Feasibility and risk

This section helps us to understand how you will successfully deliver your project.

We need to know your plans for managing the project, what your budget is and how you will respond to any risks or challenges.

You don't need to have managed a project before, but you need to be able to demonstrate that you have given consideration to how you will manage the project, the budget, and any risks/challenges, and that you or your project partners have the skills to ensure it is delivered successfully.

When we look at your answers to the questions in this section we will think about:

- whether the budget is appropriate for the scale and type of activity?
- how appropriate are the areas of income and spending?
- whether all items in the budget are relevant and reasonable [are fees or wages appropriate to the context? Have quotes for assets/equipment been appropriately researched for any purchases?]
- whether the activity is attracting income from other sources; - is any other income confirmed? If not, are your potential income sources realistic?
- if appropriate financial controls are in place - Do you or the people you're working with have the necessary skills to manage the budget?
- if the activity is realistic and well-planned, and if you have demonstrated that you or the people you are working with are able to deliver the project

Budget - Income

Income table

Please complete the income table below with all your cash income, as well as any support in kind you will receive. (By support in kind we mean goods or services that you would otherwise have to pay for, but are being provided for free.)

Remember:

- Your budget must balance. This means your total income needs to be the same amount as your total expenditure.
- Only include income that relates specifically to this project.
- Do not include personal access costs in the income table. These are automatically included in the total amount you are requesting from us.
- For any earned income you should include how these amounts have been calculated in the description field, for example:

Ticket sales (7 dates @ 60% of 100 capacity x £8 ticket price) £3,360

Income Questions

Income from performances & support in kind has been agreed & confirmed with each project partner/ participating institution.

Expected earned income from ticket sales has been calculated as follows:

-Tickets cost £12 per person

-Puppet Barge (PB) has 50-seat capacity & assumes an audience of 40 per performance; the project assumes 80% sales per performance

-There will 16 public performances; thus 16×40 (640) potential ticket sales (80% of 640 = 512) @ £12 p/ticket = £4,992

Note: PB performances attract 95% audiences but S3TSG has assumed (as above) a conservative 80% uptake to mitigate for any unforeseen income reduction.

A discounted ticket strategy contributes to the expected earned income as follows:

-3 performances tailored for D/deaf & neurodiverse audiences will employ a 50% discount strategy to ensure uptake

-For these shows an estimated 35 audience will attend; thus 3×35 @ £6 p/ticket = £630 expected earned income; with £630 support in kind (50% discount)

Private income comprises a contribution from each of the 9 x schools/ community orgs totalling (£925) + match funding from The Floating Classroom (£500).

= £1,425

This level of buy-in from each of the schools/institutions demonstrates strong support from project partners.

Expenditure questions

How have you worked out the costs of the artistic spending included in your budget?

Up to 1500 characters

Day rates have been calculated commensurate with different tasks, skills & status. Performance rates, for example, are slightly higher than rehearsal day rates, while wkshp delivery rates have preparation time embedded. Director & project manager rates are in excess of performers' rates and so on.

The 3 mains artists' fees therefore are calculated as follows (using industry rates):

- £150 pp/p/day for rehearsal days
- £130 pp/p/performances
- £150 for wkshp planning days
- £180 pp/p/day (includes additional prep) for Arts Award wkshp delivery days
- QYAC mentoring is costed @ £50 p/h.

Specialist fees have been calculated using industry day rates as follows:

- Director = £300 p/day
- Project Manager = £250 per day.

Project fees (quoted) as follows:

- Live streaming technician: 1 x live-streamed performance (inc set-up/testing) = £200
- Graphic design (£300/day) leaflets & web ID = £450
- Small travel stipend £10pp/performance day) for puppeteers to offset London travel costs.

How have you worked out the costs of making your work accessible included in your budget?

Up to 1500 characters

In order to make the work accessible to D/deaf audiences S3TSG will use closed captions for 2 performances & 1 live stream well as BSL sign interpretation for 2 performances.

Captioner fees are quoted at £600 p/day (rehearsal) & £300 p/performance / live-stream.

BSL interpreter fees are quoted at £600 p/day (rehearsal) & £300 p/performance.

The captioner & BSL interpreter are required to attend a full day of rehearsals to understand the narrative & prepare in advance (as far as possible) for seamless delivery.

