Feasibility and risk

This section helps us to understand how you will successfully deliver your project.

We need to know your plans for managing the project, what your budget is and how you will respond to any risks or challenges.

You don't need to have managed a project before, but you need to be able to demonstrate that you have given consideration to how you will manage the project, the budget, and any risks/challenges, and that you or your project partners have the skills to ensure it is delivered successfully.

When we look at your answers to the questions in this section we will think about:

- whether the budget is appropriate for the scale and type of activity?
- how appropriate are the areas of income and spending?
- whether all items in the budget are relevant and reasonable [are fees or wages appropriate to the context? Have quotes for assets/equipment been appropriately researched for any purchases?]
- whether the activity is attracting income from other sources; - is any other income confirmed? If not, are your potential income sources realistic?
- if appropriate financial controls are in place - Do you or the people you're working with have the necessary skills to manage the budget?
- if the activity is realistic and well-planned, and if you have demonstrated that you or the people you are working with are able to deliver the project

Income table

Please complete the income table below with all your cash income, as well as any support in kind you will receive. (By support in kind we mean goods or services that you would otherwise have to pay for, but are being provided for free.)

- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:

Ticket sales (7 dates @ 60% of 100 capacity x £8 ticket price) £3,360

She regularly performs throughout the UK, Europe and beyond with her Mercury-nominated band Dinosaur, having played the likes of North Sea, Montréal and Molde International Jazz festivals to name a few. She can also be heard playing alongside London jazz band Kansas Smitty's and leading a number of exciting projects in UK jazz and improvised music. Recent collaborators include drummer Seb Rochford, pianist Huw Warren and accordionist / sound-artist Martin Green. Elliot Galvin is one of the rising stars of UK jazz. A superbly gifted composer and pianist, whose maverick imagination and magpie like ability to blend a disparate world of influences into his own unique musical vision has seen him compared to Django Bates although in truth he sounds like no one except himself. Elliot is a prolific composer and has been commissioned by a number of Ensembles, Dance Companies, Theatre Groups and Festivals including the London Sinfonietta, Ligeti String Quartet, St. John Smith's Square, The London Jazz festival, The RESOLUTION! Dance Festival at The Place and the Theatre Company Cut Tongues. We have booked this duo as they are respectively highly accomplished, the idea of them work together is very exciting and will draw a lot of attention. They are two prominent London based musicians who haven't been to play at the spotted dog before, we hope that in doing this gig they will consider coming to us for projects they make in the future. Laura and Elliot will have a coaching session with a new improvising duo called 'CANYON', which be open people to watch.

Sometimes dealing with settings of poetry and other times original lyrics, 'her voice, effortlessly moves between a light precision and warm soulfulness is unmistakably her own'. Fini released her 4th album 'La Loba' in October 2020 and it has already received much glowing reviews from peers and critics including ****'s from Jazzwise (Editors Choice), allaboutjazz, The Arts Desk (album of the year), and more. As well as being an accomplished musician and composer, Fini is a fantastic educator and mentor so she and her band will have a masterclass with Lucy-Annes band about song writing. Role in project: PERFORMING ARTIST/COMPOSITION
Up to 2000 characters WORKSHOP LEADER Koma Saxo is a highly potent new five-piece produced by the visionary Berlin-based Swedish bassist-producer Petter Eldh. The lineup brings together five heavy jazz names on the Berlin–Nordics axis, including Eldh on bass, Christian Lillinger on drums and the frontline of three saxes: Otis Sandsjö, Jonas Kullhammar and Mikko Innanen. Despite the topbilling names, make no mistake: this is not just another "supergroup", but a real working band with their own sound and musical trajectory. We have booked this band as the 'headliner' of the season, the band is comprised of 'superstars' of the european jazz scene and will be sure to draw a crowd, including people travelling from across the UK. Koma Saxo will also do an open masterclass with the young Birmingham band 'Abacus'. Abacus is largely inspired by Koma Saxo and uses a similar line-up so we hope this opportunity will help them to develop new material. Since COVID-19 there has been a lack of Birmingham promoters putting on these high end gigs, where they used to sometimes happen at CBSO there is now a space to be filled so with this book we hope to start taking that place and start getting Birmingham back onto the international jazz circuit.

