely with BOP Jazz Theatre on the company's forthcoming performance and participation project.

In May 2023, we were delighted to host the inaugural Jazz Arts – *Re-Wired* two-day event comprising a conference and performance evening which was an enormous success. The day of workshops, discussions and seminars celebrated the vitality and creativity of jazz dance and music in the UK while the theatre programme featured the work of 14 authentic jazz dance choreographers. Under the curatorial leadership of Dollie Henry MBE and Paul Jenkins, the programme featuring established and emerging artists, created a magical atmosphere for the audience to engage with the history and future of jazz dance and music through both traditional and contemporary forms.

In recognition of the excellence of BOP's work in the spheres of both dance performance and education, we are particularly excited to welcome BOP Jazz Theatre Company back to The Place in September 2024. We are offering a guaranteed fee for the performance of £1500 and a 60:40 split in the visiting company's favour; alongside 8 hours of studio space provided in-kind for a full day of masterclasses; and technical, production and marketing support for the theatre performance.

The Place is thrilled that the event will be presented at the Robin Howard Dance Theatre, and we are sure that our audiences and our creative community will enjoy and benefit from the on-going partnership. We believe this event will be vital for the continued profile, development and future of jazz dance in the UK, helping to support artists and educate both audiences and participants.

We wholeheartedly support this project and wish BOP Jazz Theatre Company every success in their application. Please do not hesitate to contact me should you require any further information, With very best regards,

Sincerely,

Clare Connor

Letter of support from Ray Oudkerk

Dear Arts Council

Having worked in the Dance sector for 27 years specialising in secondary education in the state sector, I want to fully support and endorse the educational work of BOP Jazz Theatre Company UK.

In the last year I have been involved in developing a resource for an Exam Board, centred on Equality, Diversity and Inclusion in the Dance education. Critical to this work is BOP's book *The Essential Guide to Jazz*.

Having discussed and read the work I am clear of its historical importance in the Dance sector, ensuring the legacy and contextual history of Jazz Dance can be shared with young people. The book is superb in defining the history of Jazz through appropriate postmodern lenses.

I also worked with Paul and Dollie as part of a BOP organised panel discussion (masterclasses being led by them on the day as well) on the importance of authentic Jazz Dance in the UK. Their knowledge, experience and expertise in Jazz Dance was startling. Following this work Dollie will be leading a masterclass for Dance students at The BRIT School.

I would also like to make clear that part of the development of Dance Education in the UK involves addressing the lack of representation and authentic voices from different people in the narrative, celebrating and recognising shared histories. Again from a Equality, Diversity and Inclusion perspective this work is both exciting and essential in decolonising the Dance curriculum.

I send this letter with full support for the importance of funding for BOP Jazz Theatre Company UK.

With kind regards

Ray Oudkerk

Dear Madam/Sir,

I have had the pleasure of working with 'BOP Dance Theatre' for over 10 years, since my arrival from the USA. I have an engaging relationship with the company and the artistic director, purely because of the passion, dedication, responsibility they have towards the art form of 'Jazz' and how it's extraordinary expressions connect beyond race and culture.

The companies commitment to bring the 'Jazz Theatre' art form to the U.K. has been extraordinary. Their commitment to diversity in the arts was shown through the creation of 'Jazz Rewired'; where all different artists could bring their love and understanding of 'Jazz' to wider audiences, is unprecedented. They continue to fight to bring more of the language of 'Jazz' into schools and colleges, so the next generation are fully equipped with the full understanding of history and it's beginnings.

Lastly, it was such a pleasure to participate in 'Jazz Rewired 2023' a show that was one of its kind in the U.K. From the start till the end, their delivery on stage through BOP and behind the scenes as organisers was of high professional level. We need more companies like BOP to bring more to our evolving U.K. audiences, where passion and dedication leads the way.

Yours sincerely,

Bafana Matea

I'm writing a letter of support as I understand that Dolly Henry and Paul are applying for funding that would help further the development of the work they do for the Arts, Education and the next generation of Artists and creatives.