How have you worked out the costs of developing your organisation included in your budget?

Up to 1500 characters

S3TSG has onboarded Sasolo Arts to the project to ensure consistent development & monitoring of KPIs throughout the project period of delivery. Sasolo is a grassroots consultancy, working to support individual artists and organisations, whose outputs impact creativity and culture in the UK and internationally. As such project management costs have been costed based on a direct quote from the consultancy.

Additionally, front of house staff will receive payment for event management during performances (x 16 public performances, 9 school/ community org performances, 1 Arts Award performance), costed at £40 per show.

How have you worked out the costs of marketing and developing audiences included in your budget?

Up to 1500 characters

S3TSG has confirmed an experienced PR professional to deliver a robust PR strategy, ensure maximum exposure & build new audiences; in particular boosting content & visibility across key platforms & using social content from rehearsals & wkshps to enhance reach & contextualisation.

Marketing strategy breakdown is as follows:

Targeted content (emails & digital promotion packs /website links) to local schools & urban community groups = £600

Facebook & IG sponsored posts (local activities for kids) = £200

Printed Ad (Families NW magazine) = £750

Local leafleting campaign (target & deliver to rural community centres, children's playgroups, cafes & play centres) = £675.

S2TSG's social media creator/ manager will liaise with the S3TSG PR team to boost targeted posts & keep Puppet Barge's existing social media flowing with exciting content from rehearsals, wkshps & performances. They will also create a short legacy film using edited content from the project to use as valuable PR for future project engagement.

How have you worked out the costs of the overheads included in your budget?

Up to 1500 characters

Overhead costs related to the activities outlined in this application, for the duration of the project implementation are as follows:

- Skipper for x4 trips out on The Floating Classroom @£100 per trip = £400
- Materials for Arts Award Wkshps = £175
- Arts Award Administration x2 days @£120 pd = £240
- Arts Award Log book pack of 25 = £100
- The Floating Classroom overheads for x6 sessions @£100 per session = £600
- Project specific insurance (£290 x 2 months based on quote obtained at a-n.co.uk) = £580.

How have you worked out the costs of expenditure listed as 'other' in your budget?

Up to 1500 characters

A contingency has been included to ensure that any unexpected costs or unforeseen fluctuation in costs can be quickly & easily met.

How much of your total project budget is being spent on International costs (such as visas, carnets, freight, travel, accommodation, per diems)? £0

Delivering the Outcomes

Your Project and the Outcomes

Our strategy sets out three outcomes; Creative People, Cultural Communities and A Creative and Cultural Country. We do not expect every project to address all three outcomes, but we do want projects to align to at least one and to set out in detail how particular components are being addressed.

You can read about our three outcomes here: <https://www.artscouncil.org.uk/outcomes-0>

When we look at your answers to the questions in this section, where relevant we will think about:

- How your project is supporting people at all stages of their lives to design, develop and increase their participation in high quality creative activities
- If your project focuses on children and young people:
 - If your project reaches families from a wide range of backgrounds
 - If you are widening and improving opportunities for children and young people to take part in creative activities outside schools
 - if your project is supporting children and young people to develop their creative skills and potential
- If you are working with communities to better understand and respond to their needs and interests, resulting in increased cultural engagement and the wide range of social benefits it brings
- If your project is exploring new types of creative practice, new forms of cultural content and new ways of reaching new and existing audiences and participants
- If you are collaborating with other cultural organisations and/or with the commercial creative industries and/or with further and higher education that focuses on innovation, research and development and training, especially in relation to the use of new technologies
- If your project is strengthening the international connections of cultural organisations and creative and cultural practitioners, including co-production and touring
- If your project is bringing world-class culture to audiences in England
- If your project helps to ensure people have opportunities to sustain their careers and fulfil their potential in the creative industries, especially those who are currently under-represented
- If your project is connecting people and places, nationally and internationally

How will your project contribute to the delivery of at least one of our Outcomes, including which, if any, of the Outcome components?

Cultural Communities: Villages, towns and cities thrive through a collaborative approach to culture, Creative People: Everyone can develop and express creativity throughout their life

Please click the 'Save' button below after you have answered the question.

