Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project going to happen?

Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need eight weeks to process applications for £30,000 and under, your start date must be more than eight weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 01/07/2024

Project end date: 30/11/2024

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Selected priority: - Not applying against any Time Limited Priority -

At a glance

In your own words, give a short, clear overview of your project:

Up to 500 characters

- Be as clear as you can about what you want to do using Project Grants funding
- It's better if this is written as a full paragraph
- It will be available to the public on our website if your application is funded.

Voicingers on Tour (VOT) hosts a 3 day vocal improv festival in London comprising vocal workshops, jam sessions & performances; creating development opps for aspiring singers & late-career vocal/jazz artists.

Originally established in Poland, & now operating across 15 countries, VOT will engage UK's Polish diaspora via partnerships (inc. Polish Embassy & Polish Cultural Institute); challenging anti-Polish sentiment, & diversifying the jazz improv music scene.

If you had to explain the focus of your project to someone, what single words or short phrase would you use?

Up to 100 characters

- You can be as broad or as specific as you like; it's your project
- You might think about this as your project's 'key words' or 'tags'
- Use a maximum of 5 key words or short phrases
- We won't use this response when deciding which applications to fund. It's so we can learn from how you see your project.
- Examples could be: singing; photography; digital work in libraries; South Asian dance; participatory arts; children's theatre; interactive gaming; dynamic collections work; changing business models; environmental theme; writing with older people; etc

diversifying vocal improv; Polish diaspora; 3 day jazz festival; international & aspiring musicians

Our Strategy, Let's Create

Let's Create explains how we want our funding to make a difference. It includes three Outcomes. These Outcomes are what we want to achieve through the projects we fund, so together we can make a difference.

You don't need to read our Strategy to make an application for £30,000 and under.

Telling us what your project focuses on helps us to decide which of the Outcomes your project will make a difference towards.

What does your project mainly focus on?

- this gives us a good sense of how you see your project
- you need to select only one option
- your project may include activity to do with more than one option; we want to know where you feel the main focus is
- the descriptions below are a guide to help you decide
- don't worry if you're not sure – we'll check we agree with the option you've selected when we look at your application

My project is about the public taking part

My project is about the public taking part in creative activity, either during the project or in the future.

This matches our Outcome 1: Creative People

My project is about making a difference to a place or community

My project is about making a difference to a place or community, either during the project or in the future.

☐

- This means working in a way that is focused on a specific place or community.

'Voicingers on Tour' (VOT) is an international vocal improv org that spans 15 countries. A 3 day VOT festival will be held in London; diversifying the UK's improv scene with emphasis on engaging the Polish diaspora (in partnership with the Polish Embassy, Polish Cultural Institute, & other orgs); bringing world-class culture & artistic development opps to audiences in the UK through:

- vocal improv workshops; developing both aspiring & established artists to start & sustain their professional careers
- internationally-acclaimed performances; 3 public concerts will platform world-renowned professional musicians (Elchin Shirinov, Manu Domergue, & Voicingers All Stars)
- participatory jam sessions; held each evening (3 total) for participants to practise on stage with established jazz musicians Giuliano Osella & Tomer Eldor; encouraging aspiring, early-career artists & established professionals to connect together through music
- a final showcase: participants will demonstrate their learning & gain performance experience with established musicians.

The showcase will be professionally filmed for participants to obtain audio-visual assets; used for personal reflection & self promotion purposes. All performances & jam sessions will be recorded through the venue's sound-desk, & content will be distributed via Voicinger's online platforms; developing and improving pathways towards careers in the creative industries for all participants, & increasing international interconnectivity.

VOT's workshops are delivered in separate beginner/advanced groups, & provide:

- vocal development opps; improving skills, raising the value of improv, & expanding repertoire
- a welcoming vocal improv community; strengthening inclusivity in a scene that is typically elitist & trope-filled
- support in navigating a step change from traditional singing to vocal improv as a skill; giving more opps to artists to start professional careers & diversify their own sound.

Voicingers will support VOT London's event coordinator & professional musician, Karolina, through mentorship with more experienced organisers; developing her event production skills, & furthering the international interconnectivity that VOT boasts.

With a focus on engaging the Polish diaspora, VOT generates an inclusive environment that encourages the cross-pollination of cultural & artistic expression; allowing a diverse spectrum of vocal enthusiasts to unite through music.

Prior to the festival, VOT will engage with young aspiring musicians from Brunel University, & Point Blank School, in introductory vocal improv skills; improving pathways towards vocal development opps, & promoting the festival.