I'm a professional dancer & choreographer based in Cardiff, Wales teaching contemporary and Jazz dance for many years, often travelling to London to take class to brush up on my jazz dance technique in order to deliver new material to dance students.

My daughter Ffion Campbell-Davies trained at the Place in London and the first years after graduation she worked with Dolly Henry attending regular classes and also performing with BoP Jazz Theatre. As a parent I was so pleased she was being tutored by a teacher of excellence, professionalism and dedication to the craft.

My experience working with Dolly this year on 'Up close and personal' was when Ffion was invited to perform either a solo or company work with other dancers. To my shock my daughter chose me, I tried my best to persuade her otherwise as I'm in my senior years, and having to find the spark and vitality to performance can be challenging.

However Dolly's showcase gave my daughter the platform to create her own music and choreography for the duet, which involved Dance and Vocals. We brought Dolly to tears during dress rehearsal and a few audience members during the show, a mother and daughter experimental duet through Jazz dance expression. Jazz dance is what kept me going when I moved to Wales, after graduating from the Laban Centre for Movement & Dance in the 1982. I trained in Jazz dance through Weekend Arts College – under various tutors, Teresa Noble who ignited my interest. It fired me like no other dance technique could. This is what I held onto and taught in Cardiff during those early years of dance development in Cardiff & Wales.

And so Dolly's Showcase was a real feast for the eye's, The lighting, the choreography the music and the expertise of the dancers in their field, all through the expression of Jazz dance and music. Such diversity and richness from all who participated, Dolly's connections with people and the Artform of Authentic Jazz, her professionalism and dedication is always at the forefront bringing out the best in all her dancers.

Audience members commented that they would have liked to have seen this show on for a month or doing a tour around the UK. This show was only on for one evening, the atmosphere was buzzing in the Bar afterwards, we had performed to a full house.

So since BoP is the only Artistic Jazz Company in the UK, I think they would benefit enormously in receiving this grant to help continue the work and in roads they are making in Education, and the Performing Arts, Dolly and Paul have created something special here and need time and funding to take it to the next level of development. I hope their application will be successful.

Yours sincerely

**Letter of Recommendation: In support of Arts Council of England Organisational
Development Grant application for BOP Jazz Theatre Company UK**

BOP Jazz Theatre Company Artistic Directors Dollie Henry and Paul Jenkins are exceptional international proponents of Jazz Theatre Arts and the wider artistic, performance and dance sectors. Their work has greatly informed my knowledge and appreciation for Jazz dance as a professional working in the creative and cultural sectors.

BOP Jazz is a dedicated and respected artistic organisation that provides an invaluable live and online presence for Jazz Dance. It is particularly important for young people and emerging artists, as BOP provides essential training and performance opportunities to develop their dance technique and elevate their creative exposure. Through my work in education and dance outreach, I have heard firsthand from young people about the welcoming and enriching experiences they have had through BOP training and performance opportunities. Moreover, Dollie and Paul are prominent figures in the UK and are internationally renowned Jazz Dance experts who influence all aspects of the art form.

The publication of their book 'The Essential Guide To Jazz Dance' is a testament to their exceptional knowledge and dedication to developing the practice and historical narratives of Jazz Dance. The book provides a holistic and comprehensive perspective that clearly and engagingly highlights the interconnected creative, social and cultural significance of the art form, which otherwise is astoundingly underrepresented in the educational, creative and performance world. It was a pleasure to interview Dollie about the book for the Arts and Culture Show on Colourful Radio at the Africa Centre. As a curator and cultural commentator who specialises in representation, it was important for me to interview Dollie in acknowledgement of how valuable the book is to the enrichment, advancement and recognition of African diasporic contributions to dance and culture.

I had the opportunity to sit on the One Dance UK: Decolonising the Dance Curriculum Roundtable with Dollie, who shared insight into the development needs for Jazz Dance in academia. As a highly experienced educator in further and higher education, she shared guidance informed by years of experience in educational development and practice. She was instrumental in developing the subsequent RIDE Resource, a practical solution to helping organisations find professionals whose expertise will enhance representation in the sector, and she developed Jazz Theatre Arts UK - a platform that is already transforming the presence of Jazz Dance in the UK. It was an honour to be invited by Dollie and Paul to facilitate the CPD and Let's Talk Jazz forums for the programme at The Place this year. Dollie and Paul produced an inaugural event that has ignited a new level of engagement and expectation for the future of Jazz Dance in the UK. Jazz Arts ReWired 2023 was a testament to BOP's legacy and demonstrated the multifaceted purpose of Jazz Theatre Arts UK.

