Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project going to happen?
Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need eight weeks to process applications for £30,000 and under, your start date must be more than eight weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 09/04/2024

Project end date: 11/04/2025

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Selected priority: - Not applying against any Time Limited Priority -

At a glance

In your own words, give a short, clear overview of your project:

Up to 500 characters

- Be as clear as you can about what you want to do using Project Grants funding
- It's better if this is written as a full paragraph
- It will be available to the public on our website if your application is funded.

Caboclos presents "Catapluf"; a 2 day urban festival of innovative folkloric performances & interdisciplinary wkshps, celebrating 10 years of their multicultural musical performance & educational activities. Sited in Lewisham, it will widen access to music & culture for disadvantaged Global Majority (GM) CYP, via schls & families. Through Catapluf, Caboclos will develop their production capacity, through mentorship; expanding their repertoire to include a full e-Learning platform.

If you had to explain the focus of your project to someone, what single words or short phrase would you use?

Up to 100 characters

- You can be as broad or as specific as you like; it's your project
- You might think about this as your project's 'key words' or 'tags'
- Use a maximum of 5 key words or short phrases
- We won't use this response when deciding which applications to fund. It's so we can learn from how you see your project.
- Examples could be: singing; photography; digital work in libraries; South Asian dance; participatory arts; children's theatre; interactive gaming; dynamic collections work; changing business models; environmental theme; writing with older people; etc

POLH (Portuguese language diaspora) / Folkloric Music / Digital Platform / CYP & Schls

Our Strategy, Let's Create

Let's Create explains how we want our funding to make a difference. It includes three Outcomes. These Outcomes are what we want to achieve through the projects we fund, so together we can make a difference.

You don't need to read our Strategy to make an application for £30,000 and under.

Telling us what your project focuses on helps us to decide which of the Outcomes your project will make a difference towards.

What does your project mainly focus on?

- this gives us a good sense of how you see your project
- you need to select only one option
- your project may include activity to do with more than one option; we want to know where you feel the main focus is
- the descriptions below are a guide to help you decide
- don't worry if you're not sure – we'll check we agree with the option you've selected when we look at your application

My project is about the public taking part

My project is about the public taking part in creative activity, either during the project or in the future.

☐

- This means a project that gives the public the opportunity to take an active part in creative activity.
- An active part might be making, learning or contributing to creating something.
- The public includes anyone who isn't working professionally in the cultural sector, and covers all ages from early years to older people.

- It could be that you're developing workshop content that you'll deliver to the public in the future.
- This isn't about the public attending an event as an audience member or visitor to an exhibition.

This matches our Outcome 1: Creative People

My project is about making a difference to a place or community

My project is about making a difference to a place or community, either during the project or in the future.

☒

- This means working in a way that is focused on a specific place or community.
- Often working in a place will mean working with other partners in that place to shape and deliver a project.
- Projects could involve making, showing or performing work that responds to what a particular community is interested in.
- Examples could include a locally developed cultural festival, engaging the community in research and development for a new programme, work or event, or touring an exhibition with support from local partners.
- Projects might connect to or help to deliver existing local strategies or support local partnerships.
- It could also mean touring work into places where there is local demand. .

This matches our Outcome 2: Cultural Communities

My project is about developing professional creative or cultural practice

My project is about developing professional creative or cultural practice, either during the project or in the future.

Catapluf Musical Journey (CMJ) is a 2 day theatre based festival & e-Learning platform created by Adriano Adewale. Exploring music & rhythmic percussion from Brazil, Jamaica, Uruguay, USA & indigenous South American communities, using non-normative instrumentation; it offers an interactive experience for audiences, focused on CYP/families.

Co-produced with 8 Lewisham schls & facilitated through estab. connections with the Lewisham Music Service; their devolved triage targets schls with limited access to creative activities. Working collaboratively through place based partnerships, they involve them in high quality cultural activities.

The 2-day locally developed urban cultural festival, engages the community with support from local partners. It offers performances & wkshps from an ensemble of representative musicians, ft: cello, sax, flute & guitar, percussion & Adriano on drain pipes & various unconventional instruments.

CMJ partners with educational orgs, to ensure that families residing in PP places, inc. Croydon & Brent connect to orgs that promote POLH creative initiatives to network CYP & parents/carers with Brazilian backgrounds; then extends engagement longitudinally via an eLearning subscription. CMJ develops cultural capital for underserved communities via:

Festival Day 1:

- 600 CYP (Year 1-5) experience a bespoke 1.5-hour interactive music performance incorporating participatory live music & storytelling

Day 2:

- open to the public (aprx. 300); experience a range of culturally enriching activities inc. music, arts & crafts, drawing & movement wkshps, promoting social cohesion & supported by representative orgs/pedagogues.

Digital:

- free livestreams/archived content of 2 performances to maximise engagement & accessibility, locally & regionally, & visibilising the org to reach into wider POLH communities

- dev. of an e-Learning platform targeting schls, & orgs to dev. body/percussion skills, folkloric repertoire, diasporic connectivity; with accessibility embedded via free to subscription level content.

Caboclos will formalise their infrastructure, using the CMJ pilot in Lewisham to test a new model of F2F & e-learning to visibilise & extend their reach, using this iteration to:

- embed a finance manager, creative consultant, proj. manager & PR/Marketing specialist, providing mentorship & insight; building a strategic vision via KPI/ artistic policy creation

- inclusive design & support features in live & online formats, increasing accessibility, inc. WCAG2.1.

