Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project going to happen?

Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need eight weeks to process applications for £30,000 and under, your start date must be more than eight weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 04/03/2024

Project end date: 17/07/2024

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Selected priority: - Not applying against any Time Limited Priority -

At a glance

In your own words, give a short, clear overview of your project:

Up to 500 characters

- Be as clear as you can about what you want to do using Project Grants funding
- It's better if this is written as a full paragraph
- It will be available to the public on our website if your application is funded.

Voices that Wander is a new part-devised composition that researches, platforms & innovates on the Sephardic song tradition. Sephardic music informs vocal composition & improvisation wkshps in primary schools; opens conversations on tradition, migration & diaspora. Pro singers & CYP perform new work with a community choir to Jewish & non-Jewish communities. The Lead Artist develops via mentorship, evaluation & testing & documenting innovative music pedagogy that bridges diasporas & CYP with EAL.

If you had to explain the focus of your project to someone, what single words or short phrase would you use?

Up to 100 characters

- You can be as broad or as specific as you like; it's your project
- You might think about this as your project's 'key words' or 'tags'
- Use a maximum of 5 key words or short phrases
- We won't use this response when deciding which applications to fund. It's so we can learn from how you see your project.
- Examples could be: singing; photography; digital work in libraries; South Asian dance; participatory arts; children's theatre; interactive gaming; dynamic collections work; changing business models; environmental theme; writing with older people; etc

Ancient Jewish music; contemporary folk; youth music pedagogy; amateur singers; artist development

Our Strategy, Let's Create

Let's Create explains how we want our funding to make a difference. It includes three Outcomes. These Outcomes are what we want to achieve through the projects we fund, so together we can make a difference.

You don't need to read our Strategy to make an application for £30,000 and under.

Telling us what your project focuses on helps us to decide which of the Outcomes your project will make a difference towards.

What does your project mainly focus on?

- this gives us a good sense of how you see your project
- you need to select only one option
- your project may include activity to do with more than one option; we want to know where you feel the main focus is
- the descriptions below are a guide to help you decide
- don't worry if you're not sure – we'll check we agree with the option you've selected when we look at your application

Voices that Wander (VW) is a research project, composition commission, performance & new wkshp model that:

- Reinvigorates the endangered diasporic tradition of Ladino singing thru new writing
- Turns oral improvisation tradition into a new wkshp pedagogy & collaboration model between pro singers, an amateur choir & CYP in schools
- Platforms CYP as composers & performers in their own right, amplified by a community choir
- Cross-pollinates artists, participants & audiences between Jewish music traditions, sub communities & synagogues
- Documents, evaluates & develops the underrepresented Lead Artist's work via extensive mentorship, consulting & compelling promotional materials, to propagate her work in more schools & communities.

The project is comprised of:

- 1 original composition performed by 4 pro singers, with 15 days composing time & 2 grp devising sessions
- 4 wkshps in 2 schools for lower KS2 on Ladino vocal improvisation, leading to...
- A 2nd composition, connecting musical ideas of CYP across 4 grps
- Teaching amateur choir the Wing it Singers harmony parts for both compositions
- 1 show at Rich Mix where pro singers, CYP & choir perform together
- An opening act at the Rich Mix show connecting Jewish music to Arabic ma'qam
- 1 show at JW3 connecting diverse Jewish audiences thru grassroots networks
- 6 mentorship sessions with experts on the Sephardic tradition, composing in schools
- Consulting from Sasolo on project design, measurement, evaluation & arts sector resilience
- A project pack, short film & photo set promoting the wkshp model with feedback from all involved.

VW creatively activates:

- 80+ CYP aged 7-9 at School 21 & Hanover Primary School thru improvisation & composition
- 10+ self-selecting CYP as performers of their own Ladino-inspired piece in the show at Rich Mix, newly seeing themselves as performing artists
- 40+ amateur choir members of Wing It Singers as the chorus for pro singers & CYP, diversifying their repertoire & fostering intergenerational collaboration in new directions
- Secular, liberal & orthodox Jewish YP, elders & families of different ethnicities (Mizrahi, Sephardi, Ashkenazi) as audiences, visibilising their artistic traditions to each other.

VW uses the accessible cyclical Sephardic melodies to enable CYP in composing wkshps to:

- Sing a capella in English, Ladino & their home languages
- Find musicality in different phonetics, celebrate diasporic experience & increase EAL access
- Improvise lyrics to ancient melodies & make their own cyclical melodies, easy to teach/harmonise/expand, building creative confidence

-Use an intuitive oral tradition to remove barriers of music theory or instrumental experience.

The choir's amateur singers will develop musicianship by:

- Going off score, practicing improvisation
- Soloing for the first time.

VW sustains & develops diverse mid career artists by:

- Fostering collaboration & new audiences for a cohort of majority Jewish artists.