I would highly recommend the allocation of a development grant, as Dollie Henry and Paul Jenkins have the experience of administrative oversight, in-depth knowledge of the sector needs and a vision for exceeding the requirements of stakeholders to fuel an exciting future for Jazz Dance with artistic excellence and integrity at its core.

Re: Letter of Recommendation, BOP Jazz Theatre Company

09.10.2023

To Whom it May Concern,

I am writing to express my support and detail some of my incredible experiences working with Dollie and Paul, as a company member and Dance Captain, over various productions during my tenure with the company. I am including my contact information should you wish to request further references, and am very happy to discuss any of the following in more detail!

I first encountered BOP through open classes and their annual summer residency in 2014, at the start of my dance career and following my first professional contract on cruise ships. This leads me perfectly to my first point of attention, which is the phenomenal contribution that BOP has made since its inception, to the integrity of Jazz Dance education for vocational students, graduates and seasoned professionals. From the broader perspective, BOP is by far the most established of a small number of Artistic Jazz Dance companies in the UK; a dance scene which produces huge amounts of talent describing themselves as 'jazz dancers', but from personal experience, I can say that the true depth, musical understanding, historical context and artistic integrity of the art form was only made clear to me through working with BOP, and not through my revered training programme at a leading vocational institute. That is not to belittle my training: but it does speak volumes to the need for true experts and their influence within our professional programmes, and there is no one better placed to deliver this than Dollie Henry MBE.

Beyond education, the mentorship element of BOP has without doubt shaped my career, and it is in no small part down to the wholesome nature of the physical training, deep musical and emotional understanding, and a feeling of community striving for excellence, that has given me the confidence to carve an international career in this challenging industry. I call the BOP studio Home, and have been blessed to for almost 10 years! I have always been welcomed back with open arms between contracts abroad, invited to share my artistic learnings and work collaboratively with some truly fantastic talent. But the truth is that no studio process has ever excited, fulfilled and challenged me more than the rehearsing for a BOP production, and I wish that all dancers were able to have the experiences I've been gifted. If we could do this all day every day, we would.

From a performance aspect, there is no doubt that there is an appetite for more work which puts Jazz Dance, in its plethora of forms, front and centre, and not simply as a tool or background to other theatrical elements. BOP has a unique aspect with regards to this too, with Paul's expertise as a jazz musician, and his original compositions created specifically for dance. Personally I am really excited by the idea of musicians and dancers sharing the stage – but whether it is in a live sense or as part of the creative process, BOP's focus on the close relationship between composition and choreography is an example to the industry that deserves attention and support.

In summary, I would describe the significance of BOP in the wider dance landscape as absolutely paramount, to the growth, integrity and education of the current Jazz Dance scene. Until this point, I feel there has been a huge imbalance in representation and funding for specifically Jazz orientated artistry, with companies forced to complete applications that fit boxes which simply don't apply to this vital sector. As such, the UK dance scene has often perceived jazz dance as an extension of musical theatre or commercial tours, which valuable as they are, do not provide a space for Jazz to truly shine in all its potential and authenticity. The disproportion annually between thousands of graduating students marketing themselves as Jazz Dancers, and the lack of performance and personal development opportunities to fulfil their artistry, speaks volumes to the fact that change is needed. Let alone the fact that all performances with BOP that I have performed in or watched, have been widely received and critically acclaimed. The desire is there from both audiences and artists, and it is pioneers like Dollie and Paul who are constantly pushing the narrative and championing for inclusivity. They, and the industry they serve so selflessly, deserve to be supported in this.

I hope you will consider my input and first-hand experiences working with this extraordinary company.

Do feel free to contact me for further information,

Kindest Regards,

Katie Willy