VOT London will become an annual festival, further developing its London presence & expanding its reach; supporting aspiring artists & mid-career musicians to connect through experimental jazz music, & widening opps for the the Polish diaspora & general public; diversifying its scene.

- You can write this in full paragraphs or in bullet points

Voicingers was established in 2007 in ory, Poland. It has since grown, through concerts, competitions, educational activities & VOT festivals; now an international org run by 26 people across Europe & Asia.

As a result of multiple iterations of VOT globally, the festival formula is well refined; offering pathways for beginners & experienced musicians to develop their vocal improv skills, & benefit from the connection promoted through VOT.

UK-based Polish musician & event coordinator, Karolina, established VOT London in 2019, & 2022. Self-funded, it was successfully received. With bachelor degrees in both classical music/ sp. jazz vocal, + finance & investments, Karolina is uniquely positioned to identify VOT's needs; advancing music & culture in the UK.

Ready to now evolve VOT London's impact, Karolina takes a new direction:

- introducing a diasporic focus; bringing together the Polish communities in the UK to sing with British participants; paying tribute to VOT's origins, & combating anti-Polish sentiment & elitist tropes that are embedded in British society & jazz music.
- engaging aspiring young musicians in intro workshops at Brunel University & Point Blank School; raising awareness of VOT & encouraging festival participation
- sourcing funding & partnership support to develop a sustainable UK model
- incorporating evaluation for reflection & dev purposes.

VOT London will offer free workshop & performance tickets; broadening VOT's reach & impact.

Inclusivity and Relevance

What steps are you taking to make your project inclusive and relevant?

Up to 3000 characters

Inclusivity

- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?

VOT diversifies the jazz & vocal improv scenes which are traditionally trope-filled & elite; bringing together & creatively platforming aspiring artists, mid/late career professionals, & the Polish diaspora. VOT combats separatist & divisive attitudes in jazz & broadens its reach, raising creative & cultural capital by:

- welcoming new audiences; diversifying the taste of newcomers, supporting people at all stages of their lives to increase their participation in high-quality musical activities
- helping established musicians to think less insularly about their work, supporting interconnectivity within the vocal improv scene.

Polish people make up one of the largest ethnic minorities in the UK with a population of almost 1 million, (the largest communities living in London.) The Polish language is the most commonly spoken non-native language in England. Since Brexit, half of young eastern Europeans living in the UK have experienced an increased level of xenophobia (ref. The British Sociological Organisation.) With more emphasis on raising creative & cultural capital for minority groups that are statistically more visible, the Polish-diaspora's needs are not seen as a priority, & largely go unserved.

As a Polish immigrant herself, VOT organiser Karolina will ensure outreach to Polish communities is effective; paying tribute to the festival's origins, connecting British communities, & diversifying participation in the vocal improv music scene.

VOT London will work with Polish orgs as triage partners to:

- ensure Polish connectivity & awareness of the festival; overcoming cultural & linguistic barriers to creative participation in the UK
- encourage Polish speakers who struggle with the English language to participate; with enough of the team being Polish-speaking to translate & form an inclusive environment through music
- extend 4 free full-festival tickets, & 8 free concert tickets to Polish/low-income household participants; overcoming socio-economic barriers to participation
- extend 2 free full-festival tickets & 4 free concert tickets to young aspiring musicians who are most engaged in school Brunel University & Point Blank School introductory workshops; giving more opportunities to people to start a professional career in music.

VOT London performances employ & platform Polish professional artists. Representation on stage for Polish audience members encourages them to participate in the jam sessions, & group performances.

VOT London workshops will be held in 2 streams throughout the programme. With 4 workshops p/day for beginners, & 4 p/day for advanced participants. Forms will be sent to participants upon registration; ensuring VOT facilitators can tailor the workshops to individual needs. This ensures that all participants are embraced by the programme, & stretched to their own growth point, no matter their ethnic or experiential background.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project timeline

Project Start Date: 01/07/2024

Project End Date: 30/11/2024

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project? I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)
- Other organisation(s) helping you to manage the project (tell us...)

How will they help you to deliver your project?

Up to 1500 characters

- What skills will they bring?
- If some people's involvement isn't confirmed yet, do you know what you'll do if they can't be involved?

VOT draws on the same group of international musicians for the facilitation of its events; building international connectivity, & establishing an inclusive creative culture that supports participants to thrive. Voicingers, will support VOT London with promotion & mentorship.

Head of the VOT London team are:

-Karolina Micor; lead, musician & workshop facilitator.

-Grzegorz Karnas; well established Polish vocal jazz expert who has been part of VOT since 2008

-Joanna Muniak; lead assistant.

