Your project

What do we mean by 'project'? For us, a project is something that has:

- A start and end date
- Clear things you want to achieve in that time
- Ways for people to experience or take part in creativity or culture (either as part of the project or in the future)

This section of the application form helps us to understand what you want to do.

It allows you to think about how your project could help to bring creativity and culture to people in England.

When is your project going to happen?

Tell us the start and end dates for your project.

Remember:

- To allow enough time to deliver all the stages of your project
- The dates you give us here should cover the whole project period you're applying for
- We need eight weeks to process applications for £30,000 and under, your start date must be more than eight weeks from the date you submit your application
- To allow enough time for us to make a payment before your start date, if your application is funded

Project start date: 11/03/2024

Project end date: 31/01/2025

Responding to any Time limited priorities

Your project is responding to the following Time limited priority:

Selected priority: - Not applying against any Time Limited Priority -

At a glance

In your own words, give a short, clear overview of your project:

Up to 500 characters

- Be as clear as you can about what you want to do using Project Grants funding
- It's better if this is written as a full paragraph
- It will be available to the public on our website if your application is funded.

East London Strippers Collective connects 10yrs of groundbreaking marginalised-led multi-arts practice by curating a series of stripper Life Drawing sessions, creative masterclasses & 13 new commissions for emerging artists, non artists, sex workers & adjacent communities. Org development & research builds an exhibition & launch show to showcase underrepresented excellence & grassroots pedagogies to mainstream audiences & institutions. Creativity is enabled, careers diversified.

If you had to explain the focus of your project to someone, what single words or short phrase would you use?

Up to 100 characters

- You can be as broad or as specific as you like; it's your project
- You might think about this as your project's 'key words' or 'tags'
- Use a maximum of 5 key words or short phrases
- We won't use this response when deciding which applications to fund. It's so we can learn from how you see your project.
- Examples could be: singing; photography; digital work in libraries; South Asian dance; participatory arts; children's theatre; interactive gaming; dynamic collections work; changing business models; environmental theme; writing with older people; etc

anti-gentrification; queer pedagogy; org development; holistic engagement; margins-to-mainstream

Our Strategy, Let's Create

Let's Create explains how we want our funding to make a difference. It includes three Outcomes. These Outcomes are what we want to achieve through the projects we fund, so together we can make a difference.

You don't need to read our Strategy to make an application for £30,000 and under.

Telling us what your project focuses on helps us to decide which of the Outcomes your project will make a difference towards.

What does your project mainly focus on?

- this gives us a good sense of how you see your project
- you need to select only one option
- your project may include activity to do with more than one option; we want to know where you feel the main focus is
- the descriptions below are a guide to help you decide
- don't worry if you're not sure – we'll check we agree with the option you've selected when we look at your application

This matches our Outcome 1: Creative People

My project is about making a difference to a place or community

My project is about making a difference to a place or community, either during the project or in the future.

☐

- This means working in a way that is focused on a specific place or community.

A Decade of Decadence (DD) project sees East London Strippers Collective (ELSC):

- Curate a gallery installation of new drawing, painting, sculpture, photography, mixed media & performance rooted in Life Drawing (LD) of stripper & sex worker (SW) models
- Enable multiple marginalised non-artists & emerging artists at all stages of their lives to explore new mediums & materials via LD sessions & masterclasses
- Commission emerging SW artists to take risks & non-SW artists to make quality work that amplifies the project
- Investigate & document the org's hxstory & wider SW arts to visibilise marginalised-led collectivist pedagogies to mainstream audiences & institutions
- Develop capacity & org resilience thru extensive mentorship, impact reporting, new partnerships & continuous evaluation.

Outputs include:

- 21 LD sessions with SW models, with an outreach campaign & free places for SWs & underserved adjacent grps; participants access free arts materials,
- 4 masterclasses in watercolour, oil painting, figure drawing & surrealism at no extra cost, to enable participants to take risks in new mediums
- 10 visual arts commissions, half by SWs & 10 photo prints of the stripper LD process
- Research & interviews leading to an industry-facing Creative Pack & public-facing zine on the hxstory of ELSC & SW art; printed & on an updated accessible website
- A week-long exhibition of the commissions with a launch show featuring: LD, 3 performance commissions, 2 high profile stripper performances, a talk presenting the research & zine.

Stripper Life Drawing (LD) sessions & 4 masterclasses:

- Recognise the artistry of erotic dancers; normalise & beautify diverse, stigmatised bodies
- Provide engaging stimulus & guidance for underserved non-artists at every stage of their lives to experiment with drawing, painting & crafts.

5 visual arts commissions & 3 performance commissions for SWs:

- Invest in emerging artists facing barriers to training, careers & social integration in the arts
- Open new mediums to express lived experience in a non-judgemental space
- Provide the achievement of exhibiting & selling art.

5 additional visual arts & digital art commissions by established artists visibilise ELSC's work to the fashion, illustration, animation & digital arts worlds.

2 high profile stripper performances inc. Jacq the Stripper make inroads between US & UK grassroots arts.

DD sustains careers of pioneering, underrecognised SW artists thru:

- 1st ever paid artistic direction & production roles, enabling better management & learning
- Strengthening partnerships inc. with institutions (British Museum, Royal Academy), higher ed (LSE, UAL, Goldsmiths) & other sectors (Spectra, Amnesty UK)
- A mkting campaign, mentorship/consulting from Sasolo & Sibling Arts, guided evaluation & a creative pack to pitch to T&Fs & cross-sector orgs for funding.

What's led you or your organisation to do this project now?

Up to 1500 characters

- What ideas or experiences have led you or your organisation to this point?
- Is this project helping you or your organisation learn or try new things?
- If you've done something similar before, how is this different?
- You can write this in full paragraphs or in bullet points

ELSC have run LD classes to destigmatise strippers & open creative career opps for 6yrs. DD marks a step change because:

LD sessions evolve via:

- An outreach campaign thru diverse triage partners to reach underserved participants
- Masterclasses increasing creative access for non-artists & artistic quality; free arts materials
- Newly working with a fully accessible venue.

ELSC's 1st ever exhibition:

- Commissions transition strippers from LD subjects to LD visual artists in charge of their cultural representation
- Emerging artists earn money selling art works for the first time & reinvest 50% in the collective's creative engagement programmes
- ELSC diversifies income streams thru art/photography/zine sales & a portable exhibition that can be offered to galleries & events.

Paid production time & org development from Sasolo will:

- Improve systems thus enable better-informed decision-making by members at AGMs
- Track per-session costs & org overheads to better understand how to scale the model
- Plan growth that is sustainable & invests in creative engagement of new SWs & longitudinal development of long term members.