CMJ offers longitudinal impact through meaningful cultural engagement, fostering active participation through representation, allowing CYP to identify with & see aspects of their own experiences & cultures reflected in the project. It captures POLH diasporic communities & continues their creative & cultural learning whilst building bridges with local British communities to integrate folkloric learning into wider music dev. for CYP.

What's led you or your organisation to do this project now?

Up to 1500 characters

- What ideas or experiences have led you or your organisation to this point?
- Is this project helping you or your organisation learn or try new things?
- If you've done something similar before, how is this different?
- You can write this in full paragraphs or in bullet points

CMJ derives from a performance concept originally commissioned for London Jazz Fest, that celebrated Caboclos' premier position in the Brazilian music ecology; touring in venues to incl:

- ROH
- Norwich Playhouse
- Woolwich Works
- The Ark (Dublin).

Creative Director, Adriano is a black Brazilian artist (& father) based in Lewisham; using local knowledge & cultural authenticity, to support the elevation & expansion of the original concept into a full e-learning platform; delivering longitudinal teaching for schls, orgs & families.

e-Learning enables:

- 3 tiers of engagement; free tier 1 to increase participation
- a cost-effective model, equiv. to 12 wks of wkshps content for the cost of 2 days in-person, to build a network of schls & orgs.

CMJ marks a step up in Caboclos' activities:

- creating an experimental musical experience, dev. from CMJ's performance content into a comprehensive educational program, offering a sustained learning experience & fusing folkloric genres to build cultural capital in underserved schls
- partnering with 8 schls for the festival (capacity of 20 schls for e-learning); acting as a bridge b/w families & culture, improving local partnerships
- creating a new folk pedagogy to improve musicianship for disadvantaged students in schools, after schl (POLH UK) & online.
- CMJ is tested, to ascertain suitability, through feedback, for scaled work in other boroughs/regions, leveraging the PR & marketing expertise of Zenya Media.

How will you know if you've achieved what you set out to do?

Up to 1500 characters

- Are there opportunities for learning and reflection during your project?
- How will you know what difference the project has made?
- What steps will you take to understand what people thought of the project?
- You can write this in full paragraphs or in bullet points

Feedback mechanisms for CMJ Festival include:

- measuring of crowd participation & interactive elements of performances, through visual & anecdotal evidence
- feedback forms completed after festival/wkshp sessions by schls/culutral orgs
- public feedback forms; available on the 2nd day of the festival.

Festival Wkshp Evaluation:

The project aims to stimulate active participation from both parents & children. Emotional state cards will be selected both before & after sessions to measure engagement.

Online Engagement:

- Festival statistics will be derived from social media engagement, tracking promotional periods & their impact during the event days on IG, FB & website clicks.
- CMJ's growth target is a 300% increase in IG followers.

CMJ website will host a eLearning platform and gather its evaluation through:

- contact with schools a month prior to the project's conclusion, assessing the extent of content. Teachers will provide reports on each subject, levels accessed & scored via participation
- evaluation through statistics derived from the content usage of orgs & general audience subscribers.

Deliverables:

- two live performances of Catapluf, streamed live & edited for further dissemination on YouTube
- enhanced cross-disciplinary connections via workshops, inc. music, arts & crafts, drawing, dance & movement
- a comprehensive eLearning platform provided for schools & the community
- free basic Level 1 access, with 3 tiered paid subscriptions.

Inclusivity and Relevance

What steps are you taking to make your project inclusive and relevant?

Up to 3000 characters

Inclusivity

- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?

CMJ's program prioritises the artistry & experiences of Black, Brazilian, West Indian & Latin Americans, encouraging cultural identity and the expression of cultural practices in both its performance & educational content.

Recent data from the Association of Leading Visitor Attractions, showed that 49% of households with children are likely to be making cutbacks to day trips and 33% are less likely to visit paid attractions due to the current cost of living crisis.

The Local Government Authority's 2021 report on inequality states concerns in Lewisham where 2/3 of the school population are from Global Majority backgrounds & are affected by poorer education outcomes & systematic inequalities.

HESA data states, 'music conservatoires have extremely low enrolment rates from Global Majority students'. In 2020, a study found 98.8% of pieces on the ABRSM syllabus were by white composers.

Solutions cannot rely solely on schools; improving outcomes for CYP requires coordinated efforts that connect educational strategies with broader local partnerships at both strategic and school levels for effective success.

CMJ has established a partnership with Lewisham Music Services, fostering inclusivity and engaging with the community through targeted initiatives. CMJ's target audience encompasses a diverse range of individuals, including:

- Global Majority community
- fans of samba, reggae, jazz, latin & indigenous culture
- families that have Portuguese language heritage seeking for their children to engage in topics that reflect the range of cultural identities and experience
- wider British African, African-Caribbean, Portuguese & African-Brazilian community
- CYP cultural ecosystem, including artists, organisers, educators & participants.

CMJ will foster inclusivity, making their activities welcoming & accessible to their target groups by:

- investing in BSL in all formats of work delivery & content development for easy access to the neurodiverse community
- facilitating the involvement of CYP within the school's safeguarding framework during school hours, eliminating the necessity for parents to incur additional costs in terms of time & resources
- creating spaces that broaden the scope of Black cultural heritage & international arts & music practices beyond tradition.

