Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project going to happen?
Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need eight weeks to process applications for £30,000 and under, your start date must be more than eight weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 10/10/2024

Project end date: 15/03/2025

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Selected priority: - Not applying against any Time Limited Priority -

At a glance

In your own words, give a short, clear overview of your project:

Up to 500 characters

- Be as clear as you can about what you want to do using Project Grants funding
- It's better if this is written as a full paragraph
- It will be available to the public on our website if your application is funded.

IMPROVEise is a jazz music project delivering extended learning in jazz musicianship (improv/tech skills/jamming/spontaneous creative composition) to disadvantaged YP & exposing audiences to performances from global majority artists. Uniting 4 diverse English regions over 4 mths, IMPROVEise ensures step-change opportunities, inspiring young musical minds & visibilizing under-represented musicians, making a difference to the wider cultural sector.

If you had to explain the focus of your project to someone, what single words or short phrase would you use?

Up to 100 characters

- You can be as broad or as specific as you like; it's your project
- You might think about this as your project's 'key words' or 'tags'
- Use a maximum of 5 key words or short phrases
- We won't use this response when deciding which applications to fund. It's so we can learn from how you see your project.
- Examples could be: singing; photography; digital work in libraries; South Asian dance; participatory arts; children's theatre; interactive gaming; dynamic collections work; changing business models; environmental theme; writing with older people; etc

Jazz Improv, Youth Music, Youth Jamming Skills, Jazz Music Inspiration

Our Strategy, Let's Create

Let's Create explains how we want our funding to make a difference. It includes three Outcomes. These Outcomes are what we want to achieve through the projects we fund, so together we can make a difference.

You don't need to read our Strategy to make an application for £30,000 and under.

Telling us what your project focuses on helps us to decide which of the Outcomes your project will make a difference towards.

What does your project mainly focus on?

- this gives us a good sense of how you see your project
- you need to select only one option
- your project may include activity to do with more than one option; we want to know where you feel the main focus is
- the descriptions below are a guide to help you decide
- don't worry if you're not sure – we'll check we agree with the option you've selected when we look at your application

My project is about the public taking part

My project is about the public taking part in creative activity, either during the project or in the future.

- This means a project that gives the public the opportunity to take an active part in creative activity.
- An active part might be making, learning or contributing to creating something.
- The public includes anyone who isn't working professionally in the cultural sector, and covers all ages from early years to older people.
- Examples could be delivering workshops to the public, the public participating in an event or teaching the public..
- People might be trying something for the first time, or developing their skills and experience.
- It could be that you're developing workshop content that you'll deliver to the public in the future.
- This isn't about the public attending an event as an audience member or visitor to an exhibition.

This matches our Outcome 1: Creative People

My project is about making a difference to a place or community

My project is about making a difference to a place or community, either during the project or in the future.

- This means working in a way that is focused on a specific place or community.
- Often working in a place will mean working with other partners in that place to shape and deliver a project.
- Projects could involve making, showing or performing work that responds to what a particular community is interested in.
- Examples could include a locally developed cultural festival, engaging the community in research and development for a new programme, work or event, or touring an exhibition with support from local partners.
- Projects might connect to or help to deliver existing local strategies or support local partnerships.
- It could also mean touring work into places where there is local demand. .

This matches our Outcome 2: Cultural Communities

My project is about developing professional creative or cultural practice

My project is about developing professional creative or cultural practice, either during the project or in the future.

X

- This means activity which makes a difference to an individual's, group's, or organisation's creative or cultural practice, or a difference to the wider cultural sector. Examples could be:
- Developing or showing new work or new ideas, including with partners from inside or outside the cultural sector
- Using new technologies to create or distribute work.
- Developing new skills to help those at the beginning of their careers or to help others sustain careers
- Bringing work, publications or collections from abroad to audiences in England.
- Developing international partnerships to do research or to create and present new work

This matches our Outcome 3: A Creative and Cultural Country

Led by David Lyttle (MOBO nominated Lyte Records) IMPROVEise unites int. multicultural, emerging & established jazz musicians (Jason Rebello, Gemma Bradley etc.) & disadvantaged YP, in a coalescence of FREE wkshps, jam & industry insight sessions & jazz music performances in 4 UK regions. Harnessing the "see-it-to-be-it model", IMPROVEise partners with hyper-local music hubs to deliver accessible interventions supporting YP at the beginning of their jazz music careers, dismantling elitist demarcation lines in the sector & finding new ways of reaching audiences & participants.

Over a 4 mths in Sheffield, Coventry, Staffordshire & Worcestershire, IMPROVEise offers:

- 12 jazz theory/improv wkshps
- 4 industry insight sessions
- 16 jazz performances
- 16 participatory jam sess.
- shared evening meals for YP & artists
- a final FREE collab jam performance at Birmingham Symphony Hall (Jennifer Blackwell Performance Space) uniting YP & artists from all 4 regions in a public performance of improvised creative composition.