Despite Westminster being associated with wealth & privilege, Church Street Ward is the most deprived ward in the City of Westminster & in the UK's 10% most deprived electoral wards. Westminster City Council (WCC) & Young Westminster Foundation (YWF), to facilitate:

- enrollment of 20 children to 2nd AAEL cohort, supported by Westminster Children's Uni (WCU)
- attendance at free performances for 400 school children/families.

Project partners like The Floating Classroom (TFC) & Dream Arts Westminster (DAW); (& extensive list - see partners), provide connectivity to target audiences. Inclusivity and Relevance

This Investment Principle is about England's diversity being fully reflected in the organisations and individuals we support and the culture they produce through:

Communities

- Tell us who you want to reach with this project, how you have identified them, and how they have been involved in the planning and/or creative process
- Tell us about the steps you will take to make sure your project is open and accessible to people within the communities you plan to work with

Up to 1500 characters

PTB has developed, over 3 phases, its relationships with local partners & stakeholder communities. This iteration will reach:

- urban communities suffering socio-economic challenges
- yng ppl
- Queer communities
- d/Deaf & neurodiverse ppl within family units.

Each cohort has engaged previously through extensive RnD in ACE funded development of the programme. Each cohort has:

- creative influence in terms of accessibility, timings, content, deliverables & execution
- support from partners in this highly embedded project.

PTB works closely with key orgs to engage local families. IMPS Playgroup, DAW, Home Start Westminster, OW & YWF will develop local audiences via extensive networks.

YP age 4-16 from diverse cultural backgrounds in partner schools are reached through Academy networks. WCU bring the 2nd cohort of 20 yng ppl to The Arts Awards, these have been co-designed over 2 ACE funded phases & respond precisely to creative learning needs.

D/deaf & neurodiverse audiences receive BSL & captioned / relaxed performances; supported by National Deaf Children's Soc & discounted tickets to further ensure accessibility.

Queer youth arts mentoring programme with QYAC; developed in phase 2, ensures 4 yng creatives join the PTB workforce; it responds to clear appetite for ongoing queer youth support; demonstrates PTB's determination to platform inclusive stories so yng queer ppl can see themselves reflected & receive support at every stage of their career.

Workforce

- If you're engaging a team of people to work on your project, or are working in partnership with other individuals or organisations, tell us:
- How you will ensure they reflect the communities you wish to reach

PTB is determined its work should draw on & reflect the full range of backgrounds & perspectives found in today's society. It has ensured, too, that its leadership team & workforce reflects this diversity. Hence:

- all SG artists are members of the LGBTQi+ community
- PTB's leadership team includes 3 queer-identifying people.

The choice of Oscar Wilde's Selfish Giant, is intentional. Beautifully adapted by non-binary writer, James Boswell, it explores themes of isolation & inclusion with grace & emotional richness. The enduring mystery of puppetry adds another layer of magic. These themes are not synonymous with the LGBTQi+ community - they speak to any marginalised / isolated community, whether that be through difference or economic barriers to inclusion in arts & wider society.

Thus SG unites queer artists/practitioners to create work for family audiences exploring queer narratives in children's theatre. Partnered with QYAC, it pairs young LGBTQi+ people starting out in the arts with experienced LGBTQi+ arts practitioners through their mentoring scheme.

The Creative Case for Diversity is further supported via:

- platforming LGBTQi+ artists & narratives
- 2 signed/captioned performance for D/deaf / Hard of Hearing audiences
- challenging homophobia & negative portrayals of LGBTQi+ culture
- dispelling all forms of discrimination & prejudice.

The Puppet Barge in itself, is an exemplar of low-impact theatre-making. PTB has installed solar panels & transitioned to LED lighting incl. house lights & foyer light.

It is through advocacy & education that environmental responsibility can have impact in target communities, & in S3TSG, PTB will:

- teach sustainable making techniques in wkshps
- use QR code links at PTB exit with links to its environmental policies & aspirations.

Audiences will be able to read & understand why PTB:

- no longer sells bottled water on the barge
- only uses materials for puppet making that are largely recycled & free from complex plastics
- advocates for green initiatives & is working towards Creative Green Certification (CGC).

In consultation with schools / AAEL / mentoring, PTB will also:

- ensure additional materials used in wkshps are recycled/sustainable
- give short talks during wkshps about the environment & importance of low-impact performances.

Additionally (thanks to ACE-funded Puppets for All), PTB is drafting an organisational environmental plan relating to its resourcing, recycling & wider creative activities & is aiming for CGC by 2024. This is accreditation that it will vociferously promote as desirable with regards all its creative & cultural partnerships & signpost documentation online to that effect.