CMJ will remove financial barriers to cultural activity by:

- allocating 30% of the festival tickets free for festival to low income CYP & families to partake in their cultural practices (festival day 2)
- widening access by offering generous & welcoming reduced festival tickets
- discounted online subscription for educ. NFP orgs, POLH (Portuguese original language heritage) network with International reach
- placing GM artists in positions of cultural authority, beyond the limited exposure provided by the standard curriculum, often confined at Black history month & historical narratives.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project timeline

Project Start Date: 09/04/2024

Project End Date: 11/04/2025

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project? I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)

We'll ask you to tell us how much money you'll have to spend on the project (the income) and what you will spend it on (the expenditure). We'll also ask you to think about any challenges for your project and explain how you will respond to these.

Whilst we understand that budgets can change over the life of a project, this information allows us to see how you've planned your budget and how realistic it is that your project will deliver what you want it to.

Please read the Budget section of our Guidance for Applicants for help on completing your budget.

Please tell us the total amount you are applying to us for, including any personal access costs (£): £27,729

How much of this request is for your/your collaborators' personal access costs (£)? £0

What do we mean by 'Personal access costs'?

*If you, or any of the core team of people you are delivering the project with, experience barriers because you identify as:

- D/deaf or disabled
- neurodivergent
- experience learning difficulties
- having a mental health condition
- having a long term health condition

there may be extra costs relating to your access needs. These would be to:

- help you deliver the project; or
- for the online management of your grant.
- Some examples are: a BSL interpreter, a notetaker, or specialist tutor for admin support, or counselling costs.

Costs can only be for the project period (between your project start date and end date).

Costs for caring responsibilities or costs for making your activity accessible to the people experiencing your project, including participants, can be included as part of your project budget but should not be included as personal access costs.

Only include personal access costs that you will have if your application is successful. This does not include costs relating to preparing, planning and submitting your application.

You can find more about personal access costs, and more about how we can support you to submit an application, in our Access Support information sheet.

If your personal access costs take your request over £100,000 we will still treat your application as an application for £30,001 and over

Budget - Income

Income table

Please complete the income table below with all your cash income, as well as any support in kind you will receive.
 By support in kind we mean goods or services that you would otherwise have to pay for, but are being provided for free.

Remember:

- Your budget must balance. This means your total income needs to be the same amount as your total expenditure.
- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:
 Ticket sales (7 dates @ 60% of 100 capacity x £8 ticket price) £3,360

- Lewisham Music Services (£190)
- Caboclos company reserves match funding (£1300).

By arranging school participation, the guaranteed numbers are valid upon tickets allocated and served/determined through each school of maximum 60 tickets of £2 & 25 free tickets per school

Expected Income:

- CMJ Festival ticket sales of day 2 (general audience) 210 Full tickets @£3 per adult (£630)

CMJ will dip further into reserves & contingency to cover costs in the case the project makes less money than expected.

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

RISK 1.1 Audience Reception: there is a risk that the unconventional nature of the music may not resonate well with the intended child audience, leading to a lack of engagement

1.2 Parental Concerns: parents may express reservations or concerns about exposing children to music that deviates from traditional or familiar styles, fearing it could be inappropriate or difficult for children to comprehend

1.3 Educational Impact: if the unconventional approach does not effectively convey educational messages or themes, there is a risk that the intended educational impact may be diminished

1.4 Cultural Sensitivity: exploratory music may inadvertently touch upon cultural or sensitive topics that may not be age-appropriate for children, leading to potential backlash or criticism

1.5 Captivating the youth: capture the young audience focus & attention for a long period of time

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.

We will not use this information to assess your application. For specific programmes, we may use this information as part of our decision-making process. Where this is the case, it will be stated in the Applicant guidance, and we will ask you to ensure this information is up to date before submitting your application.

If you do not know some of the information or you would prefer not to provide it, you can fill in the 'Not known/Prefer not to answer' box. Should a member of senior management also sit on your board/council, please only count them once.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**
- **is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and**

- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

☐

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

- 24.2.2 following receipt of responses from all of the Directors, the Recipient must communicate to all of the Directors by any means whether the resolution has been formally approved by the Directors in accordance with this Article 18.2;
- 24.2.3 the date of the decision shall be the date of the communication from the Recipient confirming formal approval;

- 25.2 If any question arises as to whether a Director has a Conflict of interest the question shall be decided by a majority decision of the other Directors.
- 25.3 Whenever a matter is to be discussed at a meeting or decided in accordance with Article 18 and a Director has a Conflict of Interest in respect of that matter then, subject to Article 20, he or she must:

26. Directors' power to authorize a conflict of interest

- 26.1.1 in relation to the decision to authorise a Conflict of Interest, the conflicted Director must comply with Article 19.3;
- 26.1.2 in authorising a Conflict of interest, the Directors can decide the manner in which the Conflict of interest may be dealt with and, for the avoidance of doubt, they can decide that the Director with a Conflict of Interest can participate in a vote on the matter and can be counted in the quorum;
- 26.1.3 the decision to authorise a Conflict of Interest can impose such terms as the Directors think fit and is subject always to their right to vary or terminate the authorisation.

26.2 If a matter, or office, employment or position, has been authorised by the Directors in accordance with Article 20.1 then, even if he or she has been authorised to remain at the meeting by the other Directors, the Director may absent himself or herself from meetings of the Directors at which anything relating to that matter, or that office, employment or position, will or may be discussed.

26.3 A Director shall not be accountable to the Company for any benefit which he or she derives from any matter, or from any office, employment or position, which has been authorised by the Directors in accordance with Article 20.1 (subject to any limits or conditions to which such approval was subject).