A post project offer extends lines of communication between music hubs, YP & Lyte records, who offer continued support via online advice, sharings & feedback grps. Monthly jam sessions continue at local hubs, with David liaising with partners to identify evolving opportunities for YP.

IMPROVEise ensures:

- longitudinal impact; a root to branch offer underpins foundational learning, providing opportunities for disadvantaged YP to fulfil their potential. IMPROVEise block-builds technical & improv skills over time, harnessing talent & signposting supported progression routes into jazz music careers to those who are currently under-represented, making a difference to the wider culture sector in the long-term
- strengthened international connections; an international global majority artistic line-up weave threads of jazz musical inheritance from the Bahamas > N Africa, cross-pollinating influences & solidifying relationships between creative & cultural practitioners. IMPROVEise brings world class culture to English audiences & YP while providing meaningful employment to under-represented jazz artists
- an upscale in activity; Zoe Coakley (BBC proms, Nat Youth orchestra) & Heather Taylor (Redfire Music) provide mentorship in org & creative dev, underpinning infrastructure & formalising the working model, fortifying capacity for future iterations
- longitudinal relationships; national partners (Music for Youth, Young Sounds UK etc.) broker relationships with hyper-local grassroots music hubs, who in turn triage YP in need, solidifying local & national partner affiliations, widening scope & impact.

IMPROVEise brings together YP, artists, audiences, local & national organisations, providing equitable spaces for learning, friendship forging & creative knowledge sharing. Laying the foundations for symbiotic relationships & unifying cultural capital building.

What's led you or your organisation to do this project now?

Up to 1500 characters

- What ideas or experiences have led you or your organisation to this point?
- Is this project helping you or your organisation learn or try new things?
- If you've done something similar before, how is this different?
- You can write this in full paragraphs or in bullet points

Based in NI, David, has produced 50+ albums, through Lyte Records from jazz to hip hop, attracting media acclaim from Rolling Stone to BBC Radio 1. Committed to bringing jazz to marginalised communities he has delivered performance & wkshps extensively in Ireland for over 10yrs, inc Live Music Now (NI ambassador) & Jazzlife Alliance, (Arts Council NI)

IMPROVEise marks an upscale by:

- widening demographic reach; bringing the model to under-served English regions, meeting YP where they are & providing music making opps. in unpretentious "known" spaces at grassroots level
- amplifying creatively; delivering a multi-faceted programme (wkshps/shows/jams/talks) widens scope for creative learning through extensive variegated practice
- extending logistically; delivering to YP across 4 locations simultaneously, who then unite with artists in Birmingham to collectively play together, increasing local & regional impact
- diversifying artistically; inclusivity of global majority artists (Middle East, N Africa, Bahamas) from challenging backgrounds facilitates cross-pollination of influences, sharing of artistic & cultural practice & direct "meaning-making" for YP via the "see-it-to-be-it" model.

Guided by meaningfully invested partners, IMPROVEise platforms hidden jazz talent in YP & the artists it visibilises, while org & artistic dev capacitate growth & formalise working practices; ergo building infrastructure & laying robust foundations for future iterations.

How will you know if you've achieved what you set out to do?

Up to 1500 characters

- Are there opportunities for learning and reflection during your project?
- How will you know what difference the project has made?
- What steps will you take to understand what people thought of the project?
- You can write this in full paragraphs or in bullet points

- post performance surveys gather audience insights to understand impact
- YP, partner, artists surveys pre/mid/post project ('ballot' style &/or digitally + QR codes) gather experiential data to inform future practice
- a feedback session post final sharing with YP, artists & partners offers opps for reflection & learning
- vox pops & oral recordings edited into an documentary, serve impact reporting & asset building for future iterations
- YP case studies (1 x each venue) allow for longitudinal tracking of experiences & learning.

Quantitative:

- tracking audiences engagement via marketing analytics e.g Eventbrite, social media hits
- pre-wkshp sign-up provides demographic data
- tix systems capture audience data
- final eval/impact report shared with stakeholders disseminates outcomes.

Inclusivity and Relevance

What steps are you taking to make your project inclusive and relevant?

Up to 3000 characters

Inclusivity

- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?

Pre-project consultation with national partners to identify under-served regions in England, lacking in a jazz music offer, has informed geographic focus. At local level, IMPROVEise collaborates with music hubs specialising in developing the musical talents of YP. Each is deeply embedded in its local community, ensuring an informed targeted approach to outreach & engagement.