Mentorship in kind from Sibling Arts (sold out SW-led musicals in 9 countries) will support ELSC's long term goals to:

- Maximise partnerships at British Museum, RAA & ICA; transcend classist gatekeeping
- Amplify their voice & position in the arts ecology; improve agency & leverage
- Take their grassroots pedagogy mainstream.

How will you know if you've achieved what you set out to do?

Up to 1500 characters

- Are there opportunities for learning and reflection during your project?
- How will you know what difference the project has made?
- What steps will you take to understand what people thought of the project?
- You can write this in full paragraphs or in bullet points

Success is:

- Over 473 ppl attend LD classes, at least 35% for the first time, & 23% thru free tickets via triage partners & grassroots networks
- 8 of 10 commissioned new artworks are ready for the exhibition
- 250 people attend the exhibition launch, 50 thru free tickets, & an avg. of 100ppl each day of the exhibition
- 5 art pieces sold, 3 photographic prints, 40 zines.

To measure this:

- Ticket codes capture how audiences & participants are referred
- LD attendees provide the host optional anon. data at the door inc. protected characteristics, word-of-mouth source, whether 1st time
- Exhibition attendees measured via clicker by Bishopsgate staff.

The internal & external research project will:

- Gather 10yrs hxstoric data thru reach estimates, archival materials & interviews with past/present members
- Design systems to measure impact that can integrate hxstoric data & protect marginalised constituents' identities
- Investigate wider SW arts & marginalised arts landscapes as well as SW art hxstory (starting with UK)
- Contextualise the org within that to inform a roadmap of growth & collaboration going forward.

The resulting creative pack, zine & talk at the Exhibition launch will:

- Narrate the org's arts projects, & track their offshoots, over time
- Map the hxstory of UK SW arts & its influence
- Streamline applying to funders & investors
- Articulate an ethos of returning ownership of marginalised arts to originators to transcend gentrification.

Inclusivity and Relevance

What steps are you taking to make your project inclusive and relevant?

Up to 3000 characters

Inclusivity

- How will you make sure the communities you want to reach are able to access your project, and feel included and welcomed?
- What things might stop people experiencing or accessing your project, and how will you address them?

Relevance

- How have you involved the people you want to reach in the design and planning of your project?
- What information or data do you have on the place or community your project involves? How have you used this to shape your project?

ELSC's workforce & primary participant/audience target are SWs, who are:

- In SW due to disadvantages from sexism, racism, transphobia, ableism & austerity, with UK SWs being 88% women, 26% migrant, single mothers overrepresented
- Heavily marginalised, excluded from families, employment, healthcare, community life & face violence from clients, men & the police
- Dehumanised by stereotypes in media/film/music/art that reinforce stigma & perpetuate violence & exclusion, inc. from arts careers
- Gentrified out of their art forms thru appropriation by musicians, make-up artists, pole dancers & hollywood actors & famous models on OnlyFans.

The core team:

- Are all SWs inc. 4 cis women & 1 trans woman, 60% working class
- Are 60% neurodiverse experiencing Autism, BPD & ADHD
- Are 40% disabled experiencing chronic pain (overrepresented in SW as it makes 9-5 jobs hard)
- Inc. 1st/2nd gen migrant artists, Black British & East Asian
- Are majority untrained artists who discovered their creative potential thru ELSC projects
- Reflect the communities being engaged.

ELSC members' lived experience & AGMs inform an approach that:

- Continually consults grassroots networks inc. SWARM & SW Union on how to safely involve SWs in the arts
- Reaches hidden SWs thru word-of-mouth networks, specialist knowledge & trust
- Ensures safety from outing, stigma & misrepresentation when participating in LD thru peer-led spaces & educating non-SW audiences
- Responds to the need for creative opps & their social benefits without saviourism which masks judgement & makes SWs self-exclude.

Responding to feedback from disabled LD participants ELSC will newly:

- Use a wheelchair accessible LD venue for 9 classes & the final exhibition
- Work with a BSL interpreter for the first time for the research presentation, & film this session to distribute freely online, multiplying access.

DD addresses the Creative Case for Diversity by:

- Activating & longitudinally sustaining creative careers of people at the intersection of poverty, gender paygap, single motherhood, queer/trans & 1st generation migrant precarity
- Poeticising stigmatised bodies & photographing the process to celebrate them without outing
- Showcasing grassroots excellence to enable yng isolated SWs to see themselves overcoming barriers to meaningful participation in the arts
- Evidencing the creative power of collective organising & consulting communities
- Returning ownership of working class art forms such as pole dance, stripping & sensual cabaret performance to their original communities
- Investigating & communicating the dangers of commercialisation inc. sensationalisation, gentrification & appropriation of grassroots forms
- Documenting & systemitising 10yrs of peer-to-peer pedagogy & makes these practices replicable by other marginalised groups via the zine & talk.

Your planning

You've told us what you want to do and what you hope to achieve. We now need to understand how this will come together to be successfully delivered.

We need to know:

- Your project plan – what you're going to do and when
- Your plans for managing the project – you don't need to have managed a project before, but you need to show you've thought about what you'll do or who will support you
- Who you'll work with and how they'll contribute
- What your budget is and how you've worked it out, including paying everyone fairly
- How you will respond to challenges you might encounter

Project timeline

Project Start Date: 11/03/2024

Project End Date: 31/01/2025

You've told us the start and end date of your project. We need to know what will happen during your project. Creating a timeline shows the key tasks that your project is made up of.

We understand that plans can change over the life of a project, but we need to see that you have a plan in place to deliver your project.

To create the table, click the 'Add new item' icon on the left of the screen to add a project stage. To add more than one stage, use the 'Save and Add another' button.

The table at the bottom of the page will populate with the information you enter about the stages of your project.

Managing your project

What experience do you have of managing a project?

I have managed projects like this before

Who will be working with you to deliver your project

For example this might be:

- A team of people (tell us who they are, and about their role and skills:...)
- A particular artist, practitioner or group (tell us: ...)
- A particular specialist(s) (tell us: ...)
- Other organisation(s) as collaborators, coproducers etc (tell us...)
- Other organisation(s) helping you to manage the project (tell us...)

How will they help you to deliver your project?

Up to 1500 characters

- What skills will they bring?
- If some people's involvement isn't confirmed yet, do you know what you'll do if they can't be involved?