10 **Directors to take decisions collectively**

- 10.1 The general rule about decision-making by directors is that any decision of the directors must be taken as a majority decision at a meeting or as a directors' written resolution in accordance with Article 11 (Directors' written resolutions) or otherwise as a unanimous decision taken in accordance with Article 12 (Unanimous decisions).
- 10.2 If
 - 10.2.1 the Company only has one director for the time being, and
 - 10.2.2 no provision of the Articles requires it to have more than one director,
 the general rule does not apply, and the director may (for so long as he remains the sole director) take decisions without regard to any of the provisions of the Articles relating to directors' decision-making.
- 10.3 Subject to the Articles, each director participating in a directors' meeting has one vote.

- 11 **Directors' written resolutions**

 - 11.3.2 the time by which it is proposed that the directors should adopt it.
 - 11.4 A proposed directors' written resolution is adopted when a majority of the non-conflicted directors (or their alternates) have signed one or more copies of it, provided that those directors (or their alternates) would have formed a quorum at a directors' meeting were the resolution to have been proposed at such meeting.
 - 11.5 Once a directors' written resolution has been adopted, it must be treated as if it had been a decision taken at a directors' meeting in accordance with the Articles.
- 12 **Unanimous decisions**
- 12.1 A decision of the directors is taken in accordance with this Article 12 when all non-conflicted directors indicate to each other by any means that they share a common view on a matter.
 - 12.2 A decision may not be taken in accordance with this Article 12 if the non-conflicted directors would not have formed a quorum at a directors' meeting had the matter been proposed as a resolution at such a meeting.
 - 12.3 Once a directors' unanimous decision is taken in accordance with this Article 12 it must be treated as if it had been a decision taken at a directors' meeting in accordance with the Articles.
- 13 **Calling a directors' meeting**
- 13.1 Any director may call a directors' meeting by giving notice of the meeting to each of the directors (including alternate directors), whether or not he is absent from the UK, or by authorising the company secretary (if any) to give such notice.

 - 13.4 Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the Company prior to or up to and including not more than seven days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.
- 14 **Participation in directors' meetings**
- 14.1 Subject to the Articles, directors participate in a directors' meeting, or part of a directors' meeting, when:
 - 14.1.1 the meeting has been called and takes place in accordance with the Articles, and
 - 14.1.2 they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
 - 14.2 In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.

- 15 **Chairing of directors' meetings**

- 16 **Chairman's casting vote at directors' meetings**
- 16.1 If the numbers of votes for and against a proposal at a meeting of directors are equal, the chairman or other director chairing the meeting has a casting vote.
 - 16.2 Article 16.1 does not apply in respect of a particular meeting (or part of a meeting) if, in accordance with the Articles, the chairman or other director chairing the meeting is a conflicted director for the purposes of that meeting (or that part of that meeting at which the proposal is voted upon).
- 17 **Quorum for directors' meetings**
- 17.1 At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.
 - 17.2 Subject to Article 17.3, the quorum for the transaction of business at a meeting of directors may be fixed from time to time by a decision of the directors but it must never be less than two directors, and unless otherwise fixed it is two. A person who holds office only as an alternate director shall, if his appointor is not present, be counted in the quorum. If

and so long as there is a sole director, he may exercise all the powers and authorities vested in the directors by these Articles and accordingly the quorum for the transaction of business in these circumstances shall be one.

- 17.3 For the purposes of any meeting (or part of a meeting) helpursuant toto Article 18 (Directors' conflicts of interests) to authorise a director's Conflict, if there is only one non-conflicted director in office in addition to the conflicted director(s), the quorum for such meeting (or part of a meeting) shall be one non-conflicted director.