- Means of ensuring inclusivity include:
- provision of supporting pastoral staff known to communities on site to instil confidence & a sense of safety
 - locations & venues chosen for proximity to public transport reducing travel barriers
 - FREE access for YP & low price tix for audiences, reducing financial obstacles
 - no requirement to read music or have passed grades, enabling engagement with self taught YP, who have not benefited from traditional learning environments
 - catering to all instruments, including singers, widening accessibility
 - a budget to support YP to attend the final sharing event
 - an instrument bank enabled by partners to ensure accessibility to those without their own instrument
 - a FREE hot meal at each session, further reducing costs to YP & facilitating informal friendship making spaces
 - an intimate learning environment (small grp numbers) fostering trust & relationship building, allowing time for YP to grow in confidence
 - extended engagement post-project improving longitudinal impact, reducing short termism & the negative impacts of helicopter delivery (flying in/ending abruptly)
 - a wrap-around travel system to/from venues for YP, inc. a buddy system for YP to travel together, monitors to escort YP home, shared grp taxis etc. reducing restrictions on those who cannot be met by a parent
 - artists who are representative of the global majority & reflective of cohort, re-enforcing the “see-it-to-be-it” approach
 - early sign-up methods to identify disability, mental health, neurodiverse needs etc.
 - safeguarding, code of conduct & anti-bullying policy, all artists DBS'd, safeguarding courses (L2)
 - FREE final public performance.

We know that 40% of jazz listening on Spotify is done by people under 30 & emerging jazz artist Laufey, has 13 mill mthly Spotify listeners & a 6 mill social media follow. (Guardian)

Yet despite this enthusiasm for the genre “the demographics of those currently working in music & the wider creative industries are not representative of the population as a whole.”
(Youth Music & Ipsos MORI)

Tackling inequity head-on, IMPROVEise leverages professional influence to draw public & media attention to the deterioration of jazz music provision for disadvantaged YP. Hosted by inspirational global majority role-models at local level, IMPROVEise offers collaborative & equitable ‘pipeline for talent’ solutions to all YP regardless of race, gender, where they live, levels of musical talent, parental income, special educational needs or disabilities.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project Start Date: 10/10/2024

Project End Date: 15/03/2025

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project?

I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)
- Other organisation(s) helping you to manage the project (tell us...)

How will they help you to deliver your project?

Up to 1500 characters

- What skills will they bring?
- If some people's involvement isn't confirmed yet, do you know what you'll do if they can't be involved?

IMPROVEise unites emerging & established artists who bring a wealth of jazz performance & facilitation experience. Delivering wkshps, jam sessions & host performances in local hubs they inc:

- Gemma Bradley, the 1st black presenter on BBC Radio Ulster, passionate about improving sector diversity & a hugely promising singer/songwriter
- Jason Rebello who has released 8 albums, worked with Sting, Peter Gabriel etc. & tutors @Guildhall Summer camp
- Giveton Gilen a self-taught trumpeter from the Bahamas, fusing contemp. jazz & the music of his heritage
- Tom Remon who has released 10 albums & regularly delivers jazz jam wkshps with YP (Tomorrow's Warriors, tutor @Guildhall Centre for Yng Musicians).

Gemma, Tom, David & Giveton grew up in disadvantaged circumstances & can speak to their lived experience of overcoming barriers to achieve musical ambitions. Inspired by their own icons, they seek to "pay forward" the career support they received, re-enforcing the see-it-to-be-it model.

Steering grp & mentors, Zoe Coakley (BBC Proms), Heather Taylor (manager to Gregory Porter) Katy Radford (NI Equality Comm) & Kate Gardner (London Symphony Orchestra) lend sector expertise & knowledge.

Local music hubs offer spaces, equip & consultation, embedded in communities they ensure targeted, relevant engagement.

B:Music has ext. experience programming community jazz events. Birm Symphony Hall with a prestigious jazz music history, is suitable & exciting for YP.

- Some examples are: a BSL interpreter, a notetaker, or specialist tutor for admin support, or counselling costs.

Costs can only be for the project period (between your project start date and end date).

Costs for caring responsibilities or costs for making your activity accessible to the people experiencing your project, including participants, can be included as part of your project budget but should not be included as personal access costs.

Only include personal access costs that you will have if your application is successful. This does not include costs relating to preparing, planning and submitting your application.

You can find more about personal access costs, and more about how we can support you to submit an application, in our Access Support information sheet.

If your personal access costs take your request over £100,000 we will still treat your application as an application for £30,001 and over

Budget - Income

Income table

Please complete the income table below with all your cash income, as well as any support in kind you will receive.
By support in kind we mean goods or services that you would otherwise have to pay for, but are being provided for free.