An intro workshop will be delivered at Point Blank School; a global network of music production schools founded in London in 1994. They offer a variety of courses in music, inc. singing, songwriting, & music business.

Mathea Marta Radwan (based at Brunel Univeristy) is a well-established musician & educator. She will co-facilitate VOT's intro workshops for young aspiring artists. She will support the long-term sustainability of VOT in London; expecting to develop an in-depth follow on intro programme with her.

POSK (The Polish Social & Cultural Center) will host a portion of VOT London & conversations about future events are already underway; establishing pathways to increase creative engagement, interconnectivity & integration for the Polish diaspora.

The Polish Embassy are in support of VOT London, having pledged to support with marketing & outreach, as well as contributing £850 to the festival.

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

R1: Language Barriers: communication between Polish & English speakers could affect the festival programme. Targeting the Polish diaspora increases the chances of language barriers.

R2: Cultural Sensitivity/Tropes & Prejudice: given the multicultural environment that the festival delivers in, there is risk of cultural insensitivity or misunderstandings. The Polish diaspora regularly face social barriers to participation due to cultural tropes & prejudice; this has increased significantly since Brexit.

R3: Talent Availability: unforeseen circumstances, such as illness, travel issues or scheduling conflicts, may result in last-minute cancellations by performers or workshop facilitators.

R4: Technical Experience re Equipment: newcomers may not know how to handle stage equipment, eg mics; leading to hindrance & issues in the smooth-running of the festival programme. Especially regarding the evening jam sessions.

R5: Venues & Directions: the festival workshop operates in 2 locations; this may cause confusion & delays for participants & cause interruptions for anyone who arrives late.

R6: Ticket Sales: ticket sales & participation for the workshops & evening events may be lower than expected.

R7: VOT impact: with this being VOT's flagship event, officially entering the UK space from Europe, there is a risk that the evaluation doesn't capture the impact of the event and therefore the legacy of the event is lost.

What will you do to manage these risks?

Up to 2000 characters

- What plans have you put in place?
- Have these actions worked before?

Mitigation 1: Language Barriers: VOT's core festival team are multilingual & able to communicate in Polish & English. This will allow for any essential information to be translated; otherwise, the nature of vocal improvisation is that it communicates beyond language.

M2: Cultural Sensitivity: VOT's team is multicultural & has an embodied understanding of the Polish-English cultural dynamics that may be relevant at VOT London 2024. As representatives of their target demographics, the team will ensure cultural sensitivity throughout the festival. VOT holds an integrative approach to culture & diversity, & marketing will reflect this.

M3: Talent Availability: Voicingers will manage all artists' travel ahead of time, & performer/facilitator contracts will be secured to ensure agreements are legally binding. In the unlikely event of unforeseen circumstances, the festival will rely on VOT's diverse & high-quality networks to manage risks.

M4: Technical Experience re Equipment: The VOT team will brief workshop participants on technical stage details, ensuring that equipment is properly handled. VOT's team of musicians are professional touring musicians and have extensive experience in the festival's format; supporting the smooth-running of the programme.

M5: Venues & Directions: Participants will be extensively briefed on times and locations in pre-workshop communication & on the day in preparation for the next.

M6: Ticket Sales: With extensive avenues for promotion & outreach, VOT's estimates are conservative figures that the festival is confident to reach. In the unlikely case of lesser ticket sales, a contingency has been factored into the budget to cover costs.

M7: VOT impact: VOT will engage thorough evaluation processes to capture the positive testimonials & constructive feedback given by participants, audiences, & facilitators/musicians working as part of VOT team; offering tangible pathways for event & org development.

You acknowledge that safeguarding is important in all projects working with the public. You acknowledge that if your project is funded you must sign up to Terms and Conditions that require you to have appropriate policies and procedures in place – and to put them into effect where needed – to support the safe delivery of the project.

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.

We will not use this information to assess your application. For specific programmes, we may use this information as part of our decision-making process. Where this is the case, it will be stated in the Applicant guidance, and we will ask you to ensure this information is up to date before submitting your application.

If you do not know some of the information or you would prefer not to provide it, you can fill in the 'Not known/Prefer not to answer' box. Should a member of senior management also sit on your board/council, please only count them once.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**

☐
☐

- is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and
- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

Date of constitution (last amended):

01.07.2022

1. Name The name of the Charitable Incorporated Organisation ("the CIO") is

WILD MUSOS ART

2. National location of principal office The CIO must have a principal office in England or Wales.

The principal office of the CIO is in England

3. Objects:

The object of the CIO is:

For the public benefit, to advance education in, and raise public appreciation of a repertoire of music, through the delivery of music festivals, workshops and other events throughout the UK.