- 18.3 A director seeking authorisation in respect of a Conflict shall declare to the other directors the nature and extent of his interest in a Conflict as soon as is reasonably practicable. The director shall provide the other directors with such details of the relevant matter as are necessary for the other directors to decide how to address the Conflict, together with such other information as may be requested by the other directors.
- 18.4 Any authorisation under this Article 18 will be effective only if:
- 18.4.1 the matter in question shall have been proposed by any director for consideration at a meeting of directors in the same way that any other matter may be proposed to the directors under the provisions of these Articles or in such other manner as the directors may determine;
- 18.4.2 any requirement as to the quorum at any meeting of the directors at which the matter is considered is met without counting the director in question and any other conflicted director(s); and
- 18.4.3 the matter was agreed to without the director and any other conflicted director(s) voting or would have been agreed to if their votes had not been counted.
- 18.5 Any authorisation of a Conflict under this Article 18 may (whether at the time of giving the authorisation or subsequently):
- 18.5.1 extend to any actual or potential conflict of interest which may reasonably be expected to arise out of the Conflict so authorised;
- 18.5.2 be subject to such terms and for such duration, or impose such limits or conditions as the directors may determine; or
- 18.5.3 be terminated or varied by the directors at any time.
- This will not affect anything done by the director prior to such termination or variation in accordance with the terms of the authorisation.
- 18.6 In authorising a Conflict the directors may decide (whether at the time of giving the authorisation or subsequently) that if a director has obtained any information through his involvement in the Conflict otherwise than as a director of the Company and in respect of which he owes a duty of confidentiality to another person the director is under no obligation to:
- 18.6.1 disclose such information to the directors or to any director or other officer or employee of the Company; or
- 18.6.2 use or apply any such information in performing his duties as a director, where to do so would amount to a breach of that confidence.
- 18.7 Where the directors authorise a Conflict they may provide, without limitation (whether at the time of giving the authorisation or subsequently) that the director:
- 18.7.1 is excluded from discussions (whether at meetings of directors or otherwise) related to the Conflict;
- 18.7.2 is not given any documents or other information relating to the Conflict;
- 18.7.3 may or may not vote (or may or may not be counted in the quorum) at any future meeting of directors in relation to any resolution relating to the Conflict.
- 18.8 Where the directors authorise a Conflict:
- 18.8.1 the director will be obliged to conduct himself in accordance with any terms, limits and/or conditions imposed by the directors in relation to the Conflict;
- 18.8.2 the director will not infringe any duty he owes to the Company by virtue of sections 171 to 177 of CA 2006 provided he acts in accordance with such terms, limits and/or conditions (if any) as the directors impose in respect of its authorisation.
- 18.9 A director is not required, by reason of being a director (or because of the fiduciary relationship established by reason of being a director), to account to the Company for any remuneration, profit or other benefit which he receives as director or other officer or employee of the Company's subsidiaries or of any other body corporate in which the Company is interested or which he derives from or in connection with a relationship involving a Conflict which has been authorised by the directors or by the Company in general meeting (subject in each case to any terms, limits or conditions attaching to that authorisation) and no contract shall be liable to be avoided on such grounds nor shall the receipt of any such remuneration or other benefit constitute a breach of his duty under section 176 of CA 2006.
- 18.10 Subject to the applicable provisions for the time being of the Companies Acts and to any terms, limits and/or conditions imposed by the directors in accordance with Article 18.5.2, and provided that he has disclosed to the directors the nature and extent of any interest of his in accordance with the Companies Acts, a director notwithstanding his office:
- 18.10.1 may be a party to, or otherwise interested in, any contract, transaction or arrangement with the Company or in which the Company is otherwise interested;
- 18.10.2 shall be counted as participating for voting and quorum purposes in any decision in connection with any proposed or existing transaction or arrangement with the Company, in which he is in any way directly or indirectly interested;

- 18.10.3 may act by himself or his firm in a professional capacity for the Company (otherwise than as auditor) and he or his firm shall be entitled to remuneration for professional services as if he were not a director;
- 18.10.4 may be a director or other officer of, or employed by, or a party to any contract, transaction or arrangement with, or otherwise interested in, any body corporate promoted by the Company or in which the Company is otherwise interested; and

- 18.11 For the purposes of this Article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.
- 18.12 Subject to Article 18.13, if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.
- 18.13 If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.
- 19 **Records of decisions to be kept**
The directors must ensure that the Company keeps a record, in writing, for at least ten years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.
- 20 **Directors' discretion to make further rules**
Subject to the Articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.
- 21 **Number of directors**
Unless otherwise determined by ordinary resolution, the number of directors (other than alternate directors) shall not be subject to any maximum but shall not be less than one.
- 22 **Methods of appointing directors**
22.1 Subject to Article 22.2, any person who is willing to act as a director, and is permitted by law to do so, may be appointed to be a director:
22.1.1 by ordinary resolution, or
22.1.2 by a decision of the directors.
22.2 No person who is not a member shall in any circumstances be eligible to hold office as a director.
- 23 **Termination of director's appointment**
23.1 A person ceases to be a director as soon as:
23.1.1 that person ceases to be a director by virtue of any provision of CA 2006 or is prohibited from being a director by law;
23.1.2 that person ceases to be a member;
23.1.3 a bankruptcy order is made against that person;
23.1.4 a composition is made with that person's creditors generally in satisfaction of that person's debt and the Company resolves that his office be vacated;
23.1.5 a registered medical practitioner who is treating that person gives a written opinion to the Company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
23.1.6 by reason of that person's mental health, a court makes an order which wholly or partly prevents that person from personally exercising any powers or rights which that person would otherwise have; or
23.1.7 notification is received by the Company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.
- 24 **Directors' remuneration**
24.1 Directors may undertake any services for the Company that the directors decide.
24.2 Directors are entitled to such remuneration as the directors determine:
24.2.1 for their services to the Company as directors, and
24.2.2 for any other service which they undertake for the Company.
24.3 Subject to the Articles, a director's remuneration may:
24.3.1 take any form, and
24.3.2 include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.
24.4 Unless the directors decide otherwise, directors' remuneration accrues from day to day.