Remember:

- Your budget must balance. This means your total income needs to be the same amount as your total expenditure.
- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:
Ticket sales (7 dates @ 60% of 100 capacity x £8 ticket price) £3,360

Income Questions

**Tell us more about the match funding for your project
Up to 1500 characters**

- How have you worked out the earned income you expect to receive during the project?
- How likely are you to secure your expected income?
- How will your project meet its aims if you receive less income than expected?

Confirmed:

- Heather T of Redfire music is a longtime supporter & mentor to David. Sponsorship of £2,700 is demonstrative of her enthusiasm & belief in the value of IMPROVise.
- company reserves to the value of £1,000 ensure greater than 10% match funding.

Expected:

- Low tix prices foster inclusivity, figures are conservative to mitigate risk, previous shows on like-for-like projects have sold in excess of 90% of tix & artists will draw on ext. national fanbases to ensure sales.
- Gemma B, Jason R, Giveton G, David L tix x 4 (40 cap. x 60% x £6) = £576 each performance = £2,304.

SIK:

- Sheffield, Coventry, Entrust & Severn Arts venue hire @100% sub rate £125 p/d x 4 days = £500 x 4 = £2000
- each venue provides a videographer @100% sub £175 p/d x 2 days = £350 x 4 = £1,400
- Young Sounds provides a videographer for the final Symphony Hall performance @100% sub = £175
- Heather T offers org dev mentorship support @100% sub 12 hrs @£40p/h = £480 as part of Redfire's sponsorship
- B:Music, Symphony Hall provides the venue for the final performance @80% sub on £2500 = £2000.

Should full funding be unsuccessful the project is scalable in terms of wkshp delivery & reduction of sessions, reducing outgoings. In addition funding can be supplemented by further company reserves.

The level of SIK both nationally & locally from the music sector, demonstrates extensive support & belief in the intrinsic value of IMPROVise.

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

Organisational risks:

R1 - partner liaison issues could disrupt project timelines or cohesion

R2 - jazz music may be considered niche & might not attract audiences. As a result, ticket sales might not reach targets that we have set for the project

R3 - low levels of participation engagement/sign up

R4 - budget/financial mis-management, not achieving target funding.

Creative risks:

R5 - vulnerable participants might need individual attention during the delivery of workshops

R6 - adjustments for neurodiverse, D/deaf, or disabled individuals necessitate additional resources potentially straining logistical capacities

R7 - YP may not wish to engage, feel jazz music is 'not for them' or feel 'shy', limiting their experience

R8 - artists may not be aware or understand YP's needs/experiences

R9 - YP may not have access to their instruments full time, may use one lent by the school in school session but not own their own.

Logistical risks:

R10 - project not delivered on time or quality of project delivery compromised due to poor management

R11 - availability of artistic team to deliver workshops & commit to performances may be compromised

R11 - delivery times may present a barrier to engagement.

Safeguards in place ensure the safety & well-being of participants, including risk assessments, emergency procedures & compliance with health & safety regulations.

By integrating these measures into the project management systems, IMPROVEise identifies, mitigates & manages risks, ensuring successful delivery of objectives while prioritising the safety, well-being & engagement of all stakeholders.

What will you do to manage these risks?

Up to 2000 characters

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.

We will not use this information to assess your application. For specific programmes, we may use this information as part of our decision-making process. Where this is the case, it will be stated in the Applicant guidance, and we will ask you to ensure this information is up to date before submitting your application.

If you do not know some of the information or you would prefer not to provide it, you can fill in the 'Not known/Prefer not to answer' box. Should a member of senior management also sit on your board/council, please only count them once.

DECISION-MAKING BY DIRECTORS

Directors to take decisions collectively

- 7.—(1) The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 8.
- (2) If—
- (a) the company only has one director, and
 - (b) no provision of the articles requires it to have more than one director,
- the general rule does not apply, and the director may take decisions without regard to any of the provisions of the articles relating to directors' decision-making.

Unanimous decisions

- 8.—(1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter.
- (2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.
- (3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.
- (4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

Calling a directors' meeting

- 9.—(1) Any director may call a directors' meeting by giving notice of the meeting to the directors or by authorising the company secretary (if any) to give such notice.

- (2) Notice of any directors' meeting must indicate—
- (a) its proposed date and time;
 - (b) where it is to take place; and
 - (c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.
- (3) Notice of a directors' meeting must be given to each director, but need not be in writing.
- (4) Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the company not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

Participation in directors' meetings

- 10.—(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—
- (a) the meeting has been called and takes place in accordance with the articles, and
 - (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
- (2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.
- (3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

Quorum for directors' meetings

- 11.—(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.
- (2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than two, and unless otherwise fixed it is two.
- (3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision—
- (a) to appoint further directors, or
 - (b) to call a general meeting so as to enable the shareholders to appoint further directors.