S3TSG is invested in platforming inclusive heritage art work while understanding how each project strand functions re:

- improving outcomes for puppet art form
- embedding inclusivity as a priority
- impact on audience/ contributors.

Quantitative (financial) success will be measured by fulfilling budget expectations re: ticket sales. Additional success (not dependent on sales):

- numbers of attending free perfs / wkshps
- uptake of free tickets via partners for urban children & families
- uptake of discounted tickets for D/deaf & neurodiverse audiences
- attendance @ live-streamed perf
- overall engagements/ reach with regards social content/ads.

In addition, S3TSG will use a variety of scenarios to ascertain qualitative success as follows:

- creative experience of artists & wkshp participants
- impact on yng ppl's teaching & learning with emphasis on inclusivity
- live audience reactions at public perfs
- creative/professional satisfaction (workforce)
- partner satisfaction in re: co-supportive relationships & mutual efficacy.

Feedback from different user groups will be gathered by questionnaire, recorded interview, filmed responses at PTB exit & audience review forms; accessed by QR code at barge exit.

PTB aims to understand the impact of inclusive queer narratives, considered through:

- reviews from performers
- in-depth feedback from schools, QYAC mentees & urban community hubs

Feedback will be curated & presented at final evaluation.

Developing Your Work

If this project aims to develop your skills (and those you work with) and contribute to your longer-term ambitions for strengthening the quality of your work, tell us about it here:

Measuring Your Progress

If you are setting out what good looks like for your project and know how you'll track how well you're doing and how well it's been received, tell us about it here:

Up to 1500 characters

Project evaluation will be assessed both qualitatively & quantitatively (ticket sales, commissioned performance attendance, audience feedback QR codes, streaming data + creative & learning experiences).

The project is also determined to:

- extract key learning points from evaluation data
- track & record new partners & opportunities that emerge from the project
- establish open feedback channels from all project partners & key stakeholders (e.g. embedded eval sessions)

The extension of the QYAC mentoring programme (initiated in previous bid) will embed developmental progress in PTB's model. QYAC mentees will receive dedicated creative mentoring (2 x sessions pp) & attend the live-streamed performance.

Their progress & creative trajectories will be tracked after project end, via:

- legacy support from, & access to, PTB workforce
- invitations to performances, to take part in online Q&As & attend feedback/eval sessions (f-2-f & online).

Firm channels for QYAC mentee development such as priority notifications for experiential training, internships, paid freelance work, puppetry wkshps & puppet-making training on a future production, will all mean project progress in this regard can be measured into the future.

Stan Middleton will also collect reviews from national/local press & blogs to assess the reception of the production, overall, which will inevitably inform future projects.

Dynamism

This Investment Principle is about being dynamic and able to respond to the challenges of the next decade.

You don't have to use this Investment Principle to tell us about your project, but if you think it is relevant to your project you can tick the box(es) below and tell us.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**
- **is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and**

☐
☐
☐

- has, or is capable of having, an effect on —
 - (i) competition or investment within the United Kingdom,
 - (ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
 - (iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

☐

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"? No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

9. All General Meetings other than Annual General Meetings shall be called Extraordinary General Meetings.

10. The Directors may, whenever they think fit, convene an Extraordinary General Meeting, and Extraordinary General Meetings shall also be convened on such requisition, or, in default, may be convened by such requisitionists, as provided by Section 132 of the Act. If at any time there are not within the United Kingdom sufficient Directors capable of acting to form a quorum, any Director or any two Members of the Company may convene an Extraordinary General Meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors.

NOTICE OF GENERAL MEETINGS

11. An Annual General Meeting and a meeting called for the passing of a Special Resolution shall be called by twenty-one days' notice in writing at the least, and a meeting of the Company other than an Annual General Meeting or a meeting for the passing of a Special Resolution shall be called by fourteen days' notice in writing at the least. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and the hour of meeting and, in case of special business, the general nature of that business and shall be given, in manner hereinafter mentioned or in such other manner, if any, as may be prescribed by the Company in General Meeting, to such persons as are, under the Articles of the Company, entitled to receive such notice from the Company:-

Provided that a meeting of the Company shall, notwithstanding that it is called by shorter notice than that specified in this Article be deemed to have been duly called if it is so agreed:-

- (a) in the case of a meeting called as the Annual General Meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having a right to attend and vote at the meeting, being a majority together representing not less than ninety-five per cent of the total voting rights at that meeting of all the Members.

12. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

13. All business shall be deemed special that is transacted at an Extraordinary General Meeting, and also all that is transacted at an Annual General Meeting, with the exception of the consideration of the accounts, balance sheets, and the reports of the Directors and Auditors, the election of Directors in the place of those retiring and the appointment of, and the fixing of the remuneration of the Auditors.

14. No business shall be transacted at any General Meeting unless a quorum of Members is present at the time when the meeting proceeds to business; save as herein otherwise provided, two Members present in person or by proxy shall be a quorum.

15. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of Members, shall be dissolved; in any other case it shall stand adjourned to the same day in the next week, at the same time and place, or to such other day and at such other time and place as the Directors may determine, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting the Members present shall be a quorum.

16. The Chairman, if any, of the Board of Directors shall preside as Chairman at every General Meeting of the Company, or if there is no such Chairman, or if he shall not be present within fifteen minutes after the time appointed for the holding of the meeting or is unwilling to act the Directors present shall elect one of their number to be Chairman of the meeting.

17. If at any meeting no Director is willing to act as Chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Members present shall choose one of their number to be Chairman of the meeting.

18. The Chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

19. At any General Meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded (a) by the Chairman or (b) by at least two Members present in person or by proxy or (c) by any Member or Members present in person or by proxy and representing not less than one-tenth of the total voting rights of all the Members having the right to vote at the meeting. Unless a poll be so demanded a declaration by the Chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution. The demand for a poll may be withdrawn.

20. Except as provided in Article 22 if a poll is duly demanded it shall be taken in such manner as the Chairman directs, and the result of

the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

21. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded, shall be entitled to a second or casting vote.

22. A poll demanded on the election of a Chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken at such time as the Chairman of the meeting directs, and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

23. Subject to the provisions of the Act a resolution in writing signed by all the Members for the time being entitled to receive notice of and to attend and vote at General Meetings (or being corporations by their duly authorised representatives) shall be as valid and effective as if the same had been passed at a General Meeting of the Company duly convened and held.

24. If at any General Meeting any votes shall be counted which ought not to have been counted, or might have been rejected, the error shall not vitiate the results of the voting unless it be pointed out at the same meeting, and not in that case unless it shall, in the opinion of the Chairman of the Meeting, be of sufficient magnitude to vituate the result of the voting.

VOTES OF MEMBERS

25. Every Member shall have one vote.

26. No Member shall be entitled to vote at any General Meeting if either :-

- (a) all moneys presently payable by him to the Company have not been paid; or
- (b) he is prevented from voting under Clause 4 of the Memorandum of Association of the Company.

27. On a poll votes may be given either personally or by proxy.

28. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing,

or, if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised. A proxy need not be a Member of the Company.

29. The instrument appointing a proxy and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy of that power or authority shall be deposited at the registered office of the Company or at such other place within the United Kingdom as is specified for that purpose in the notice convening the meeting, not less than forty eight hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than twenty four hours before the time appointed for the taking of the poll, and in default the instrument of proxy shall not be treated as valid.

30. An instrument appointing a proxy shall be in the following form or a form as near thereto as circumstances admit :-

" I/We _____ of _____
 " in the County of _____, being a Member/
 " Members of the above-named Company, hereby
 " appoint _____ of _____
 " or failing him _____
 " of _____ as my/our proxy to
 " vote for me/us on my/our behalf at the
 " (Annual or Extraordinary as the case may
 " be) General Meeting of the Company to be
 " held on the _____ day of _____ 19____,
 " and at any adjournment thereof.
 " Signed this _____ day of _____ 19____."

31. The instrument appointing a proxy shall be deemed to confer authority to demand or join in demanding a poll.

CORPORATIONS ACTING BY REPRESENTATIVES
AT MEETINGS

32. Any corporation which is a member of the Company may by resolution of its Directors or other governing body authorise such persons as it thinks fit to act as its representative at any meeting of the Company, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual member of the Company.