What's led you or your organisation to do this project now?

Up to 1500 characters

- What ideas or experiences have led you or your organisation to this point?
- Is this project helping you or your organisation learn or try new things?
- If you've done something similar before, how is this different?

- You can write this in full paragraphs or in bullet points

VW develops Lead Artist Lydia Samuels & her key artists by:

- Commissioning new work that takes risks & experiments in form, newly amplified by a community choir
- Improving composition quality, guided by renowned composer Orlando Gough
- Incorporating new participatory composing methods, guided by Sephardi educator Yvonne Behar
- Strengthening the careers of a cohort of underrepresented, collaborative Jewish & adjacent artists.

Lydia will work with Sasolo Arts Development to:

- Set up continuous evaluation systems, define success measures for artists, participants, audiences & partners
- Strategise relationships with arts institutions & grassroots orgs
- Plan the project pack material.

Investing in a project pack with multimedia, testimonials & impact data will:

- Sell the show to venues, bookers & promoters
- Streamline applications to grants & residencies.

This development builds VW's ambitions to:

- Tour the piece with the quartet throughout England inc. Manchester Jewish Museum, Migrant Connections fest. in Sheffield
- Involve local choirs in those performances by sending the piece to them in advance to prepare
- Create new diaspora folk pedagogy & test it on upper KS2 & KS3 to improve cultural offerings, & improve musicianship for EAL, SEN & disadvantaged students
- Expand the writing to a 40min piece underscored traditional instruments oud & saz & contemporary instruments to further cross-pollinate the genre
- Promote creative between diasporas & generations.

How will you know if you've achieved what you set out to do?

Up to 1500 characters

- Are there opportunities for learning and reflection during your project?
- How will you know what difference the project has made?
- What steps will you take to understand what people thought of the project?
- You can write this in full paragraphs or in bullet points

For the school wkshps, 'good' means ~80 CYP:

- Sing Sephardic songs in Ladino language & their own words
- Demonstrate knowledge in grp discussions of story of Ladino exiles from Spain settling in North Africa & Middle East
- Relate this to present day realities
- Share their own family migration stories
- Write their own cyclical melodies
- Perform these to each other at the end of the session
- Learn the song of other classes/from the other school in the 2nd session
- At least 12% opt in to perform their song(s) in the show at Rich Mix.

CYP record anon. audio feedback on experiences of the music, culture & performing after wkshps & the Rich Mix performance. Performing CYP feed back in a 30min zoom at project end.

For the Pro Singers & Wing It Choir, 'good' means singers:

- Report feeling positively challenged by the material
- Show interest in understanding Ladino lyrics & accurate pronunciation
- Share ideas in devising sessions & hear their motifs in the final composition.

Singers will feed back:

- At the end of each session in a brief round
- In video testimonies after the final shared rehearsal
- In confidential direct messages to Lydia & choir leader Sally.

For Lydia & the team, 'good' means at least:

- Engaging 80 YP, 10 who perform, 40 amateur singers, 20 who perform
- Reaching 526 live audience, 137 thru concessions & 64 thru free tickets.

9 artists use a continuous evaluation framework, & review with a 2hr session & individual write ups at the end.

Inclusivity and Relevance

What steps are you taking to make your project inclusive and relevant?

Up to 3000 characters

Inclusivity

- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?

Mizrahi & Sephardi Jews form 10% of UK Jewish communities & are underrepresented in the Anglo-Jewish story. Project development between Ashkenazi Lead Artist Lydia Samuels, Mizrahi expert Vanessa Paloma Elbaz & cultural org Sephardi Voices UK identified the need to:

- Use quality arts & community engagement to fertilise cultural output in Ladino, a UNESCO endangered language
- Foster inter-Jewish arts & visibilise Mizrahi experience & expression within wider Jewish communities
- Build bridges with other diasporas in community & education settings, with arts as a conduit for shared themes of exile & intergenerational memory, in a time of heightened political tension.

School 21 & Hanover Primary School have identified the need to:

- Increase access to quality arts for lower KS2, esp. CYP facing economic barriers (they are 35% & 36% pupil premium funding respectively)
- Promote social inclusion of 1st/2nd gen migrant YP (39% & 22% EAL respectively) thru sharing home cultures with each other in story & song
- Increase music access for SEN pupils (23% at Hanover) by using oral tradition & non-verbal embodied activities
- Show CYP new cultures, in wards with low Jewish populations (0.2% & 1.3% respectively).

To reflect the musics & communities it's engaging, the core team:

- Is led by a Jewish woman, is 55% Jewish & is mentored by Jewish experts
- Is 70% women, 20% queer, with musicians of diverse backgrounds working in folk, Western classical, Middle Eastern classical, jazz, slavic & balkan musics
- Includes Ana Silvera whose family were Sephardi refugees of the Spanish Inquisition, resettled in Aleppo, in 18th c. Ottoman Empire
- Includes Saied Silbak from Palestine, whose music celebrates shared musical heritage of Muslims, Christians & Jews.