Chairing of directors' meetings

- 12.—(1) The directors may appoint a director to chair their meetings.
- (2) The person so appointed for the time being is known as the chairman.
- (3) The directors may terminate the chairman's appointment at any time.
- (4) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it.

Casting vote

13.—(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

Conflicts of interest

14.—(1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.

(2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes.

(3) This paragraph applies when—

(a) the company by ordinary resolution disapplies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process;

(b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or

(c) the director's conflict of interest arises from a permitted cause.

(4) For the purposes of this article, the following are permitted causes—

(a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries;

(b) subscription, or an agreement to subscribe, for shares or other securities of the company or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such shares or securities; and

(c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors.

(5) For the purposes of this article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.

(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

Records of decisions to be kept

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Directors' discretion to make further rules

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

APPOINTMENT OF DIRECTORS

Methods of appointing directors

17.—(1) Any person who is willing to act as a director, and is permitted by law to do so, may be appointed to be a director—

- (a) by ordinary resolution, or
- (b) by a decision of the directors.

(2) In any case where, as a result of death, the company has no shareholders and no directors, the personal representatives of the last shareholder to have died have the right, by notice in writing, to appoint a person to be a director.

(3) For the purposes of paragraph (2), where 2 or more shareholders die in circumstances

rendering it uncertain who was the last to die, a younger shareholder is deemed to have survived an older shareholder.

Termination of director's appointment

18. A person ceases to be a director as soon as—

- (a) that person ceases to be a director by virtue of any provision of the Companies Act 2006 or is prohibited from being a director by law;
- (b) a bankruptcy order is made against that person;
- (c) a composition is made with that person's creditors generally in satisfaction of that person's debts;
- (d) a registered medical practitioner who is treating that person gives a written opinion to the company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
- (e) by reason of that person's mental health, a court makes an order which wholly or partly prevents that person from personally exercising any powers or rights which that person would otherwise have;
- (f) notification is received by the company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

Directors' remuneration

- 19.—(1) Directors may undertake any services for the company that the directors decide.
- (2) Directors are entitled to such remuneration as the directors determine—
- (a) for their services to the company as directors, and
 - (b) for any other service which they undertake for the company.
- (3) Subject to the articles, a director's remuneration may—
- (a) take any form, and
 - (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.
- (4) Unless the directors decide otherwise, directors' remuneration accrues from day to day.
- (5) Unless the directors decide otherwise, directors are not accountable to the company for any remuneration which they receive as directors or other officers or employees of the company's subsidiaries or of any other body corporate in which the company is interested.

Directors' expenses

20. The company may pay any reasonable expenses which the directors properly incur in connection with their attendance at—
- (a) meetings of directors or committees of directors,
 - (b) general meetings, or
 - (c) separate meetings of the holders of any class of shares or of debentures of the company, or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

PART 3

SHARES AND DISTRIBUTIONS

SHARES

All shares to be fully paid up

- 21.—(1) No share is to be issued for less than the aggregate of its nominal value and any premium to be paid to the company in consideration for its issue.
- (2) This does not apply to shares taken on the formation of the company by the subscribers to the company's memorandum.

Powers to issue different classes of share

- 22.—(1) Subject to the articles, but without prejudice to the rights attached to any existing share, the company may issue shares with such rights or restrictions as may be determined by ordinary resolution.
- (2) The company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the company or the holder, and the directors may determine the terms, conditions and manner of redemption of any such shares.

Company not bound by less than absolute interests

23. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

Share certificates

- 24.—(1) The company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.
- (2) Every certificate must specify—
- (a) in respect of how many shares, of what class, it is issued;
 - (b) the nominal value of those shares;
 - (c) that the shares are fully paid; and
 - (d) any distinguishing numbers assigned to them.
- (3) No certificate may be issued in respect of shares of more than one class.
- (4) If more than one person holds a share, only one certificate may be issued in respect of it.
- (5) Certificates must—
- (a) have affixed to them the company's common seal, or
 - (b) be otherwise executed in accordance with the Companies Acts.

Replacement share certificates

- 25.—(1) If a certificate issued in respect of a shareholder's shares is—
- (a) damaged or defaced, or
 - (b) said to be lost, stolen or destroyed, that shareholder is entitled to be issued with a replacement certificate in respect of the same shares.
- (2) A shareholder exercising the right to be issued with such a replacement certificate—
- (a) may at the same time exercise the right to be issued with a single certificate or separate certificates;
 - (b) must return the certificate which is to be replaced to the company if it is damaged or defaced; and
 - (c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the directors decide.

Share transfers

26.—(1) Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the directors, which is executed by or on behalf of the transferor.

(2) No fee may be charged for registering any instrument of transfer or other document relating to or affecting the title to any share.

(3) The company may retain any instrument of transfer which is registered.