Nothing in this constitution shall authorise an application of the property of the CIO for the purposes which are not charitable in accordance with [section 7 of the Charities and Trustee Investment (Scotland) Act 2005] and [section 2 of the Charities Act (Northern Ireland) 2008]

4. Powers:

The CIO has power to do anything which is calculated to further its object or is conducive or incidental to doing so. In particular, the CIO has power to:

- (1) borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The CIO must comply as appropriate with sections 124 and 125 of the Charities Act 2011, if it wishes to mortgage land;
- (2) buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;

- (4) employ and remunerate such staff as are necessary for carrying out the work of the CIO. The CIO may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to charity trustees and connected persons) and provided it complies with the conditions of that clause;
- (5) deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of the CIO to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000.

5. Application of income and property

- (1) The income and property of the CIO must be applied solely towards the promotion of the objects.
 - (a) A charity trustee is entitled to be reimbursed from the property of the CIO or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of the CIO.
 - (b) A charity trustee may benefit from trustee indemnity insurance cover purchased at the CIO's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
- (2) None of the income or property of the CIO may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of the CIO.
- (3) Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by Clause 6.

6. Benefits and payments to charity trustees and connected persons

(1) General provisions

No charity trustee or connected person may:

- (a) buy or receive any goods or services from the CIO on terms preferential to those applicable to members of the public;
- (b) sell goods, services, or any interest in land to the CIO;
- (c) be employed by, or receive any remuneration from, the CIO;

(d) receive any other financial benefit from the CIO;

unless the payment or benefit is permitted by sub-clause (2) of this clause or authorised by the court or the prior written consent of the Charity Commission (“the Commission”) has been obtained. In this clause, a “financial benefit” means a benefit, direct or indirect, which is either money or has a monetary value.

(2) Scope and powers permitting trustees’ or connected persons’ benefits

- (a) A charity trustee or connected person may receive a benefit from the CIO as a beneficiary of the CIO provided that a majority of the trustees do not benefit in this way.
- (b) A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the CIO where that is permitted in accordance with, and subject to the conditions in, sections 185 to 188 of the Charities Act 2011.
- (c) Subject to sub-clause (3) of this clause a charity trustee or connected person may provide the CIO with goods that are not supplied in connection with services provided to the CIO by the charity trustee or connected person.
- (d) A charity trustee or connected person may receive interest on money lent to the CIO at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).
- (e) A charity trustee or connected person may receive rent for premises let by the trustee or connected person to the CIO. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- (f) A charity trustee or connected person may take part in the normal trading and fundraising activities of the CIO on the same terms as members of the public.

(3) Payment for supply of goods only – controls

The CIO and its charity trustees may only rely upon the authority provided by sub-clause (2)(c) of this clause if each of the following conditions is satisfied:

- (a) The amount or maximum amount of the payment for the goods is set out in a written agreement between the CIO and the charity trustee or connected person supplying the goods (“the supplier”).
- (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.

- (c) The other charity trustees are satisfied that it is in the best interests of the CIO to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision the charity trustees must balance the advantage of contracting with a charity trustee or connected person against the disadvantages of doing so.
 - (d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the CIO.
 - (e) The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
 - (f) The reason for their decision is recorded by the charity trustees in the minute book.
 - (g) A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.
- (4) In sub-clauses (2) and (3) of this clause:
- (a) “the CIO” includes any company in which the CIO:
 - (i) holds more than 50% of the shares; or
 - (ii) controls more than 50% of the voting rights attached to the shares; or
 - (iii) has the right to appoint one or more directors to the board of the company;
 - (b) “connected person” includes any person within the definition set out in clause 30 (Interpretation);

7. Conflicts of interest and conflicts of loyalty

A charity trustee must:

- (1) declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the CIO or in any transaction or arrangement entered into by the CIO which has not previously been declared; and
- (2) absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interests of the CIO and any personal interest (including but not limited to any financial interest).

Any charity trustee absenting himself or herself from any discussions in accordance with this clause must not vote or be counted as part of the quorum in any decision of the charity trustees on the matter.

8. Liability of members to contribute to the assets of the CIO if it is wound up

If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

9. Charity trustees

(1) Functions and duties of charity trustees

The charity trustees shall manage the affairs of the CIO and may for that purpose exercise all the powers of the CIO. It is the duty of each charity trustee:

- (2) Sub-clause (1) of this clause does not permit a charity trustee to keep any benefit that may be conferred upon him or her by a resolution of the charity trustees or of a committee of charity trustees if, but for sub-clause (1), the resolution would have been void, or if the charity trustee has not complied with clause 7 (Conflicts of interest).