Creative Director & ELSC co-founder Stacey Clare is a disabled stripper artist with 15yrs in the sex industry who gave a TEDx talk for Covent Garden Women in 2015 & published 'The Ethical Stripper' 2021, making inroads in the literary, human rights & academic worlds. Budget: How much are you applying to us for?

We need to know how much money you are applying to us for.

We'll ask you to tell us how much money you'll have to spend on the project (the income) and what you will spend it on (the expenditure). We'll also ask you to think about any challenges for your project and explain how you will respond to these.

Whilst we understand that budgets can change over the life of a project, this information allows us to see how you've planned your budget and how realistic it is that your project will deliver what you want it to.

Please read the Budget section of our Guidance for Applicants for help on completing your budget.

Please tell us the total amount you are applying to us for, including any personal access costs (£): £30,000

How much of this request is for your/your collaborators' personal access costs (£)? £0

What do we mean by 'Personal access costs'?

*If you, or any of the core team of people you are delivering the project with, experience barriers because you identify as:

- D/deaf or disabled
- neurodivergent
- experience learning difficulties
- having a mental health condition
- having a long term health condition

there may be extra costs relating to your access needs. These would be to:

- help you deliver the project; or
- for the online management of your grant.
- Some examples are: a BSL interpreter, a notetaker, or specialist tutor for admin support, or counselling costs.

Costs can only be for the project period (between your project start date and end date).

Costs for caring responsibilities or costs for making your activity accessible to the people experiencing your project, including participants, can be included as part of your project budget but should not be included as personal access costs.

Only include personal access costs that you will have if your application is successful. This does not include costs relating to preparing, planning and submitting your application.

You can find more about personal access costs, and more about how we can support you to submit an application, in our Access Support information sheet.

If your personal access costs take your request over £100,000 we will still treat your application as an application for £30,001 and over

How many people working with you to deliver your project will be employed on a freelance basis?

55

Statutory responsibilities

Tick the option that feels relevant: If there are people being paid or people volunteering as part of your project, you confirm you are aware of your responsibilities

FKA Twigs came out as an ex-SW during covid following online controversy around a music video & her pole dancing at shows. She donated £10,000 to ELSC & to 2 other SW orgs in 2020. Half went on emergency microgrants to out of work strippers during lockdowns.

Wetransfer have offered a grant to cover the LD venue hires to support ELSC to grow in 2024.

Ticket Sales to Life Drawing sessions - calculated based on 50% of each venue's capacity for safe planning during cost of living crisis. ELSC have sold out Spring/Summer classes reliably for 5 years. Tickets are £15 not including a £1.50 booking fee.

Exhibition Launch turnout calculated at 50% sales not inc. free tickets for SWs/strippers. £15 full price, £10 concessions with 70% paying full price averages out to £13.50 per ticket.

Art piece & photography sales both set below 50% due to first time selling commercial work. Commissioned artists agree to reinvest 50% in ELSC. Zine sales set at 20% (40) across the exhibition as they are an opportunity for audiences to own images of the art works & hxstory from the presentation at an accessible price.

SIK from Bishopsgate Institute, who champion invisibilised voices, includes 2/3rds subsidised venue hire, a Production Manager & Stage Manager for the launch event & 2 stewards throughout the 7 days of the exhibition. Value quoted by them inc. stewards at 25% above London Living Wage (£96/day x 1.25 = £120).

Remember:

- Your budget must balance. This means your total expenditure needs to be the same amount as your total income.
- Only include expenditure that will be spent between the start and end date of your project.
- The table already includes any Support in kind you added on the Income screen so you do not need to add this.
- Include example breakdown for expenditure, for example: Artist fee (£300 per day x 30 days) £9,000

Expenditure questions

What experience do you have of managing a project budget of this size? I have managed a project budget of this size or larger before

How have you worked out the costs for paying people included in your budget?

Up to 1500 characters

As a collective the day rate for production/creative leadership & wider bulk freelance work has been set at £150/day.

30 days each for the Producer & Creative Director include overseeing:
-LD classes, set up, maintenance, coordinating hosts & models
-the commissioning process & masterclass curation process
-audience building for LD classes inc. outreach to harder to reach SWs
-curating the launch, co-hosting a panel
-overseeing research/impact reporting, curating a zine, creative pack & website overhaul
-continuous evaluation, measuring new metrics, consulting members & attending org development sessions.

Life Drawing Models & Hosts paid flat £150 per session agreed by collective.
Open LD session at Exhibition Launch rates scaled to reflect bigger audience.

Photographer/Filmographer 10 days factors in: documenting each LD venue & exhibition launch, taking/printing/framing beautiful process photos for the exhibition, photographing commissioned artworks for the zine & editing short project video.

Digital Impasto Edit is for a non-SW commissionee to convert an ipad drawing session into a stroke by stroke video installation.
Performance fees for Kitty Velour & Jacq the Stripper match their career stage & reflect their contribution to SW arts.

How have you worked out the other artistic or creative costs included in your budget?

Up to 1500 characters

- Life Drawing venue hires at commercial rates, covered by a small funding pot from WeTransfer
- Bishopsgate Institute main hall subsidised hire fee is 1/3rd of the commercial £1,500 rate
- Materials costs for mounting based on experienced visual artist quotes
- Pole Hire quote inc. transport & set up/down from regular experience
- Zine printing cost custom quote from Doxxoo for £1/zine featuring 20 x 2-sided pages in A5 & with a hybrid of colour & BnW pages with matt lamination & postage factored in.
- Accommodation & flights for international performer Jacq the Stripper based on booking far in advance & using a standard hotel.

How have you worked out the costs of making your work accessible?

Up to 1500 characters

4 Masterclasses held before regular LD sessions at Crown & Shuttle & Lewisham Arthouse offer top rates to attract expert social artists with community engagement experience to share entry points into various visual mediums without experience, training or positive experiences of creativity at school, & offer ways to practically create at any level.

Visual art commissions enable ELSC members & community applicants to try their hand at new mediums, experiment with form & create & exhibit their first professional work. £300 covers 1hr zoom curating session with Creative Director, 1 LD session, plus 1 day finishing art works. 3 additional performance commissions for the launch event are costed at £300 for devising/rehearsing & £200 tech & performance fee. stripper/SW ones are for cabaret performances at the Exhibition Launch for SWs for whom visual arts isn't the best medium.

Materials costs for LD sessions, including materials for Masterclasses, enable non-artists & artists with little resources to get creative with less barriers to entry where many LD classes either sell materials or expect attendees to provide their own.

BSL quote by Performance Interpreting UK inc. prep session on structure/lexicon & the presentation on the day itself.