(4) The transferor remains the holder of a share until the transferee's name is entered in the register of members as holder of it.

(5) The directors may refuse to register the transfer of a share, and if they do so, the instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

Transmission of shares

27.—(1) If title to a share passes to a transferee, the company may only recognise the transferee as having any title to that share.

(2) A transferee who produces such evidence of entitlement to shares as the directors may properly require—

(a) may, subject to the articles, choose either to become the holder of those shares or to have them transferred to another person, and

(b) subject to the articles, and pending any transfer of the shares to another person, has the same rights as the holder had.

(3) But transferees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of shares to which they are entitled, by reason of the holder's death or bankruptcy or otherwise, unless they become the holders of those shares.

Exercise of transferees' rights

28.—(1) Transferees who wish to become the holders of shares to which they have become entitled must notify the company in writing of that wish.

(2) If the transferee wishes to have a share transferred to another person, the transferee must execute an instrument of transfer in respect of it.

(3) Any transfer made or executed under this article is to be treated as if it were made or

executed by the person from whom the transferee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

Transferees bound by prior notices

29. If a notice is given to a shareholder in respect of shares and a transferee is entitled to those shares, the transferee is bound by the notice if it was given to the shareholder before the transferee's name has been entered in the register of members.

DIVIDENDS AND OTHER DISTRIBUTIONS

Procedure for declaring dividends

- 30.—(1) The company may by ordinary resolution declare dividends, and the directors may decide to pay interim dividends.
- (2) A dividend must not be declared unless the directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the directors.
- (3) No dividend may be declared or paid unless it is in accordance with shareholders' respective rights.
- (4) Unless the shareholders' resolution to declare or directors' decision to pay a dividend, or the terms on which shares are issued, specify otherwise, it must be paid by reference to each shareholder's holding of shares on the date of the resolution or decision to declare or pay it.
- (5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.
- (6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.
- (7) If the directors act in good faith, they do not incur any liability to the holders of shares
- conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

Payment of dividends and other distributions

- 31.—(1) Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means—
- (a) transfer to a bank or building society account specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (b) sending a cheque made payable to the distribution recipient by post to the distribution recipient at the distribution recipient's registered address (if the distribution recipient is a holder of the share), or (in any other case) to an address specified by the distribution recipient either in writing or as the directors may otherwise decide;
 - (c) sending a cheque made payable to such person by post to such person at such address as the distribution recipient has specified either in writing or as the directors may otherwise decide; or
 - (d) any other means of payment as the directors agree with the distribution recipient either in writing or by such other means as the directors decide.
- (2) In the articles, "the distribution recipient" means, in respect of a share in respect of which a dividend or other sum is payable—
- (a) the holder of the share; or
 - (b) if the share has two or more joint holders, whichever of them is named first in the register of members; or
 - (c) if the holder is no longer entitled to the share by reason of death or bankruptcy, or otherwise by operation of law, the transmittee.

No interest on distributions

32. The company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by—

- (a) the terms on which the share was issued, or
- (b) the provisions of another agreement between the holder of that share and the company.

Unclaimed distributions

33.—(1) All dividends or other sums which are—

- (a) payable in respect of shares, and
- (b) unclaimed after having been declared or become payable, may be invested or otherwise made use of by the directors for the benefit of the company until claimed.

(2) The payment of any such dividend or other sum into a separate account does not make the company a trustee in respect of it.

(3) If—

- (a) twelve years have passed from the date on which a dividend or other sum became due for payment, and
- (b) the distribution recipient has not claimed it,

the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company.

Non-cash distributions

34.—(1) Subject to the terms of issue of the share in question, the company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).

(2) For the purposes of paying a non-cash distribution, the directors may make whatever arrangements they think fit, including, where any difficulty arises regarding the distribution—

- (a) fixing the value of any assets;
- (b) paying cash to any distribution recipient on the basis of that value in order to adjust the rights of recipients; and
- (c) vesting any assets in trustees.

Waiver of distributions

35. Distribution recipients may waive their entitlement to a dividend or other distribution

payable in respect of a share by giving the company notice in writing to that effect, but if—

- (a) the share has more than one holder, or
- (b) more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

CAPITALISATION OF PROFITS

Authority to capitalise and appropriation of capitalised sums

36.—(1) Subject to the articles, the directors may, if they are so authorised by an ordinary resolution—

- (a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve; and
 - (b) appropriate any sum which they so decide to capitalise (a "capitalised sum") to the persons who would have been entitled to it if it were distributed by way of dividend (the "persons entitled") and in the same proportions.
- (2) Capitalised sums must be applied—
- (a) on behalf of the persons entitled, and
 - (b) in the same proportions as a dividend would have been distributed to them.
- (3) Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.
- (4) A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the company which are then allotted credited as fully paid to the persons entitled or as they may direct.
- (5) Subject to the articles the directors may—
- (a) apply capitalised sums in accordance with paragraphs (3) and (4) partly in one way and partly in another;
 - (b) make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments); and
 - (c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this article.