- 25 **Directors' expenses**
25.1 The Company may pay any reasonable expenses which the directors (including alternate directors) and the secretary (if any) properly incur in connection with their attendance at:
25.1.1 meetings of directors or committees of directors,
25.1.2 general meetings, or
25.1.3 separate meetings of the holders of any debentures of the Company,
or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the Company.
- 26 **Appointment and removal of alternate directors**
26.1 Any director (**appointor**) may appoint as an alternate any other director, or any other person approved by resolution of the directors, to:
26.1.1 exercise that director's powers; and
26.1.2 carry out that director's responsibilities,
26.1.3 in relation to the taking of decisions by the directors in the absence of the alternate's appointor
26.2 Any appointment or removal of an alternate must be effected by notice in writing to the Company signed by the appointor, or in any other manner approved by the directors.
26.3 The notice must:
26.3.1 identify the proposed alternate; and
26.3.2 in the case of a notice of appointment, contain a statement signed by the proposed alternate that the proposed alternate is willing to act as the alternate of the director giving the notice.
- 27 **Rights and responsibilities of alternate directors**
27.1 An alternate director may act as alternate director to more than one director and has the same rights in relation to any decision of the directors as the alternate's appointor.
27.2 Except as the Articles specify otherwise, alternate directors:
27.2.1 are deemed for all purposes to be directors;
27.2.2 are liable for their own acts and omissions;
27.2.3 are subject to the same restrictions as their appointors (including those set out in sections 172 to 177 CA 2006 inclusive and Article 18); and
27.2.4 are not deemed to be agents of or for their appointors,
and, in particular (without limitation), each alternate director shall be entitled to receive notice of all meetings of directors and of all meetings of committees of directors of which his appointor is a member.
27.3 A person who is an alternate director but not a director:
27.3.1 may be counted as participating for the purposes of determining whether a quorum is present (but only if that person's appointor is not participating and provided that no alternate may be counted as more than one director for these purposes);
27.3.2 may participate in a unanimous decision of the directors (but only if his appointor does not participate); and
27.3.3 may sign a written resolution (but only if it is not signed or to be signed by that person's appointor).
27.4 A director who is also an alternate director is entitled, in the absence of any of his appointors, to a separate vote on behalf of that appointor, in addition to his own vote on any decision of the directors but he shall count as only one for the purpose of determining whether a quorum is present.
27.5 An alternate director is not entitled to receive any remuneration from the Company for serving as an alternate director except such part of the alternate's appointor's remuneration as the appointor may direct by notice in writing made to the Company.
- 28 **Termination of alternate directorship**
An alternate director's appointment as an alternate for any appointor terminates:
28.1 when that appointor revokes the appointment by notice to the Company in writing specifying when it is to terminate;
28.2 when notification is received by the Company from the alternate that the alternate is resigning as alternate for that appointor and such resignation has taken effect in accordance with its terms;
28.3 on the occurrence, in relation to the alternate, of any event which, if it occurred in relation to that appointor, would result in the termination of that appointor's appointment as a director;
28.4 on the death of that appointor; or
28.5 when the alternate's appointor's appointment as a director terminates.
- 29 **Appointment and removal of secretary**
The directors may appoint any person who is willing to act as the secretary for such term, at such remuneration, and upon such conditions as they may think fit and from time to time remove such person and, if the directors so decide, appoint a replacement, in each case by a decision of the directors.
- 30 **Applications for membership**
No person shall become a member of the Company unless:
30.1 that person has completed an application for membership in a form approved by the directors; and
30.2 the directors have approved the application.
- 31 **Termination of membership**
31.1 A member may withdraw from membership of the Company by giving seven days' notice to the Company in writing.

- 31.2 The directors may terminate the membership of any member provided that the member concerned shall have a right to be heard before any final decision is made.
- 31.3 Membership is not transferable.
- 31.4 Subject to Articles 31.1 and 31.2, a person's membership terminates when that person dies or ceases to exist.

32 **Convening general meetings**

The directors may call general meetings and, on the requisition of members pursuant to the provisions of CA 2006, shall forthwith proceed to convene a general meeting in accordance with CA 2006. If there are not within the United Kingdom sufficient directors to call a general meeting, any director or the members requisitioning the meeting (or any of them representing more than one half of the total voting rights of them all) may call a general meeting. If the Company has only a single member, such member shall be entitled at any time to call a general meeting.

33 **Notice of general meetings**

- 33.1 General meetings (other than an adjourned meeting) shall be called by at least fourteen Clear Days' notice but a general meeting may be called by shorter notice if it is so agreed by a majority in number of the members having a right to attend and vote, being a majority who together represent not less than ninety per cent (90%) of the total voting rights at that meeting of all the members.
- 33.2 The notice shall specify the time, date and place of the meeting, the general nature of the business to be transacted and the terms of any resolution to be proposed at it.
- 33.3 Subject to the provisions of these Articles and to any restrictions imposed on members, the notice shall be given to all members and to the directors, alternate directors and the auditors for the time being of the Company.
- 33.4 The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

34 **Resolutions requiring special notice**

- 34.1 If CA 2006 requires special notice to be given of a resolution, then the resolution will not be effective unless notice of the intention to propose it has been given to the Company at least twenty-eight Clear Days before the general meeting at which it is to be proposed.
- 34.2 Where practicable, the Company must give the members notice of the resolution in the same manner and at the same time as it gives notice of the general meeting at which it is to be proposed. Where that is not practicable, the Company must give the members at least fourteen Clear Days' before the relevant general meeting by advertisement in a newspaper with an appropriate circulation.
- 34.3 If, after notice to propose such a resolution has been given to the Company, a meeting is called for a date twenty-eight days or less after the notice has been given, the notice shall be deemed to have been properly given, even though it was not given within the time required by Article 34.1.

35 **Attendance and speaking at general meetings**

- 35.1 A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.
- 35.2 A person is able to exercise the right to vote at a general meeting when:
 - 35.2.1 that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
 - 35.2.2 that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.
- 35.3 The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.
- 35.4 In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.
- 35.5 Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

36 **Quorum for general meetings**

- 36.1 No business shall be transacted at any meeting unless a quorum is present. Subject to section 318(2) of CA 2006, two qualifying persons (as defined in section 318(3) of CA 2006) entitled to vote upon the business to be transacted shall be a quorum; provided that if the Company has only a single member, the quorum shall be one such qualifying person.
- 36.2 No business other than the appointment of the chairman of the meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

37 **Chairing general meetings**

- 37.1 If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.
- 37.2 If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start:
 - 37.2.1 the directors present, or
 - 37.2.2 (if no directors are present), the meeting,must appoint a director or member to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.
- 37.3 The person chairing a meeting in accordance with this Article is referred to as the **chairman of the meeting**.