He grew up in Birmingham and does a lot of outreach work in the community so will be well paired for the comission with Shivraj who also grew up in Birmingham. Joe is very well established on the spoken word scene, there is a strong history of spoken word in jazz music but this is not currently reflected in our scene. With Joe and these commissions we hope to foster a stronger connection with spoken word artists in Birmingham.

Name: Shivraj Singh**Main contact (if organisation):****Email address:** shivrajs36@hotmail.com

Role in project: COMPOSER (FOR COMMISSION) Bass player
Up to 2000 characters Shivraj Singh was born and raised in Smethwick. He started playing at school encouraged by a teacher and at 13 or 14 joined the Jazzlines ensemble where he met Xhosa Cole. He studied garde at night school and later joined the Junior Conservatoire followed by studying at the Birmingham Royal Conservatoire. Since graduating he has been establishing himself as a musician including leading his own band and playing as a sideman. Shivraj is currently producing Xhosa Cole's new record 'Ibeji'. He is an incredibly creative musician and composer with a diverse range of musical interests which is why we picked him for this commission. We believe that his range of interests will make him a great facilitator for this project and we have paired him with Joe who is more experienced in giving workshops in order to help him develop these skills.

Up to 2000 characters Onacko is a Birmingham based pianist/synth player and composer. She is a regular on the Birmingham music scene, active in areas from free improvisation (contributor at Flatpack Film Festival 2019), to electronic (regular collaborator with composer Rosie Tee), experimental and jazz. Piera leads her own quartet who have performed across the UK at a number of festivals and venues, gaining support from Lancaster Jazz Festival's Artist Development Scheme in 2018. She is also active in music education and has regularly contributed to organisations such as Jazzlines and NYJC. We have asked Piera to be part of this commission for a number of reasons. She will bring a different crowd, being into the experimental and electronic scene in Birmingham, and she is also very experienced in music education. We will be pairing her with a poet through an open call. We wanted the musician in Piera's place to have experience leading workshops as this broadens the pool of poets we can ask, and creates an opportunity for a poet to learn about delivering workshops through Piera and Joe who are both more experienced

Risks and challenges

What are the main risks and challenges to your project meeting its aims? What will you do to manage these risks?

Up to 1500 characters

- The continued potential outbreak of Covid-19 is a threat project. In light of this, SD will purchase insurance on flights & accommodation to ensure the money invested in artists is not lost; & prepare a provisional date for the festival of music when it seems safe to do so.
- Collecting less donations than expected, causing SD to struggle to pay artists the agreed fee. Due to the nature of donations, monthly earnings vary constantly, so busier nights can subsidise quieter ones. SD also have the contingency budget to use if necessary or to cover minor equipment damage, & reserves. SD will be consistently reviewing whether they are attracting a younger & more diverse audience, & if this is unsuccessful then we will focus a larger proportion of our marketing budget on reaching young adults 18-24 & 35-44 years old.
- There is a risk of the masterclasses having a low attendance, as this is a completely new initiative & there are not currently masterclasses of this calibre free for the public to attend. All bands that will work alongside the artists in the masterclass have confirmed their availability, SD will advertise the masterclasses alongside the events using separate flyers & through artists own networks to boost attendance.

Delivering the Outcomes

Your Project and the Outcomes

Our strategy sets out three outcomes; Creative People, Cultural Communities and A Creative and Cultural Country. We do not expect every project to address all three outcomes, but we do want projects to align to at least one and to set out in detail how particular components are being addressed.