The Open Life Drawing Session at the Exhibition launch has host / modelling rates scaled up to reflect bigger audience & enable artists to focus on getting the widest possible public engaged in creative practice at every level.

How have you worked out the costs of developing your organisation included in your budget?

Up to 1500 characters

Research set at ELSC day rate. 10 days reflects interviews with current & hxstoric members, sister orgs, research thru primary & secondary sources inc. rare archives at Crossroads Womens' Centre & Bishopsgate. 4 additional days set to prepare presentation for exhibition launch & adapt it to a short form piece for Creative Pack (partner facing) & Zine (audience facing).

Curation & design for online & print of Creative Pack & Zine will be one continuous process resulting in a partner/funder facing pack & a public facing 10 year anniversary zine, totalling 15 days combined work which includes current & hxstoric impact reporting by liaising with founder Stacey Clare & Producer Samantha Sun to reconstruct metrics in the most accurate way possible.

Org. development quote provided by Sasolo includes support budgeting, project planning, designing continuous evaluation process & metrics & support visioning the interaction between the research, creative pack, zine, website update & final report to maximise materials for reaching future partners, funders & investors.

Evaluation reflects a half day zoom plus brief textual follow-up for 17 artists plus the Creative Director & Producer encompassing all SW commissionees, performers, core ELSC team not inc. Creative Director & Producer (their time prepping & facilitating evaluation factored into their project fee).

How have you worked out the costs of marketing and developing audiences included in your budget?

Up to 1500 characters

The overall marketing budget is only for the final exhibition because the LD classes have a long legacy of selling themselves through ELSC's established audience & any new audiences will come from targeted outreach work by project leads & in-kind support from triage partners.

Marketing Assistant - 6 days inc. 3 days designing & scheduling social media posts & 3 days distributing print to partner orgs, SW spaces & local to each venue.

Marketing ad spend need not be high due to ELSC & performers' large followings but invests in 2 big partner collaboration posts to circumnavigate shadow banning of SW/stripper related content & reach new partners' audiences.

Marketing Design - includes a core flyer/poster design + adapting it for web banners & socials.

Marketing Print - quote from Solopress for flyers & posters.

How have you worked out the costs of expenditure listed as 'other' in your budget?

Up to 1500 characters

Contingency set at 2.5% to cover unexpected costs arising. LD costs are reliable due to ELSC's experience. However mounting a first exhibition may have hidden costs in framing, mounting, get-in, get-out. Also a small pot to offer half pay to any SW commissionees who drop out mid process due to illness or life challenges would increase accessibility for precarious artists while ensuring the paid opportunity goes to someone else & the exhibition is as full as it deserves to be.

How much of your total project budget is being spent on International costs (such as visas, carnets, freight, travel, accommodation, per diems)?

£840

Risks and challenges

There are risk and challenges to any project. Our funding can support you to take more risks than you might normally be able to. It may allow you to try new creative or cultural ideas, despite the unknowns and the possible financial or reputational risks.

Taking creative or cultural risk is important because it means that creativity and culture are always growing and changing.

It's important that you've thought about what the risks or challenges are. If they happen, you're then able to manage them and still deliver your project successfully.

If you want to understand more about risk, including the different types of risk, you can have a look at our Practitioners guide to identifying and managing risk information sheet.

What are the main risks and challenges to your project meeting its aims?

Up to 2000 characters

- What could go wrong?
- What might happen differently?

Risk 1 - Working Methods:

- SWs face multiple complex barriers to participation inc. economic, social, personal, physical & mental health
- Entry to sex work has a strong correlation with educational challenges, neurodiversity, disability & complex trauma
- Many LD models have disabilities, caring responsibilities &/or precarious lives which impact availability unexpectedly
- Mainstream work practices focused on productivity & efficiency over access & inclusion could lead to marginalised artists feeling excluded or self-excluding.

Risk 2 - Outing:

SWs modelling or performing may be talked about or have photos taken by participants or audience phones & posted on social media, violating their privacy & risking outing.

Risk 3 - Budgeting:

Managing core staff costs for the first time may lead to miscalculating workloads & responsibilities, especially emerging from a culture of underfunded overworking.

Providing arts materials for LD participants for the first time may lead to miscalculating quantities of different paints, implements & drawing surfaces.

Risk 4 - Working in a new medium:

ELSC has never put on an exhibition before, it's a new format, with different creative & technical considerations to cabaret nights & LD classes.

Risk 5 - Promotion challenges:

Social media blocks & censorship of all content relating to SW (whether or not explicit) is a barrier to building new audiences.

Risk 6 - Misrepresentation:

Partners may misrepresent ELSC or SWs in their marketing.

Mitigation 1:

To ensure the work environment is accessible & to prevent barriers to participation:

- Planning & delivery are trauma-informed & process-oriented, prioritising safety over output for artists with C.PTSD
- Meeting times & deadlines are regularly communicated & adjustable to reflect precarious nature of SW
- In cases of illness, family responsibilities or urgent work, ELSC has a large cohort of models to call upon for last minute substitutions.

What will you do to manage these risks?

Up to 2000 characters

- What plans have you put in place?
- Have these actions worked before?

Mitigation 2:

- Stage names are used & identifying info omitted in both internal meeting minutes & public events
- LD hosts operate a strict no photography/phones out during sessions with a two strikes & out policy (no entry to future events)
- Official photographer Lily Rose is an experienced community member & will re-check each model's consent before each session & use the challenge as a creative opportunity to take artistic shots of creative process that play with focus, depth of field & creative anonymity.

Mitigation 3:

Roles/responsibilities & team management structures will be mapped out with expert consulting from Sasolo Arts Development along with tools for continuous evaluation & adjustment.

Arts materials will be bulk bought with £315/venue to be stored at the venue.

Many attendees will bring their own materials. Contingency funds are in place in case.

Mitigation 4:

DD draws on the experience of a roster of established visual artists & the Bishopsgate Institute, who are providing ample support in kind, who specialise in increase access to arts & archiving for marginalised communities. The Creative Director to communicate regularly with commissionees to develop curation skills across the collective.

Mitigation 5:

The expertise of ELSC's erotic artists with online followings, & advice from Sibling Arts will inform how to:

- Circumnavigate hostile social media algorithms
- Ethically engage press while maintaining safety of marginalised members
- Expand mass audience appeal without compromising integrity & message
- Maximise the collaborations with ICA & British Museum to access new, broader audiences.