VW removes barriers to participation for specialist audiences in the project by:

- Consulting community leaders on how to involve the hardest-to-reach families
- Creating easy-to-share promo materials in Yiddish, Hebrew & Ladino for grassroots networks inc. word-of-mouth, fb & whatsapp grps, posters in community hubs
- Offering free & subsidised tickets, distributed at the discretion of triage partners & teachers.

VW addresses the Creative Case for Diversity by:

- Developing underrepresented artists' authentic creative voice in a pre-commercial setting thru research, collaboration & experimentation
- Showcasing alternative bodies, sounds & origin stories of European music traditions in concerts & education
- Using music to foster visibility & osmosis between underrepresented London cultures & diasporas; validating EAL CYP to share home musics, stories & languages with peers
- Using the flexibility of folk forms to increase access for CYP with no music experience &/or with SEN
- Using arts to address more sensitive EDI needs between Jewish subcommunities
- Innovating a reflexive pedagogy that evolves as it consults & involves diverse

artists, participants & represented stakeholder communities.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project timeline

Project Start Date: 04/03/2024

Project End Date: 17/07/2024

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project? I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)
- Other organisation(s) helping you to manage the project (tell us...)

How will they help you to deliver your project?

Up to 1500 characters

- What skills will they bring?
- If some people's involvement isn't confirmed yet, do you know what you'll do if they can't be involved?

Not yet foregrounded in this application:

Lydia's 4 singers & 3 wkshp co-facilitators are a roster of accomplished musicians & educators, majority Jewish. Josh Middleton is a Klezmer specialist. Most are composers in their own right & will inform the compositions in devising sessions.

The 60 Wing It Singers, directed by the accomplished & eclectic Sally Davies:

- Are aged 30-75, 15% Jewish
- Join from a passion to learn cross-cultural musics with depth
- Will test the compositions at different stages to inform the final arrangement
- Rehearse at a fully accessible venue, during their regular slot, for max. 2hrs at a time, with the option to stay seated inc. when performing, to remove barriers to participation for members with disabilities & mobility issues.

The live concerts are enhanced by guest speakers & artists:

- Maya Levy, Head of Musical & Soloist at West London Synagogue will speak at both concerts on her Ladino family history & open with a capella Ladino songs to root the events in the raw tradition
- Dr Carlos Yebra Lopezis, Research Fellow in Ladino at UCL Hebrew & Jewish Studies faculty will be speak at Rich Mix expertise on the history & politics of the ladino language past & present
- Ana Silvera & Saied Silbak will open at Rich Mix with their 'Songs We Carry' duo, blending emotive melancholy Ladino music & the rich intricate melodies of Arabic Ma'qam, following acclaimed appearances at Vortex Jazz Club, the Royal Opera House & Amare Den Haag in NL.

Expenditure questions

What experience do you have of managing a project budget of this size? I have managed a project budget of this size or larger before

How have you worked out the costs for paying people included in your budget?

Up to 1500 characters

Lead Artist - administration fee set lower than creative days at MU rates due to work in bulk.

Lead Artist - composing fee set as a day rate by the Lead Artist as composition time is unknown. AT MU composition rate of £400/min it represents 7.5mins material as a guide.

Rehearsal & devising rates at MU £172 'on another day' rate Performance fees at MU £192 above 200 capacity rate.

Support Act at RichMix rate £300 each is above MU to respect the duo of experienced artists & allows for a rehearsal on the day at the venue of a piece they have already toured.

Production Manager rate set to attract someone experienced who can help liaise between venue, pro singers, choir & YP's parents.

How have you worked out the other artistic or creative costs included in your budget?

Up to 1500 characters

Venue Hire - Rich Mix subsidised rate to support a project that aligns with the venue's community engagement objectives. Quote covers basic staff costs.

How have you worked out the costs of making your work accessible?

Up to 1500 characters

Workshops make composition & performance accessible to CYP with no experience necessary. Facilitation rates set at flat £200 across the board representing a half day plus travel.

A planning day is budgeted separately at £200/facilitator. Dedicated workshop planning time with all 4 music facilitators enables artists to test out musical ideas, prepare quality music to engage the CYP with, & find interactivity & group composition starting points in cyclical Ladino melodies.

An additional interim planning day is used for facilitators to workshop materials created by the CYP in their 1st session into something easy for the whole class to sing & layer harmony in their second session, & to ensure it's accessible to arrange for the Wing It Singers choir.

Choir Leader's 5 paid days on top of her usual choir leading paid by choir members, reflects the additional responsibilities in coordinating with Lead Artist & her choir to support them in preparing for a professional engagement & co-leading an additional rehearsal preparing Lydia & the CYP's compositions for concert.