You can read about our three outcomes here: <https://www.artscouncil.org.uk/outcomes-0>

When we look at your answers to the questions in this section, where relevant we will think about:

- How your project is supporting people at all stages of their lives to design, develop and increase their participation in high quality creative activities
- If your project focuses on children and young people:
 - If your project reaches families from a wide range of backgrounds
 - If you are widening and improving opportunities for children and young people to take part in creative activities outside schools
 - if your project is supporting children and young people to develop their creative skills and potential
- If you are working with communities to better understand and respond to their needs and interests, resulting in increased cultural engagement and the wide range of social benefits it brings
- If your project is exploring new types of creative practice, new forms of cultural content and new ways of reaching new and existing audiences and participants
- If you are collaborating with other cultural organisations and/or with the commercial creative industries and/or with further and higher education that focuses on innovation, research and development and training, especially in relation to the use of new technologies
- If your project is strengthening the international connections of cultural organisations and creative and cultural practitioners, including co-production and touring
- If your project is bringing world-class culture to audiences in England
- If your project helps to ensure people have opportunities to sustain their careers and fulfil their potential in the creative industries, especially those who are currently under-represented
- If your project is connecting people and places, nationally and internationally

How will your project contribute to the delivery of at least one of our Outcomes, including which, if any, of the Outcome components?

A Creative and Cultural Country: England's cultural sector is innovative, collaborative and international, Creative People: Everyone can develop and express creativity throughout their life

Please click the 'Save' button below after you have answered the question.

Creative people:

How will your project contribute to this outcome?

Up to 1500 characters

The festival offers:

- 2 Birmingham musicians & 2 spoken word artists, commissioned to co-create in 2 deprived communities in Birmingham platforming new jazz/improv music/spoken word pieces to celebrate the city in hyper local venues, building new audiences in underrepresented communities, connected longitudinally to city centre events through the festival
- 50% BIPOC performing artists; local audiences witness high quality art/music delivered by underrepresented artists
- 50/50 gender balance split; supporting a vibrant range of artists & visible representation for yng females
- YP engaged through the named yth clubs/education hubs; are supported to perform, perhaps for the 1st time
- Open call to yng creatives in graphic design & visual art; ensuring a reach into emergent artists networks to centre Spotted Dog as a hub for local creativity, building connectivity
- Free wkshps for ppl of all ages in songwriting, composition & improvisation; building interest, momentum & access to the wider festival events in the city
- 2 x performances in hyper local venues outside of the Spotted Dog (Erdington/Stirchley/Smethwick)
- Partnership with No.11 Arts & Centrala in communities of Black/Asian/Eastern European ppl to build accessibility
- Local artists so that YP view music as a means of self expression & gain insight to creative careers
- All outreach/commissions outside of school time to ensure accessibility.

A Creative and Cultural Country:

How will your project contribute to this outcome?

Up to 1500 characters

The project:

- Features European touring musicians to cement The Spotted Dog & the city as an international jazz hub for musicians
- Commissions 2 poets; fostering a relationship between the jazz & spoken word communities in Birmingham, broadening the ecology & sustaining more artists through multi platform presentations
- Platforms world class artists & offers yng emergent musicians & local bands a chance to collaborate in open mic/jam sessions, building bridges to international touring & pedagogies
- Commissions 3 visual artists to create portraits of the 3 main acts of the festival; working closely with the musicians, building visual narratives to depict the Birmingham ecology, fertilising the relationship between art silos in the city
- Develops the careers of musicians across the city & country, at all stages of their careers, across multiple disciplines. Uniting hyper local, local, regional, national & international artists in key networking opportunities eg. with Yazz Ahmed
- Forms strong ties with the international scene; festival headline 'Koma Saxo', come from Berlin to establish the Spotted Dog as an international cultural organisation; post Covid, Jazzlines stopped running gigs at the CBSO Centre featuring high end international artists. This has left a gap in the scene, artists such as Koma Saxo don't have a Birmingham venue to book on their tours, funding enables the reclamation of that space.