Mitigation 6:

Input from various grassroots SW grps & the creators of Sex Worker's Opera will create a 1 page guide to:

- Ensure partners use SW inclusive language in communications & reinforce the 18+ nature of events
- Address press & media misrepresentation effectively, with protocols for accidental & malicious occurrences.

About you / your organisation

We use all of this information in an anonymised way to help us see a clear picture of who we are supporting through Project Grants, and how this might need to change to ensure that, over time, the grants we make reflect the diversity of contemporary England.

We also use some of the information to help us make funding decisions.

Sometimes we prioritise supporting people and organisations who share characteristics that are underrepresented in recipients or beneficiaries of National Lottery Project Grants funding, so it helps us to know the characteristics of the individual or the organisation applying.

We believe that the creativity of each of us should be valued and given the chance to flourish, and every one of us should have access to a remarkable range of high-quality cultural experiences.

Equitable access to arts and culture funding is an important part of this. We believe the spread of who and what we invest in should reflect the makeup of the wider country we live in.

This is about us delivering on our Equality Objective:

We will ensure a more equitable distribution of our investment to improve opportunities for everyone, especially those with under-represented protected characteristics and from disadvantaged socio-economic groups.

We know from our data that Black, Asian and ethnically diverse people and disabled people are underrepresented as recipients and beneficiaries of National Lottery Project Grants funding. If you choose to tell us, information about your ethnicity and whether you identify as a disabled person may be used as part of our decision-making process. (If you're applying as an organisation, we'll use the information you give us about the characteristics of your organisation's board and/or senior management.) We will use this information combined with information about who your project will work with, and all the other information you give us about your project.

We will never share this information with others, except in an anonymised way.

If you're not comfortable sharing any of this information with us for this purpose, you can select 'Prefer not to say'.

Monitoring information

We may use this information to report to the Government or to monitor the different backgrounds of people who receive grants.

We will not use this information to assess your application. For specific programmes, we may use this information as part of our decision-making process. Where this is the case, it will be stated in the Applicant guidance, and we will ask you to ensure this information is up to date before submitting your application.

If you do not know some of the information or you would prefer not to provide it, you can fill in the 'Not known/Prefer not to answer' box. Should a member of senior management also sit on your board/council, please only count them once.

4. Subsidy Control

The Subsidy Control rules are the new legal requirements that apply to the award of subsidies in the United Kingdom with effect from 11pm 31 December 2020. They have largely replaced EU State aid rules.

Where a "Subsidy" is present as per the definition of subsidy set out in the Subsidy Control Act 2022 ("the Act") then it is necessary for the award to comply with requirements set out in the Trade and Cooperation Agreement with the EU (and in due course those further requirements set out in the Act).

A "Subsidy" only exists when the following cumulative characteristics are present (only tick those that apply):

- **financial assistance which is given, directly or indirectly, from public resources by a public authority; and**
- **confers an economic advantage on one or more enterprises; and**

☐
☐

- is specific, that is, is such that it benefits one or more enterprises over one or more other enterprises with respect to the production of goods or the provision of services; and

• has, or is capable of having, an effect on —
(i) competition or investment within the United Kingdom,
(ii) trade between the United Kingdom and a country or territory outside the United Kingdom, or
(iii) investment as between the United Kingdom and a country or territory outside the United Kingdom.

If awarded, do you believe that your request for public funding meets all the necessary criteria to be classed as a "Subsidy"?

No

Where a "Subsidy" is declared you will be required to provide further information to establish whether the "Subsidy" would be considered lawful.

5. Tick the relevant box if any person involved in the project or writing the application:

I am happy to be contacted by Arts Council England, or by a third-party organisation on behalf of Arts Council England, for feedback to help evaluate the programme.

Company Name in full

ELSC Productions CIC

Community Interest Company

¹ This form will be placed on the public record. Any information relevant to the application that you do not wish to appear on the public record, should be described in a separate letter addressed to the CIC Regulator and delivered to the Registrar of Companies with the other documents.

SECTION A: COMMUNITY INTEREST STATEMENT – beneficiaries

1. We/I, the undersigned, declare that the company will carry on its activities for the benefit of the community, or a section of the community². [Insert a short description of the community, or section of the community, which it is intended that the company will benefit below]³

The company's activities will provide benefit to ...

workers in the sex industry who have current or previous experience of performing in Sexual Entertainment Venues (SEVs). Women who work, or have worked, as strippers are regularly marginalised for engaging in the sex industry; this leads to social stigmatisation, isolation and vulnerability. Working conditions within SEVs themselves are exploitative; misclassification of workers means strippers are regularly mistreated without sufficient regulations to recognise and protect their employment rights. The business model of a strip club relies on a system of charging dancers fees to work and percentages of their earnings, rather than paying them a wage. SEVs have been relying on this financial model to exploit workers for decades, unchecked by authorities (e.g. the employment tribunal) to the point that the culture of the SEV industry offers no alternatives to dancers besides the current system. The company aims to benefit women who are or have been vulnerable to exploitation within the UK SEV industry.

² The community interest test is referred to in section 35 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and is expanded upon in regulations 3, 4 & 5 of the Regulations.

³ E.g. "the residents of Oldtown" or "those suffering from XYZ disease".

SECTION B: Community Interest Statement – Activities & Related Benefit

Please indicate how it is proposed that the company's activities will benefit the community, or a section of the community. Please provide as much detail as possible to enable the CIC Regulator to make an informed decision about whether your proposed company is eligible to become a community interest company. It would be useful if you were to explain how you think your company will be different from a commercial company providing similar services or products for individual or personal gain.

Activities (Tell us here what the company is being set up to do)	How will the activity benefit the community? (The community will benefit by...)
develop worker-lead business strategies between community members.	The community will benefit from having more opportunities to work outside of the business model of existing venues. We will create worker-lead business models for events that shift power away from SEV owners and managers towards performers themselves. By developing a worker-lead business we aim to produce alternatives streams of revenue to empower performers and offer new, different opportunities away from the exploitation within strip clubs.
build on the success of their informal activities so far, including an already established life drawing class run by dancers themselves.	by having a safe and respectful work environment to begin organising from. The CIC will provide performers with a company run by dancers themselves to network around and participate in, which does not exploit their time and labour. As the business grows, only members of the community will be offered further opportunities within the company.

providing workers with access to resources

by having a solid peer network. The company will aim to tackle stigma and isolation by helping workers find solidarity between peers. The company also aims to provide exit strategies, should performers wish to leave the sex industry.

helping to break down stigma and raise awareness of the topic of sex worker safety through public engagement.

by further progressing the public discourse towards sex worker safety. The company will help break down stigma and challenge current mainstream attitudes towards sex work. This will be done through the continuation of public facing events that aim to educate and enlighten audiences, contributing to a shift in societal attitudes towards harm-reduction in the sex industry. Community members benefit from having a company that publicly champions their rights and protections.