- 38 **Attendance and speaking by directors and non-members**
- 38.1 Directors may attend and speak at general meetings, whether or not they are members.
- 38.2 The chairman of the meeting may permit other persons who are not:
- 38.2.1 members of the Company, or
- 38.2.2 otherwise entitled to exercise the rights of members in relation to general meetings, to attend and speak at a general meeting.
- 39 **Adjournment**
- 39.1 If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it. If, at the adjourned meeting, a quorum is not present within half an hour from the time appointed for the meeting, the meeting shall be dissolved.
- 39.2 The chairman of the meeting may adjourn a general meeting at which a quorum is present if:
- 39.2.1 the meeting consents to an adjournment, or
- 39.2.2 it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.
- 39.3 The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.
- 39.4 When adjourning a general meeting, the chairman of the meeting must:
- 39.4.1 either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and
- 39.4.2 have regard to any directions as to the time and place of any adjournment which have been given by the meeting.
- 39.5 If the continuation of an adjourned meeting is to take place more than fourteen days after it was adjourned, the Company must give at least seven Clear Days' notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given):
- 39.5.1 to the same persons to whom notice of the Company's general meetings is required to be given, and
- 39.5.2 containing the same information which such notice is required to contain.
- 39.6 No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.
- 40 **Voting: general**
- 40.1 A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the Articles. Subject to any rights or restrictions to which members are subject, on a show of hands, every member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative (unless the representative is himself a member, in which case he shall have more than one vote) shall have one vote. A proxy shall not be entitled to vote on a show of hands.
- 40.2 No member shall vote at any general meeting, either in person or by proxy, unless all monies presently payable by him to the Company have been paid.
- 40.3 In the case of joint members the vote of the senior who tenders a vote shall be accepted to the exclusion of the votes of the other joint members; and seniority shall be determined by the order in which the names of the members stand in the register of members.
- 40.4 Unless a poll is duly demanded, a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.
- 41 **Errors and disputes**
- 41.1 No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
- 41.2 Any such objection must be referred to the chairman of the meeting, whose decision is final.
- 42 **Poll votes**
- 42.1 On a poll every member who (being an individual is present in person or by proxy) or (being a corporation) is present by a duly authorised representative or by proxy shall have one vote. On a poll, a member entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.
- 42.2 A poll on a resolution may be demanded:
- 42.2.1 in advance of the general meeting where it is to be put to the vote, or
- 42.2.2 at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.
- 42.3 A poll may be demanded by:
- 42.3.1 the chairman of the meeting;
- 42.3.2 the directors;
- 42.3.3 two or more persons having the right to vote on the resolution; or
- 42.3.4 a person or persons representing not less than one tenth of the total voting rights of all the members having the right to vote on the resolution.
- 42.4 A demand for a poll may be withdrawn if:
- 42.4.1 the poll has not yet been taken, and

42.4.2 the chairman of the meeting consents to the withdrawal.

A demand so withdrawn shall not invalidate the result of a show of hands declared before the demand was made.

- 42.5 A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chairman directs not being more than thirty days after the poll is demanded. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 42.6 No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.
- 42.7 The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

43 **Content of proxy notices**

- 43.1 Subject to the provisions of these Articles, a member is entitled to appoint another person as his proxy to exercise all or any of his rights to attend and to speak and vote at a general meeting. [A member may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise different voting rights held by that member]
- 43.2 Proxies may only validly be appointed by a notice in writing (**proxy notice**) which:
- 43.2.1 states the name and address of the member appointing the proxy;
- 43.2.2 identifies the person appointed to be that member's proxy and the general meeting in relation to which that person is appointed;
- 43.2.3 is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the directors may determine; and
- 43.2.4 is delivered to the Company in accordance with the Articles and in accordance with any instructions contained in the notice of the general meeting (or adjourned meeting) to which they relate and received by the Company:
- 43.2.4.1 subject to Articles 43.2.4.2 and 43.2.4.3 in the case of a general meeting or adjourned meeting, not less than forty-eight hours before the time for holding the meeting or adjourned meeting at which the right to vote is to be exercised;
- 43.2.4.2 in the case of a poll taken more than forty-eight hours after it is demanded, after the poll has been demanded and not less than twenty-four hours before the time appointed for the taking of the poll; or
- 43.2.4.3 where the poll is not taken forthwith but is taken not more than forty-eight hours after it was demanded, at the time at which the poll was demanded or twenty-four hours before the time appointed for the taking of the poll, whichever is the later,
- and a proxy notice which is not delivered and received in such manner shall be invalid.
- 43.3 The Company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- 43.4 Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions and the proxy is obliged to vote or abstain from voting in accordance with the specified instructions. However, the Company is not obliged to check whether a proxy votes or abstains from voting as he has been instructed and shall incur no liability for failing to do so. Failure by a proxy to vote or abstain from voting as instructed at a meeting shall not invalidate proceedings at that meeting.
- 43.5 Unless a proxy notice indicates otherwise, it must be treated as:
- 43.5.1 allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
- 43.5.2 appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself

44 **Delivery of proxy notices**

- 44.1 Any notice of a general meeting must specify the address or addresses (**proxy notification address**) at which the Company or its agents will receive proxy notices relating to that meeting, or any adjournment of it, delivered in hard copy or electronic form.
- 44.2 A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the Company by or on behalf of that person to a proxy notification address.
- 44.3 An appointment under a proxy notice may be revoked by delivering to the Company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
- 44.4 A notice revoking a proxy appointment only takes effect if it is received by the Company:
- 44.4.1 in the case of a general or adjourned meeting, not less than forty-eight hours before the time for holding the meeting or adjourned meeting at which the right to vote is to be exercised;
- 44.4.2 in the case of a poll taken more than forty-eight hours after it was demanded, not less than twenty-four before the time appointed for the taking of the poll; or
- 44.4.3 in the case of a poll not taken forthwith but not more than forty-eight hours after it was demanded, at the time at which it was demanded or twenty-four hours before the time appointed for the taking of the poll, whichever is later,
- and a notice which is not delivered and received in such manner shall be valid.