Inclusivity and Relevance

This Investment Principle is about England's diversity being fully reflected in the organisations and individuals we support and the culture they produce through:

Communities

- Tell us who you want to reach with this project, how you have identified them, and how they have been involved in the planning and/or creative process
- Tell us about the steps you will take to make sure your project is open and accessible to people within the communities you plan to work with

Up to 1500 characters

Extensive partner led inquiry & consultation with both communities (Erdington/Smethwick) & the grassroots creative orgs involved, named a need for quality participatory activities to build user contact with city centre initiatives.

This has informed the outreach part of the festival, uniting local communities within their wards, with pipelines to city centre festival events at the Spotted Dog.

Identified & reached by:

- Targeted PR/marketing in community hubs such as Centrala/Moseley Hive/Artefact/Pan Pan builds audiences for both the master classes & the open wkshps, feeding musicians from RBC/UOB as well as local talent discovered in wkshps - integrating the needs of different demographics to create a borderless creativity hub, with open mic/jam sessions at weekly events to platform newskills & compositions
- Extensive PR to reach 18-24 yr olds (lowest current engagement via digital stats), Black/Asian/Eastern European audiences & artists from other disciplines through visual art commissions to build a more representative, inclusive community of followers
- Free wkshps & masterclasses
- Commission events & Spotted Dog performances/open mic & jams are all donation only.

Through the diverse range of performers booked - 50% BIPOC, 50% Male/Female artists from across the UK& Europe; SD are showcasing excellent role models to inspire underrepresented parts of the community to engage with the local & international arts scene.

Workforce

- If you're engaging a team of people to work on your project, or are working in partnership with other individuals or organisations, tell us:

- How you will ensure they reflect the communities you wish to reach
- How you will ensure access to opportunities are open and accessible

- If you're not working with anyone else on your project you should explain why and consider how working with others would help you to reflect the communities you wish to reach.

Up to 1500 characters

By engaging with academic institutions RBC & UoB, SD is providing emergent musicians with performance opportunities & volunteering roles to deliver experience of music promoting. the high quality masterclasses, open to the public, are advertised in community centres & universities (as listed in partners).

- Blogs & surveys (stakeholder feedback from the host venues) to explore how combining different artistic disciplines engages a community of interest
- Final results: multi-discipline artistic artefacts from the commissions performed in Stirchley/Smethwick will be monitored by the participants at each stage of the process, with educational benefits being at the heart of the commissions, the SD team will outline GLO & GSO outcomes to measure distance travelled against soft & hard outcomes, eg. confidence, creative skills, engagement, well being etc.
- Local emergent musicians in the masterclass series, musicians & general public in the wkshp series will be filmed & photographed
- SD team compile a mentorship portfolio to track their own development & relationship with the different facets of the festival.

Quantitative success will be measured in numbers by:

- attendance at each event/donations recorded
- physical sales
- numbers attending masterclass/wkshp series
- (new) community engagements with content on social media platforms.

In addition, Sasolo will use multiple feedback scenarios to ascertain qualitative success with regards:

- creative experiences of collaborating artists
- creative satisfaction re: class series participants (& facilitators).

Current FB followers: 2,350 Gender Split: 40.8% Women 59.2% Men
Current Insta followers: 1,419 Gender Split: 34.8% Women 65.2% Men
Both sites show 25%+ of both audiences are 25-34. Next highest 18-24, but significantly less than 25-34 audience.

SD want to focus on attracting audience members in the 18-24 & 35-44 age range through targeted FB & Insta marketing. This skill will develop under the mentorship of Tom Chapman who has experience targeting specific demographics online.

Currently SD have to select events to 'boost' online as they don't have the budget. Investing in paid advertising results in increased page views & follows, allowing SD to build the audience. When SD paid for advertising for the event on the 13th September, 90 visits to the facebook page & 52 visits to instagram resulted in 5 new followers on Facebook & 10 new instagram followers.