If the company makes any surplus it will be used for...The company intends to set up a Sustainable Support Fund for dancers, to support members of the community with rounds of funding to redistribute profits from events to individuals in need with one-time emergency grant payouts via an application process. Any surplus funds will go into this fund to support dancers directly.

(Please continue on separate sheet if necessary.)

SCHEDULE	20

The Companies Act 2006

Articles of Association

of

INTERPRETATION

1. Defined Terms

The interpretation of these Articles is governed by the provisions set out in the Schedule at end of the Articles.

COMMUNITY AND INTEREST COMPANY AND ASSET LOCK

2. Community Interest Company

The Company is to be a community interest company.

3. Asset Lock²

3.1.1 The Company shall not transfer any of its assets other than for full consideration.

3.1.2 Provided the conditions in Article 3.3 are satisfied, Article 3.1 shall not apply to:

- (i) the transfer of assets to any specified asset-locked body, or (with the consent of the Regulator) to any other asset-locked body; and
- (ii) the transfer of assets made for the benefit of the community other than by way of a transfer of assets into an asset-locked body.

3.1.3 The conditions are that the transfer of assets must comply with any restrictions on the transfer of assets for less than full consideration which may be set out elsewhere in the Memorandum and Articles of the Company.

4. Not for profit

The Company is not established or conducted for private gain: any surplus or assets are used principally for the benefit of the community.

OBJECTS, POWERS AND LIMITATION OF LIABILITY

5. Objects³

² See [Part 6] of the Regulator's information and guidance notes. Inclusion of the provisions contained in article 3.1 to 3.3 is mandatory, reflecting sub-paragraphs (1) to (3) of paragraph 1 of Schedule 1 to the Regulations.

³ On the specification of the company's objects, see [Part 5] of the Regulator's information and guidance notes.

The objects of the Company are to carry on activities which benefit the community of workers in the sex industry who have current or previous experience of performing in Sexual Entertainment Venues (SEVs), and in particular (without limitation) to

- provide opportunities to SEV entertainers outside of the business framework of existing venues.
- help break down stigma and raise awareness of the topic of sex worker safety through public engagement.

6. Powers

To further its objects the Company may do all such lawful things as may further the Company's objects and, in particular, but, without limitation, may borrow or raise and secure the payment of money for any purpose including for the purposes of investment or of raising funds.

7. Liability of members⁴

The liability of each member is limited to £1, being the amount that each member undertakes to contribute to the assets of the Company in the event of its being wound up while he or she is a member or within one year after he or she ceases to be a member, for:

- 7.1.1 payment of the Company's debts and liabilities contracted before he or she ceases to be a member;
- 7.1.2 payment of the costs, charges and expenses of winding up; and
- 7.1.3 adjustment of the rights of the contributories among themselves.

DIRECTORS

DIRECTORS' POWERS AND RESPONSIBILITIES

8. Directors' general authority

Subject to the Articles, the Directors are responsible for the management of the Company's business, for which purpose they may exercise all the powers of the Company.

9. Members' reserve power

- 9.1.1 The members may, by special resolution, direct the Directors to take, or refrain from taking, specific action.
- 9.1.2 No such special resolution invalidates anything which the Directors have done before the passing of the resolution.

10. Chair

⁴ On limited liability, see [Part 3] of the Regulator's information and guidance notes. On guarantees generally see [Chapter 3.2] of the Regulator's information and guidance notes.

The Directors may appoint one of their number to be the chair of the Directors for such term of office as they determine and may at any time remove him or her from office.

11. Directors may delegate⁵

11.1.1 Subject to the Articles, the Directors may delegate any of the powers which are conferred on them under the Articles:

- i. to such person or committee;
- ii. by such means (including by power of attorney);
- iii. to such an extent;
- iv. in relation to such matters or territories; and
- v. on such terms and conditions;

as they think fit.

11.1.2 If the Directors so specify, any such delegation may authorise further delegation of the Directors' powers by any person to whom they are delegated.

11.1.3 The Directors may revoke any delegation in whole or part, or alter its terms and conditions.

12. Committees

12.1.1 Committees to which the Directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the Articles which govern the taking of decisions by Directors.

12.1.2 The Directors may make rules of procedure for all or any committees, which prevail over rules derived from the Articles if they are not consistent with them.

DECISION-MAKING BY DIRECTORS

13. Directors to take decisions collectively⁶

Any decision of the Directors must be either a majority decision at a meeting or a decision taken in accordance with Article 19.

14. Calling a Directors' meeting

⁵ Articles 11 and 12 allow the directors to delegate any of their functions. Delegation may take the form of, for instance, the Directors giving a managing director general authority to run the company's day to day business, or responsibility for specific matters being delegated to particular directors (e.g. financial matters to a finance director); or may be equally appropriate to delegate matters to persons other than Directors. In all cases, it is important to remember that delegation does not absolve Directors of their general duties towards the company and their overall responsibility for its management. This means, amongst other things, that Directors must be satisfied that those to whom responsibilities are delegated are competent to carry them out.

⁶ Article 13 states that the Directors must make decisions by majority at a meeting in accordance with article 15; or unanimously if taken in accordance with article 19.

- 14.1.1 Two Directors may (and the Secretary, if any, must at the request of two Directors) call a Directors' meeting.
- 14.1.2 A Directors' meeting must be called by at least seven Clear Days' notice unless either:
- i. all the Directors agree; or
 - ii. urgent circumstances require shorter notice.
- 14.1.3 Notice of Directors' meetings must be given to each Director.
- 14.1.4 Every notice calling a Directors' meeting must specify:
- i. the place, day and time of the meeting; and
 - ii. if it is anticipated that Directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.
- 14.1.5 Notice of Directors' meetings need not be in Writing.
- 14.1.6 Notice of Directors' meetings may be sent by Electronic Means to an Address provided by the Director for the purpose.

15. Participation in Directors' meetings

- 15.1.1 Subject to the Articles, Directors participate in a Directors' meeting, or part of a Directors' meeting, when:
- i. the meeting has been called and takes place in accordance with the Articles; and
 - ii. they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.
- 15.1.2 In determining whether Directors are participating in a Directors' meeting, it is irrelevant where any Director is or how they communicate with each other.⁷
- 15.1.3 If all the Directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

16. Quorum for Directors' meetings⁸

- 16.1.1 At a Directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.