General meetings of members

- (a) Any member of the CIO may appoint another person as a proxy to exercise all or any of that member's rights to attend, speak and vote at a general meeting of the CIO. Proxies must be appointed by a notice in writing (a "proxy notice") which:
 - (i) states the name and address of the member appointing the proxy;
 - (ii) identifies the person appointed to be that member's proxy and the general meeting in relation to which that person is appointed;
 - (iii) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the CIO may determine; and
 - (iv) is delivered to the CIO in accordance with the constitution and any instructions contained in the notice of the general meeting to which they relate.
- (b) The CIO may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.
- (c) Proxy notices may (but do not have to) specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
- (d) Unless a proxy notice indicates otherwise, it must be treated as:
 - (i) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
 - (ii) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.
- (e) A member who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid proxy notice has been delivered to the CIO by or on behalf of that member.
- (f) An appointment under a proxy notice may be revoked by delivering to the CIO a notice in writing given by or on behalf of the member by whom or on whose behalf the proxy notice was given.
- (g) A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.

- (h) If a proxy notice is not signed or authenticated by the member appointing the proxy, it must be accompanied by written evidence that the person who signed or authenticated it on that member's behalf had authority to do so.

(5) **Postal Voting**

- (a) The CIO may, if the charity trustees so decide, allow the members to vote by post or electronic mail ("email") to elect charity trustees or to make a decision on any matter that is being decided at a general meeting of the members.
- (b) The charity trustees must appoint at least two persons independent of the CIO to serve as scrutineers to supervise the conduct of the postal/email ballot and the counting of votes.
- (c) If postal and/or email voting is to be allowed on a matter, the CIO must send to members of the CIO not less than 21 days before the deadline for receipt of votes cast in this way:
 - (i) a notice by email, if the member has agreed to receive notices in this way under clause 22 (Use of electronic communications), including an explanation of the purpose of the vote and the voting procedure to be followed by the member, and a voting form capable of being returned by email or post to the CIO, containing details of the resolution being put to a vote, or of the candidates for election, as applicable;
 - (ii) a notice by post to all other members, including a written explanation of the purpose of the postal vote and the voting procedure to be followed by the member; and a postal voting form containing details of the resolution being put to a vote, or of the candidates for election, as applicable.
- (d) The voting procedure must require all forms returned by post to be in an envelope with the member's name and signature, and nothing else, on the outside, inside another envelope addressed to 'The Scrutineers for Wild Musos Art, at the CIO's principal office or such other postal address as is specified in the voting procedure.
- (e) The voting procedure for votes cast by email must require the member's name to be at the top of the email, and the email must be authenticated in the manner specified in the voting procedure.
- (f) Email votes must be returned to an email address used only for this purpose and must be accessed only by a scrutineer.
- (g) The voting procedure must specify the closing date and time for receipt of votes, and must state that any votes received after the closing date or not complying with the voting procedure will be invalid and not be counted.
- (h) The scrutineers must make a list of names of members casting valid votes, and a separate list of members casting votes which were invalid. These lists must be

provided to a charity trustee or other person overseeing admission to, and voting at, the general meeting. A member who has cast a valid postal or email vote must not vote at the meeting, and must not be counted in the quorum for any part of the meeting on which he, she or it has already cast a valid vote. A member who has cast an invalid vote by post or email is allowed to vote at the meeting and counts towards the quorum.

- (i) For postal votes, the scrutineers must retain the internal envelopes (with the member's name and signature). For email votes, the scrutineers must cut off and retain any part of the email that includes the member's name. In each case, a scrutineer must record on this evidence of the member's name that the vote has been counted, or if the vote has been declared invalid, the reason for such declaration.
- (j) Votes cast by post or email must be counted by all the scrutineers before the meeting at which the vote is to be taken. The scrutineers must provide to the person chairing the meeting written confirmation of the number of valid votes received by post and email and the number of votes received which were invalid.
- (k) The scrutineers must not disclose the result of the postal/email ballot until after votes taken by hand or by poll at the meeting, or by poll after the meeting, have been counted. Only at this point shall the scrutineers declare the result of the valid votes received, and these votes shall be included in the declaration of the result of the vote.
- (l) Following the final declaration of the result of the vote, the scrutineers must provide to a charity trustee or other authorised person bundles containing the evidence of members submitting valid postal votes; evidence of members submitting valid email votes; evidence of invalid votes; the valid votes; and the invalid votes.
- (m) Any dispute about the conduct of a postal or email ballot must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of the CIO. If the dispute cannot be satisfactorily resolved by the panel, it must be referred to the Electoral Reform Services.