Over the last 3 months 4,537 visits to the Facebook page & 1,318 visits to instagram haven't been built on, SD want to grow these statistics by 25% to 5,670 Facebook visits & 1,650 Instagram visits. By increasing the budget for paid advertising campaigns SD increase the popularity & reach of the page, building new audiences online. SD will check each month to monitor the impact & success of the marketing campaign.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**
- **is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and**

- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

☐

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

Members' reserve power

(3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.

(3) Notice of a directors' meeting must be given to each director, but need not be in writing.

(4) Notice of a directors' meeting need not be given to directors who waive their entitlement to notice of that meeting, by giving notice to that effect to the company not more than 7 days after the date on which the meeting is held. Where such notice is given after the meeting has been held, that does not affect the validity of the meeting, or of any business conducted at it.

Participation in directors' meetings

10.—(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—

(a) the meeting has been called and takes place in accordance with the articles, and

(b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.

(2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.

(3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

Quorum for directors' meetings

11.—(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.

(2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than two, and unless otherwise fixed it is two.

(3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision—

(a) to appoint further directors, or

(b) to call a general meeting so as to enable the members to appoint further directors.

Chairing of directors' meetings

12.—(1) The directors may appoint a director to chair their meetings.

(2) The person so appointed for the time being is known as the chairman.

(3) The directors may terminate the chairman's appointment at any time.

(4) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it.

Casting vote

13.—(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

Conflicts of interest

14.—(1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.

(2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes.

(3) This paragraph applies when—

(a) the company by ordinary resolution dis-applies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process;

(b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest; or

(c) the director's conflict of interest arises from a permitted cause.

(4) For the purposes of this article, the following are permitted causes—

(a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries;

(b) subscription, or an agreement to subscribe, for securities of the company or any of its subsidiaries, or to underwrite, sub-underwrite, or guarantee subscription for any such securities; and

(c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors.

(5) For the purposes of this article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.

(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that

meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

Records of decisions to be kept

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Directors' discretion to make further rules

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

APPOINTMENT OF DIRECTORS

Methods of appointing directors

17.—(1) Any person who is willing to act as a director, and is permitted by law to do so, may be appointed to be a director—

- (a) by ordinary resolution, or
- (b) by a decision of the directors.

(2) In any case where, as a result of death, the company has no members and no directors, the personal representatives of the last member to have died have the right, by notice in writing, to appoint a person to be a director.

(3) For the purposes of paragraph (2), where 2 or more members die in circumstances rendering it uncertain who was the last to die, a younger member is deemed to have survived an older member.

Termination of director's appointment

18. A person ceases to be a director as soon as—

- (a) that person ceases to be a director by virtue of any provision of the Companies Act 2006 or is prohibited from being a director by law;
- (b) a bankruptcy order is made against that person;
- (c) a composition is made with that person's creditors generally in satisfaction of that person's debts;
- (d) a registered medical practitioner who is treating that person gives a written opinion to the company stating that that person has become physically or mentally incapable of acting as a director and may remain so for more than three months;
- (e) by reason of that person's mental health, a court makes an order which wholly or partly prevents that person from personally exercising any powers or rights which that person would otherwise have;

(f) notification is received by the company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

Directors' remuneration

- 19.**—(1) Directors may undertake any services for the company that the directors decide.
- (2) Directors are entitled to such remuneration as the directors determine—
- (a) for their services to the company as directors, and
 - (b) for any other service which they undertake for the company.
- (3) Subject to the articles, a director's remuneration may—
- (a) take any form, and
 - (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.
- (4) Unless the directors decide otherwise, directors' remuneration accrues from day to day.
- (5) Unless the directors decide otherwise, directors are not accountable to the company for any remuneration which they receive as directors or other officers or employees of the company's subsidiaries or of any other body corporate in which the company is interested.

Directors' expenses

- 20.** The company may pay any reasonable expenses which the directors properly incur in connection with their attendance at—
- (a) meetings of directors or committees of directors,
 - (b) general meetings, or
 - (c) separate meetings of the holders of debentures of the company,
- or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

PART 3 : MEMBERS

BECOMING AND CEASING TO BE A MEMBER

Applications for membership

- 21.** No person shall become a member of the company unless—
- (a) that person has completed an application for membership in a form approved by the directors, and
 - (b) the directors have approved the application.