⁷ Article 15.2 is designed to facilitate the taking of decisions by the directors communicating via telephone or video conference calls. Note the requirement to keep a written record of meetings and decisions (article 48).

⁸ The quorum may be fixed in absolute terms (e.g. "two Directors") or as a proportion of the total number of Directors (e.g. "one third of the total number of Directors"). You may even wish to stipulate that particular named Directors, or Directors representing particular stakeholder interests, must be present to constitute a quorum. In any event, it is recommended that the quorum should never be less than half of the total number of Directors.

16.1.2 The quorum for Directors' meetings may be fixed from time to time by a decision of the Directors, but it must never be less than two, and unless otherwise fixed it is [two].

16.1.3 If the total number of Directors for the time being is less than the quorum required, the Directors must not take any decision other than a decision:

- i. to appoint further Directors; or
- ii. to call a general meeting so as to enable the members to appoint further Directors.

17. Chairing of Directors' meetings

The Chair, if any, or in his or her absence another Director nominated by the Directors present shall preside as chair of each Directors' meeting.

18. Decision making at a meeting⁹

18.1.1 Questions arising at a Directors' meeting shall be decided by a majority of votes.

18.1.2 In all proceedings of Directors each Director must not have more than one vote.¹⁰

18.1.3 In case of an equality of votes, the Chair shall have a second or casting vote.

19. Decisions without a meeting¹¹

19.1.1 The Directors may take a unanimous decision without a Directors' meeting by indicating to each other by any means, including without limitation by Electronic Means, that they share a common view on a matter. Such a decision may, but need not, take the form of a resolution in Writing, copies of which have been signed by each Director or to which each Director has otherwise indicated agreement in Writing.

19.1.2 A decision which is made in accordance with Article 19.1.1 shall be as valid and effectual as if it had been passed at a meeting duly convened and held, provided the following conditions are complied with:

- i. approval from each Director must be received by one person being either such person as all the Directors have nominated in advance for that purpose or such other person as volunteers if necessary ("the Recipient"), which person may, for the avoidance of doubt, be one of the Directors;
- ii. following receipt of responses from all of the Directors, the Recipient must communicate to all of the Directors by any means whether the

⁹ Article 18 reflects paragraph 4 of Schedule 1 to the Regulations, which is required to be included in the articles of all community interest companies.

¹⁰ You may wish to include a provision which gives the chair of the board a casting vote. This will enable the directors to resolve any deadlock at board level.

¹¹ Article 19 is designed to facilitate the taking of decisions by directors following discussions in the form of, for example, email exchanges copied to all the directors. Note the requirements as to recording the decision in articles 19.2 and 48.

resolution has been formally approved by the Directors in accordance with this Article 19.1.2;

- iii. the date of the decision shall be the date of the communication from the Recipient confirming formal approval;
- iv. the Recipient must prepare a minute of the decision in accordance with Article 478.

20. Conflicts of interest¹²

20.1.1 Whenever a Director finds themrself in a situation that is reasonably likely to give rise to a Conflict of Interest, they must declare their interest to the Directors unless, or except to the extent that, the other Directors are or ought reasonably to be aware of it already.

20.1.2 If any question arises as to whether a Director has a Conflict of Interest, the question shall be decided by a majority decision of the other Directors.

20.1.3 Whenever a matter is to be discussed at a meeting or decided in accordance with Article 19 and a Director has a Conflict of Interest in respect of that matter then, subject to Article 21, they must:

- i. remain only for such part of the meeting as in the view of the other Directors is necessary to inform the debate;
- ii. not be counted in the quorum for that part of the meeting; and
- iii. withdraw during the vote and have no vote on the matter.

20.1.4 When a Director has a Conflict of Interest which they have declared to the Directors, they shall not be in breach of their duties to the Company by withholding confidential information from the Company if to disclose it would result in a breach of any other duty or obligation of confidence owed by them.

21. Directors' power to authorise a conflict of interest

21.1.1 The Directors have power to authorise a Director to be in a position of Conflict of Interest provided:

- i. in relation to the decision to authorise a Conflict of Interest, the conflicted Director must comply with Article 20.3;
- ii. in authorising a Conflict of Interest, the Directors can decide the manner in which the Conflict of Interest may be dealt with and, for the avoidance of doubt, they can decide that the Director with a Conflict of Interest can participate in a vote on the matter and can be counted in the quorum;
- iii. the decision to authorise a Conflict of Interest can impose such terms as the Directors think fit and is subject always to their right to vary or terminate the authorisation; and

¹² The provisions in articles 20 and 21 reflect the position under the Companies Act 2006. However, it is recommended that, as a matter of good practice, all actual and potential conflicts of interest are disclosed in writing or at a meeting, as the case may be.

21.1.2 If a matter, or office, employment or position, has been authorised by the Directors in accordance with Article 21.1.1 then, even if that Director has been authorised to remain at the meeting by the other Directors, the Director may absent themselves from meetings of the Directors at which anything relating to that matter, or that office, employment or position, will or may be discussed.

21.1.3 A Director shall not be accountable to the Company for any benefit which they derive from any matter, or from any office, employment or position, which has been authorised by the Directors in accordance with Article 21.1.1 (subject to any limits or conditions to which such approval was subject).

22. Register of Directors' interests

The Directors shall cause a register of Directors' interests to be kept. A Director must declare the nature and extent of any interest, direct or indirect, which they have in a proposed transaction or arrangement with the Company or in any transaction or arrangement entered into by the Company which has not previously been declared.

APPOINTMENT AND RETIREMENT OF DIRECTORS¹³

23. Methods of appointing directors

23.1.1 Those persons notified to the Registrar of Companies as the first Directors of the Company shall be the first Directors.

23.1.2 Any person who is willing to act as a Director, and is permitted by law to do so, may be appointed to be a Director:

- (i) by ordinary resolution; or
- (ii) by a decision of the Directors.

23.1.3 In any case where, as a result of death, the Company has no members and no Directors, the personal representatives of the last member to have died have the right, by notice in writing, to appoint a person to be a member.

23.1.4 For the purposes of Article 23.3, where two or more members die in circumstances rendering it uncertain who was the last to die, a younger member is deemed to have survived an older member.