33. Until otherwise determined by a General Meeting the number of Directors shall be not less than two nor more than fifteen. The subscribers to the Memorandum of Association shall be the first Directors of the Company.

34. The Directors shall have power at any time, and from time to time, to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors shall not at any time exceed the number fixed in accordance with these Articles. Any Director so appointed shall hold office only until the next following Annual General Meeting, and shall then be eligible for re-election, but shall not be taken into account in determining the Directors who are to retire by rotation at such meeting.

35. No person who is not a Member of the Company shall be entitled to hold office as a Director.

36. No Director shall vacate his office or be ineligible for re-appointment as a Director nor shall any person be ineligible for appointment as a Director by reason only of his having attained any particular age.

POWERS AND DUTIES OF DIRECTORS

38. The business of the Company shall be managed by the Directors, who may pay all expenses incurred in promoting and registering the Company, and may exercise all such powers of the Company as are not, by the Act or by these Articles, required to be exercised by the Company in General Meeting, subject nevertheless to the provisions of the Act or these Articles and to such regulations, being not inconsistent with the

aforesaid provisions, as may be prescribed by the Company in General Meeting; but no regulation made by the Company in General Meeting shall invalidate any prior act of the Directors which would have been valid if that regulation had not been made. In particular the Directors shall have power to make rules and bye-laws for regulating the use by Members and others of any property of the Company.

39. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments, and all receipts for moneys paid to the Company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

A Director shall not vote in respect of any contract in which he is interested or any matter arising thereout, and if he does so vote his vote shall not be counted.

ROTATION OF DIRECTORS

43. (a) At the first Annual General Meeting of the Company all the Directors shall retire from office, and at the Annual General Meeting in every subsequent year one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest one third shall retire from office.

(b) The Directors to retire in every year shall be those who have been longest in office since their last election, but as between persons who became Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot.

(c) A retiring Director shall be eligible for re-election.

(d) The Company at the meeting at which a Director retires in manner aforesaid may fill the vacated office by electing a person thereto, and in default the retiring Director shall, if offering himself for re-election, be deemed to have been re-elected, unless at such meeting it is expressly resolved not to fill such vacated office or unless a resolution for the re-election of such Director shall have been put to the meeting and lost.

Dear Stan,

We are delighted to have the opportunity to collaborate with The Puppet Theatre Barge again on an afterschool Puppet Club from October – December 2023. Working under the framework of Arts Award was a great success back in March and the feedback we received from parents demonstrated there is a keen appetite for this kind of project in the community.

As two charities with unique, canal-based offerings operating a stone's throw from each other in Paddington and Little Venice, this project will connect children from the community we serve with an exciting, enriching experience that would not otherwise be available to them.

A significant part of our mission at The Floating Classroom is to connect local children and young people with London's waterways. For many, the canal and surrounding green spaces are just a short walk from home but remain an underutilised resource for leisure and learning.

By combining our expertise in environment-based learning and arts education respectively, our partnership will support participants to foster a lasting relationship with this wonderful amenity, explore and express their creativity and above all have fun. What better way to discover and develop an affinity with the canal than by drawing on its rich heritage and vibrant surroundings as a source of inspiration for participants' puppetry creations and performances?

The Puppet Theatre Barge is an iconic part of our local landscape and being treated to a performance in this unique theatre venue is truly magical for people of all ages. Giving children the chance to create and perform their own show in this space is such a brilliant prospect.

In addition to partnering with the Puppet Theatre Barge to develop and deliver the Puppet Club, we will also contribute £500 from our social enterprise towards the costs of the project.

Yours,

Cameron Drysdale (Learning Programme Manager)

To Whom it may concern,

Westminster City Council would like to support the Puppet Theatre Barge in their initiative to support local communities in accessing arts and culture in Westminster with their 50% discount code. This initiative has been a great success in the past and we will promote it through our mailing list of approximately 80,000 residents and website.

It is extremely exciting to hear of their plans to bring new work The Selfish Giant to Westminster in the autumn.

Yours sincerely,

To whom it may concern

I work for the Film and Video Workshop. We are an established educational charity and we have admired and supported the work of the Puppet Theatre Barge for many years and have worked with many puppeteers and animators associated with the theatre. We are happy to support the puppet barge in their activities in 2023 with in-kind support in the form of lending camera equipment and x15 MacBook laptop computers to be used by Puppet barge in their Arts Award courses