Termination of membership

- 22.**—(1) A member may withdraw from membership of the company by giving 7 days' notice to the company in writing.
- (2) Membership is not transferable.
- (3) A person's membership terminates when that person dies or ceases to exist.

ORGANISATION OF GENERAL MEETINGS

Attendance and speaking at general meetings

- 23.**—(1) A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.
- (2) A person is able to exercise the right to vote at a general meeting when—
- (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and
 - (b) that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.
- (3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.
- (4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.
- (5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

Quorum for general meetings

- 24.** No business other than the appointment of the chairman of the meeting is to be transacted at a general meeting if the persons attending it do not constitute a quorum.

Chairing general meetings

- 25.**—(1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.
- (2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start—
- (a) the directors present, or
 - (b) (if no directors are present), the meeting,
- must appoint a director or member to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.

(3) The person chairing a meeting in accordance with this article is referred to as “the chairman of the meeting”.

Attendance and speaking by directors and non-members

26.—(1) Directors may attend and speak at general meetings, whether or not they are members.

(2) The chairman of the meeting may permit other persons who are not members of the company to attend and speak at a general meeting.

Adjournment

27.—(1) If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it.

(2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—

(a) the meeting consents to an adjournment, or

(b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.

(3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.

(4) When adjourning a general meeting, the chairman of the meeting must—

(a) either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and

(b) have regard to any directions as to the time and place of any adjournment which have been given by the meeting.

(5) If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the company must give at least 7 clear days’ notice of it (that is, excluding the day of the adjourned meeting and the day on which the notice is given)—

(a) to the same persons to whom notice of the company’s general meetings is required to be given, and

(b) containing the same information which such notice is required to contain.

(6) No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

VOTING AT GENERAL MEETINGS

Voting: general

28. A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the articles.

Errors and disputes

- 29.**—(1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
- (2) Any such objection must be referred to the chairman of the meeting whose decision is final.

Poll votes

- 30.**—(1) A poll on a resolution may be demanded—
- (a) in advance of the general meeting where it is to be put to the vote, or
 - (b) at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.
- (2) A poll may be demanded by—
- (a) the chairman of the meeting;
 - (b) the directors;
 - (c) two or more persons having the right to vote on the resolution; or
 - (d) a person or persons representing not less than one tenth of the total voting rights of all the members having the right to vote on the resolution.
- (3) A demand for a poll may be withdrawn if—
- (a) the poll has not yet been taken, and
 - (b) the chairman of the meeting consents to the withdrawal.
- (4) Polls must be taken immediately and in such manner as the chairman of the meeting directs.

Content of proxy notices

- 31.**—(1) Proxies may only validly be appointed by a notice in writing (a “proxy notice”) which—
- (a) states the name and address of the member appointing the proxy;
 - (b) identifies the person appointed to be that member’s proxy and the general meeting in relation to which that person is appointed;
 - (c) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the directors may determine; and
 - (d) is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.
- (2) The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (3) Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (4) Unless a proxy notice indicates otherwise, it must be treated as—
- (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and
 - (b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

Delivery of proxy notices

- 32.**—(1) A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the company by or on behalf of that person.
- (2) An appointment under a proxy notice may be revoked by delivering to the company a notice in writing given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
- (3) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
- (4) If a proxy notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor's behalf.

Amendments to resolutions

- 33.**—(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if—
- (a) notice of the proposed amendment is given to the company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
 - (b) the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.
- (2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—
- (a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
 - (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- (3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

PART 4 : ADMINISTRATIVE ARRANGEMENTS

Means of communication to be used

- 34.**—(1) Subject to the articles, anything sent or supplied by or to the company under the articles may be sent or supplied in any way in which the Companies Act 2006 provides for documents or information which are authorised or required by any provision of that Act to be sent or supplied by or to the company.
- (2) Subject to the articles, any notice or document to be sent or supplied to a director in connection with the taking of decisions by directors may also be sent or supplied by the means by which that director has asked to be sent or supplied with such notices or documents for the time being.