PART 4

DECISION-MAKING BY SHAREHOLDERS

ORGANISATION OF GENERAL MEETINGS

Attendance and speaking at general meetings

37.—(1) A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the

meeting, any information or opinions which that person has on the business of the meeting.

- (2) A person is able to exercise the right to vote at a general meeting when—
- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
 - (b) that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.
- (3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.
- (4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.
- (5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

Quorum for general meetings

38. No business other than the appointment of the chairman of the meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

Chairing general meetings

39.—(1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.

(2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start—

- (a) the directors present, or
- (b) (if no directors are present), the meeting,

must appoint a director or shareholder to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.

(3) The person chairing a meeting in accordance with this article is referred to as "the chairman of the meeting".

Attendance and speaking by directors and non-shareholders

40.—(1) Directors may attend and speak at general meetings, whether or not they are shareholders.

(2) The chairman of the meeting may permit other persons who are not—

- (a) shareholders of the company, or
- (b) otherwise entitled to exercise the rights of shareholders in relation to general meetings,

to attend and speak at a general meeting.

Adjournment

- 41.—(1) If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it.
- (2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—
- (a) the meeting consents to an adjournment, or
 - (b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.
- (3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.
- (4) When adjourning a general meeting, the chairman of the meeting must—
- (a) either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and
 - (b) have regard to any directions as to the time and place of any adjournment which have been given by the meeting.
- (5) If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the company must give at least 7 clear days' notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given)—
- (a) to the same persons to whom notice of the company's general meetings is required to be given, and
 - (b) containing the same information which such notice is required to contain.
- (6) No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

VOTING AT GENERAL MEETINGS

Voting: general

42. A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the articles.

Errors and disputes

- 43.—(1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
- (2) Any such objection must be referred to the chairman of the meeting, whose decision is final.

Poll votes

- 44.—(1) A poll on a resolution may be demanded—
- (a) in advance of the general meeting where it is to be put to the vote, or
 - (b) at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.
- (2) A poll may be demanded by—
- (a) the chairman of the meeting;
 - (b) the directors;
 - (c) two or more persons having the right to vote on the resolution; or
 - (d) a person or persons representing not less than one tenth of the total voting rights of all the shareholders having the right to vote on the resolution.
- (3) A demand for a poll may be withdrawn if—
- (a) the poll has not yet been taken, and
 - (b) the chairman of the meeting consents to the withdrawal.
- (4) Polls must be taken immediately and in such manner as the chairman of the meeting directs.

Content of proxy notices

- 45.—(1) Proxies may only validly be appointed by a notice in writing (a "proxy notice") which—
- (a) states the name and address of the shareholder appointing the proxy;
 - (b) identifies the person appointed to be that shareholder's proxy and the general meeting in relation to which that person is appointed;
 - (c) is signed by or on behalf of the shareholder appointing the proxy, or is authenticated in such manner as the directors may determine; and
 - (d) is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.
- (2) The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (3) Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (4) Unless a proxy notice indicates otherwise, it must be treated as—
- (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

- 46.—(1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.
- (2) An appointment under a proxy notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.

- (3) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (4) If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor's behalf.

Amendments to resolutions

- 47.—(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if—
- (a) notice of the proposed amendment is given to the company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
 - (b) the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.
- (2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—
- (a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- (3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

PART 5

ADMINISTRATIVE ARRANGEMENTS

Means of communication to be used

- 48.—(1) Subject to the articles, anything sent or supplied by or to the company under the articles may be sent or supplied in any way in which the Companies Act 2006 provides for documents or information which are authorised or required by any provision of that Act to be sent or supplied by or to the company.
- (2) Subject to the articles, any notice or document to be sent or supplied to a director in connection with the taking of decisions by directors may also be sent or supplied by the means by which that director has asked to be sent or supplied with such notices or documents for the time being.
- (3) A director may agree with the company that notices or documents sent to that director in a particular way are to be deemed to have been received within a specified time of their being sent, and for the specified time to be less than 48 hours.

Company seals

- 49.—(1) Any common seal may only be used by the authority of the directors.
- (2) The directors may decide by what means and in what form any common seal is to be used.

(3) Unless otherwise decided by the directors, if the company has a common seal and it is affixed to a document, the document must also be signed by at least one authorised person in the presence of a witness who attests the signature.

(4) For the purposes of this article, an authorised person is—

- (a) any director of the company;
- (b) the company secretary (if any); or
- (c) any person authorised by the directors for the purpose of signing documents to which the common seal is applied.