- 44.5 In calculating the periods referred to in Article 43 (Content of proxy notices) and this Article 44, no account shall be taken of any part of a day that is not a working day.
- 44.6 If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor's behalf

45 **Representation of corporations at meetings**

Subject to CA 2006, a company which is a member may, by resolution of its directors or other governing body, authorise one or more persons to act as its representative or representatives at a meeting of the company (**corporate representative**). A director, secretary or other person authorised for the purpose by the directors may require a corporate representative to produce a certified copy of the resolution of authorisation before permitting him to exercise his powers.

46 **Amendments to resolutions**

- 46.1 An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if:
- 46.1.1 notice of the proposed amendment is given to the Company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
 - 46.1.2 the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.
- 46.2 A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if:
- 46.2.1 the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - 46.2.2 the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- 46.3 If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

47 **Written Resolutions**

A resolution of the members may be passed as a written resolution in accordance with chapter 2 of part 13 of CA 2006.

48 **Means of communication to be used**

- 48.1 Subject to the Articles, anything sent or supplied by or to the Company under the Articles may be sent or supplied in any way in which of CA 2006 provides for documents or information which are authorised or required by any provision of CA 2006 to be sent or supplied by or to the Company.
- 48.2 Any notice, document or other information shall be deemed served on or delivered to the intended recipient:
- 48.2.1 If properly addressed and sent by prepaid United Kingdom first class post to an address in the United Kingdom, forty-eight hours after it was posted;
 - 48.2.2 If properly addressed and delivered by hand, when it was given or left at the appropriate address;
 - 48.2.3 If properly addressed and sent or supplied by electronic means forty-eight hours after the document or information was sent or supplied; and
 - 48.2.4 If sent or supplied by means of a website, when the material is first made available on the website or (if later) when the recipient receives (or is deemed to have received) notice of the fact that the material is available on the website.
- 48.3 In proving that any notice, document or other information was properly addressed, it shall be sufficient to show that the notice, document or other information was delivered to an address permitted for the purpose by of CA 2006.
- 48.4 Subject to the Articles, any notice or document to be sent or supplied to a director in connection with the taking of decisions by directors may also be sent or supplied by the means by which that director has asked to be sent or supplied with such notices or documents for the time being.
- 48.5 A director may agree with the Company that notices or documents sent to that director in a particular way are to be deemed to have been received within a specified time of their being sent, and for the specified time to be less than forty-eight hours.
- 48.6 In the case of joint members, all notices or documents shall be given to the joint member whose name stands first in the register in respect of the joint holding. Notice so given shall be sufficient notice to all of the joint members. Where there are joint members, anything which needs to be agreed or specified in relation to any notice, document or other information to be sent or supplied to them can be agreed or specified by any one of the joint members. The agreement or specification of the joint member whose name stands first in the register will be accepted to the exclusion of the agreement or specification of any other joint member (s) whose name(s) stand later in the register.

49 **Company seals**

- 49.1 Any common seal may only be used by the authority of the directors.
- 49.2 The directors may decide by what means and in what form any common seal is to be used.
- 49.3 Unless otherwise decided by the directors, if the Company has a common seal and it is affixed to a document, the document must also be signed by either at least two authorised persons or at least one authorised person in the presence of a witness who attests the signature.
- 49.4 For the purposes of this Article, an authorised person is:
- 49.4.1 any director of the Company;
 - 49.4.2 the Company secretary (if any); or
 - 49.4.3 any person authorised by the directors for the purpose of signing documents to which the common seal is applied.

50 **No right to inspect accounts and other records**

Except as provided by law or authorised by the directors or an ordinary resolution of the Company, no person is entitled to inspect any of the Company's accounting or other records or documents merely by virtue of being a member.

51 **Provision for employees on cessation of business**

The directors may decide to make provision for the benefit of persons employed or formerly employed by the Company or any of its subsidiaries (other than a director or former director or shadow director) in connection with the cessation or transfer to any person of the whole or part of the undertaking of the Company or that subsidiary.

52 **Indemnity**

52.1 Subject to Article 52.2, but without prejudice to any indemnity to which a relevant officer is otherwise entitled:

52.1.1 each relevant officer shall be indemnified out of the Company's assets against all costs, charges, losses, expenses and liabilities incurred by him as a relevant officer:

52.1.1.1 in the actual or purported execution and/or discharge of his duties, or in relation to them; and

52.1.1.2 in relation to the company's (or any associated company's) activities as trustee of an occupational pension scheme (as defined in section 235(6) of CA 2006),

including (in each case) any liability incurred by him in defending any civil or criminal proceedings in which judgment is given in his favour or in which he is acquitted or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part or in connection with any application in which the court grants him, in his capacity as a relevant officer, relief from liability for negligence, default, breach of duty or breach of trust in relation to the Company's (or any associated company's) affairs; and