(3) A director may agree with the company that notices or documents sent to that director in a particular way are to be deemed to have been received within a specified time of their being sent, and for the specified time to be less than 48 hours.

Company seals

35.—(1) Any common seal may only be used by the authority of the directors.

(2) The directors may decide by what means and in what form any common seal is to be used.

(3) Unless otherwise decided by the directors, if the company has a common seal and it is affixed to a document, the document must also be signed by at least one authorised person in the presence of a witness who attests the signature.

(4) For the purposes of this article, an authorised person is—

(a) any director of the company;

(b) the company secretary (if any); or

(c) any person authorised by the directors for the purpose of signing documents to which the common seal is applied.

No right to inspect accounts and other records

36. Except as provided by law or authorised by the directors or an ordinary resolution of the company, no person is entitled to inspect any of the company's accounting or other records or documents merely by virtue of being a member.

Provision for employees on cessation of business

37. The directors may decide to make provision for the benefit of persons employed or formerly employed by the company or any of its subsidiaries (other than a director or former director or shadow director) in connection with the cessation or transfer to any person of the whole or part of the undertaking of the company or that subsidiary.

DIRECTORS' INDEMNITY AND INSURANCE

Indemnity

38.—(1) Subject to paragraph (2), a relevant director of the company or an associated company may be indemnified out of the company's assets against—

(a) any liability incurred by that director in connection with any negligence, default, breach of duty or breach of trust in relation to the company or an associated company,

(b) any liability incurred by that director in connection with the activities of the company or an associated company in its capacity as a trustee of an occupational pension scheme (as defined in section 235(6) of the Companies Act 2006),

- (c) any other liability incurred by that director as an officer of the company or an associated company.
- (2) This article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Companies Acts or by any other provision of law.
- (3) In this article—
 - (a) companies are associated if one is a subsidiary of the other or both are subsidiaries of the same body corporate, and
 - (b) a “relevant director” means any director or former director of the company or an associated company.

Insurance

- 39.**—(1) The directors may decide to purchase and maintain insurance, at the expense of the company, for the benefit of any relevant director in respect of any relevant loss.
- (2) In this article—
- (a) a “relevant director” means any director or former director of the company or an associated company,
 - (b) a “relevant loss” means any loss or liability which has been or may be incurred by a relevant director in connection with that director’s duties or powers in relation to the company, any associated company or any pension fund or employees’ share scheme of the company or associated company, and
 - (c) companies are associated if one is a subsidiary of the other or both are subsidiaries of the same body corporate.

To Whom It May Concern

I write in support of the grant application of the Jazz At The Spotted Dog organisation.

I am Programme Adviser to both the Jazzlines programme at Symphony Hall, Birmingham and the Cheltenham Jazz Festival. I have observed the growth of the Jazz At The Spotted Dog operation with great admiration over many years, and have on occasion collaborated with them.

Jazz At The Spotted Dog runs very successful gigs which are invariably well attended by mostly young and very enthusiastic audiences. In this it plays an important in attracting young people of diverse backgrounds who may be unfamiliar with jazz, but wish to find out more in a welcoming environment. The Spotted Dog pub itself is a successful and popular pub which makes an excellent setting for contemporary jazz.

The organisation runs weekly gigs and programmes a good range of bands from both Birmingham and other cities. The session always moves after the band sets into a very popular jam session which provides opportunities for young musicians to develop their skills.

At present the bands are paid from a weekly contribution from the Spotted Dog pub and donations from the audience. I believe it is now time for the organisation to take a step forward and set up a more ambitious programme. A Project grant will enable it to do so, and to pay the musicians proper fees.

I therefore strongly support the application from Jazz At The Spotted Dog.