No right to inspect accounts and other records

50. Except as provided by law or authorised by the directors or an ordinary resolution of the company, no person is entitled to inspect any of the company's accounting or other records or documents merely by virtue of being a shareholder.

Provision for employees on cessation of business

51. The directors may decide to make provision for the benefit of persons employed or formerly employed by the company or any of its subsidiaries (other than a director or former director or shadow director) in connection with the cessation or transfer to any person of the whole or part of the undertaking of the company or that subsidiary.

DIRECTORS' INDEMNITY AND INSURANCE

Indemnity

52.—(1) Subject to paragraph (2), a relevant director of the company or an associated company may be indemnified out of the company's assets against—

- (a) any liability incurred by that director in connection with any negligence, default, breach of duty or breach of trust in relation to the company or an associated company,
- (b) any liability incurred by that director in connection with the activities of the company or an associated company in its capacity as a trustee of an occupational pension scheme (as defined in section 235(6) of the Companies Act 2006),
- (c) any other liability incurred by that director as an officer of the company or an associated company.

(2) This article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Companies Acts or by any other provision of law.

(3) In this article—

- (a) companies are associated if one is a subsidiary of the other or both are subsidiaries of the same body corporate, and
- (b) a "relevant director" means any director or former director of the company or an associated company.

IMPROVEise

LYTE
RECORDS

A unique and exciting new programme for young people to discover jazz and the freedom of improvisation presented by Lyte Records in partnership with Young Sounds UK.

Lyte Records is a Northern Irish record label which has released over 50 albums and EPs from jazz to hip-hop, attracting worldwide media acclaim from Rolling Stone to BBC Radio 1. Founded in 2007 by MOBO-nominated musician David Lyttle (below), who has performed in almost 50 countries and collaborated with many music legends, we have worked with leading artists from around the world. Committed to music outreach, we have brought jazz to rural communities and presented workshops on four continents, creating and supporting worthwhile opportunities for the next generation, most recently including Jazz Juniors (left and below) in Northern Ireland.

Partnering with Young Sounds UK, 'IMPROVEise' will further develop our engagement work by extending opportunities to young people from low-income families and young people in geographically isolated areas who would not otherwise be able to access this bespoke and specialised training. The programme will offer young people aged 11-17 from Sheffield, Coventry, Worcestershire and Staffordshire, four monthly workshops, performances and

jam sessions between November 2024 and February 2025, as well as participation in a regional jam session with young people from all four 'Hubs' at Symphony Hall, Birmingham in March 2025. The programme will be free to access with bursaries to overcome any barriers to participation such as transport costs and instruments.

Programme Outline

1. Experience of jazz improvisation through performances by four acclaimed artists, including UK jazz icon Jason Rebello, David Lyttle and rising star Tom Remon (left), an alumnus of Tomorrows Warriors
2. 'Step 1' jazz improvisation workshops to develop new skills
3. Music industry mentorship by Gemma Bradley (left), presenter of BBC Introducing on BBC Radio 1, with a focus on career paths and professional development
4. Peer-led Jam sessions with support and supervision from professional artists
5. Participation in a regional jam session and celebration event at Symphony Hall, Birmingham

Expected Outcomes for Young People

Participants will develop their musical skills and knowledge, becoming more confident not just as performers but as individuals. Our workshop facilitators believe that self-learning is important in youth education and will help participants develop new learning skills so that they can form pathways of their own and continue to grow as musicians in any genre. To continue to support participants post-project, we will be offering a monthly online 'Jazz Hangout' to provide direction and feedback and allow participants to share their progress and inspire each other. We also expect to offer invitations to programmes by our partners, such as Music For Youth's National Festival in July 2025.

Eligibility

No grades or knowledge of music theory is required and, although we would like young people to have two years experience on their instrument, we are open to hearing from anyone who is passionate about making music and excited to explore new musical directions.

Words From Some of Our Partners

Young Sounds UK are delighted to offer our support for the IMROVEise bid to Arts Council England. Our part of the proposed partnership will see us facilitate a relationship with 4 Music Hubs (Sheffield, Coventry, Staffordshire/Stoke/Telford and Worcestershire).

We have an existing relationship with each of these Hubs via our national Furthering Talent programme, students from which will form the core of the young people attending the lessons. We will coordinate communication between Lyte Records and Hub partners and provide advice and guidance on the best ways to engage the young people on the programme.

RedFireMusic is excited to support Lyte Records' IMPROVEise proposed programme of jazz workshops, performances and jam sessions, introducing young people to this important art form. While working with Art Blakey and the Jazz Messengers I learnt the importance of encouraging and supporting youngsters who enjoy music. Music is a common language for everyone.