Engaging a Production Manager for 2 prep days on top of their responsibilities at concert enables them to liaise with schools & parents to ensure safe travel to the concert venue, manage risk assessments & safeguarding, source a dedicated spacious second green room at Rich Mix, & to support Sally Davies in shepherding the Wing It Singers.

How have you worked out the costs of developing your organisation included in your budget?

Up to 1500 characters

Team Evaluation - is a half day inc. 2hr zoom & individual write-ups. 9 people includes: choir leader, 4 pro singers, 3 wkshp facilitators, & the marketing manager. Lydia's time is factored into her project admin fee.

Artist Development & Evaluation consulting quote is from Sasolo Arts Development to support planning, developing & evaluating the project to maximise assets at the end with which Lydia can approach venues, bookers & future funders.

The Lead Artist has 2 additional days to collate feedback across the different mediums in which it is captured, & schedule a 30min zoom meet with the CYP who performed & their parents/guardians to congratulate them, collect additional feedback & check consent over how they want their images/responses presented.

The project pack engages the graphic designer to make a pitch deck that captures the successes & responses to the project with text from Lydia, mentors, artists, the choir & CYP alongside images & short videoclips captured by the marketing/multimedia team.

How have you worked out the costs of marketing and developing audiences included in your budget?

Up to 1500 characters

Filming based on quote from Pavel Radu to capture the learning process in 1 school, 1 rehearsal with the choir, pro singers & CYP & the show at Rich Mix. Pavel will also capture vox pop feedback at each event for the final film. Photographers' rate commensurate to filming with slightly less edit time & equipment needed.

Marketing Manager is paid 25% above London Living Wage for 4 days digital & 2 days printing & distribution, scaled to only 2 shows with considerable mkting in kind.

Ad spend is calculated at £75 per show per platform across Insta & Facebook. Print quote from Solopress.

Graphic Designer rate set to attract someone who can create a strong visual identity for the project at the start of the mkting campaign & at the end in the project pack.

How have you worked out the costs of expenditure listed as 'other' in your budget?

Up to 1500 characters

Contingency is set at 3% to cover unexpected costs arising. These could include a dep singer or wkshp facilitator in case of illness, any unexpected costume, set or props (not planned) or offering travel costs to families or CYP guardians for whom that would be a barrier to participation.

How much of your total project budget is being spent on International costs (such as visas, carnets, freight, travel, accommodation, per diems)? £0

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

Creative:

Risk 1: CYP from school wkshps don't feel confident after 2 sessions & 2 rehearsals (inc. on the day) performing songs they write.

Risk 2: the chorus sections of Lydia's composition & the CYP's piece are too complex for the Wing-It Singers to prepare for concert.

Production:

Risk 3: hard to promote show because of niche nature.

Risk 4: complex transporting YP to RichMix.

What will you do to manage these risks?

Up to 2000 characters

- What plans have you put in place?
- Have these actions worked before?

Mitigation 1:

- Mentor Yvonne Behar will support Lydia to elicit short cyclical melodies participants can add their own lyrics to
- The final performance can be as simple or complex as each school group wants to ensure maximum participation
- Interim development time allows Lydia & facilitators to develop CYP's initial ideas from the 1st sessions
- CYP will receive recordings to practice at home with after the song is finalised at the 2nd sessions
- Roles will be carefully tailored to suit strengths.

Mitigation 2:

- Working closely with choir leader Sally Davies enables Lydia to write & pitch choral sections with knowledge of singers' abilities & ranges
- Mentor Orlando Gough will support Lydia to arrange simpler choral underscoring of the pro-singers' more complex parts, & enriching underpinnings to the CYP's more simple melodies.

Mitigation 3 - VW counts on:

- In-kind support from diverse triage partners
- Prestigious musicians' audiences
- Venues' renown for culturally rich programming
- Considerable promotion via grassroots networks
- Conservative sales estimates of 60% at Rich Mix & 75% at JW3 for safety (not inc. free outreach tickets) - based on recent sold out events & deep community relationships.

Mitigation 4:

- Timeline includes 1 month between last wkshp & show
- A dedicated Production Manager has additional days to do risk assessments, safeguarding & liaise with teachers, parents & guardians who take individual responsibility on the night
- Venue managers at Rich Mix have extensive experience working with YP from schools & youth bands to ensure risks assessed, parents orientated, green room is suitable.

Safeguarding

You acknowledge that safeguarding is important in all projects working with the public. You acknowledge that if your project is funded you must sign up to Terms and Conditions that require you to have appropriate policies and procedures in place – and to put them into effect where needed – to support the safe delivery of the project.

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We use the information in this section to report how we have spent our funding from the National Lottery.

In this section, you must answer all the questions. If you prefer not to provide some of the information, you can tick the 'Prefer not to answer' box. We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.