24. Termination of Director's appointment¹⁴

A person ceases to be a Director as soon as:

- that person ceases to be a Director by virtue of any provision of the Companies Acts, or is prohibited from being a Director by law;

¹³ Private companies are obliged to have at least one director. Provisions can be inserted into the articles providing for a minimum number of directors. Where the company has just one director, that director must be a natural person. You may wish to consider whether provision should also be made for a maximum number of directors (eg. "and the total number of directors in office at any one time shall not exceed four"). While it is often important to ensure proper representation of a number of different groups on a board of directors, very large boards can become unwieldy and a maximum number of directors provision may help to guard against this.

¹⁴ The board of directors cannot remove a director other than in accordance with the provisions in article 24 and the Companies Act 2006.

- (ii) a bankruptcy order is made against that person, or an order is made against that person in individual insolvency proceedings in a jurisdiction other than England and Wales or Northern Ireland which have an effect similar to that of bankruptcy;
- (iii) a composition is made with that person's creditors generally in satisfaction of that person's debts;
- (iv) notification is received by the Company from the Director that the Director is resigning from office, and such resignation has taken effect in accordance with its terms (but only if at least two Directors will remain in office when such resignation has taken effect);
- (v) the Director fails to attend three consecutive meetings of the Directors and the Directors resolve that the Director be removed for this reason; or
- (vi) at a general meeting of the Company, a resolution is passed that the Director be removed from office, provided the meeting has invited the views of the Director concerned and considered the matter in the light of such views.

25. Directors' remuneration¹⁵

25.1.1 Directors may undertake any services for the Company that the Directors decide.

25.1.2 Directors are entitled to such remuneration as the Directors determine:

- (i) for their services to the Company as Directors; and
- (ii) for any other service which they undertake for the Company.

25.1.3 Subject to the Articles, a Director's remuneration may:

- (i) take any form; and
- (ii) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.

25.1.4 Unless the Directors decide otherwise, Directors' remuneration accrues from day to day.

25.1.5 Unless the Directors decide otherwise, Directors are not accountable to the Company for any remuneration which they receive as Directors or other officers or employees of the Company's subsidiaries or of any other body corporate in which the Company is interested.

26. Directors' expenses

The Company may pay any reasonable expenses which the Directors properly incur in connection with their attendance at:

- (i) meetings of Directors or committees of Directors;
- (ii) general meetings; or

¹⁵ See the guidance on directors' remuneration in [Part 9] of the Regulator's information and guidance notes.

- (iii) separate meetings of any class of members or of the holders of any debentures of the Company,

or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the Company.

MEMBERS¹⁶

BECOMING AND CEASING TO BE A MEMBER¹⁷

27. Becoming a member¹⁸

27.1.1 The subscribers to the Memorandum are the first members of the Company.

27.1.2 Such other persons as are admitted to membership in accordance with the Articles shall be members of the Company.

27.1.3 No person shall be admitted a member of the Company unless they are approved by the Directors.

27.1.4 Every person who wishes to become a member shall deliver to the Company an application for membership in such form (and containing such information) as the Directors require and executed by the applying person.

28. Termination of membership¹⁹

28.1.1 Membership is not transferable to anyone else.

28.1.2 Membership is terminated if:

- i. the member dies or ceases to exist;
- ii. otherwise in accordance with the Articles; or
- iii. at a meeting of the Directors at which at least half of the Directors are present, a resolution is passed resolving that the member be expelled on the ground that their continued membership is harmful to or is likely to become harmful to the interests of the Company. Such a resolution may not be passed unless the member has been given at least 14 Clear Days' notice that the resolution is to be proposed, specifying the circumstances alleged to justify expulsion, and has been afforded a reasonable opportunity of being heard by or of making written representations to the Directors. A member expelled by such a

¹⁶ See section 112 of the Companies Act 2006. A company's members are (i) the subscribers to its memorandum; and (ii) every other person who agrees to become a member of the company and whose name is entered in its register of members.

¹⁷ There is no need for all those who wish to become Members to subscribe to the Memorandum on incorporation; they can become Members and be entered in the register of Members after the company has been formed.

¹⁸ Inclusion of the provisions in article 27 (reflecting paragraphs 2(1)-(4) of Schedule 1 to the Regulations) is mandatory. [Directors should ensure that the information to be included on an application form includes all the information which will be required to fill in Companies House Form [288a] on the appointment of the new Member as a Director (see <http://www.companieshouse.gov.uk/forms/generalForms/288A.pdf>).].

¹⁹ Inclusion of the provisions of article 28.1 and 28.2.1 – 28.2.2 (reflecting sub-paragraphs (5) and (6) of paragraph 2 of Schedule 1 to the Regulations), is mandatory.

resolution will nevertheless remain liable to pay to the Company any subscription or other sum owed by him or her.

ORGANISATION OF GENERAL MEETINGS²⁰

29. General meetings

29.1.1 The Directors may call a general meeting at any time.

29.1.2 The Directors must call a general meeting if required to do so by the members under the Companies Acts.²¹

30. Length of notice

All general meetings must be called by either:

30.1.1 at least 14 Clear Days' notice; or

30.1.2 shorter notice if it is so agreed by [a majority of the members having a right to attend and vote at that meeting. Any such majority must together represent at least [90%] of the total voting rights at that meeting of all the members].

31. Contents of notice

31.1.1 Every notice calling a general meeting must specify the place, day and time of the meeting, whether it is a general or an annual general meeting, and the general nature of the business to be transacted.

31.1.2 If a special resolution is to be proposed, the notice must include the proposed resolution and specify that it is proposed as a special resolution.

31.1.3 In every notice calling a meeting of the Company there must appear with reasonable prominence a statement informing the member of his or her rights to appoint another person as his or her proxy at a general meeting.

32. Service of notice

Notice of general meetings must be given to every member, to the Directors and to the auditors of the Company.

33. Attendance and speaking at general meetings

33.1.1 A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting,

²⁰ The Companies Act 2006 has removed the need for private companies to hold annual general meetings and therefore these Articles follow suit; however, if you wish, you can insert an additional provision which obliges the company to hold annual general meetings.

²¹ Article 29.2 provides that general meetings must be held in accordance with the provisions of the Companies Act 2006. You must specify how many Members are required to be present to hold a valid general meeting. The quorum may be fixed in absolute terms (e.g. "four Members") or as a proportion of the total number of Members (e.g. "three quarters of the Members from time to time"). You may even wish to stipulate that particular named Members, or Members representing particular stakeholder interests, must be present to constitute a quorum. In any event, it is recommended that the quorum should never be less than half of the total number of Members.

during the meeting, any information or opinions which that person has on the business of the meeting.

33.1.2 A person is able to exercise the right to vote at a general meeting when:

- i. that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
- ii. that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.

33.1.3 The Directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

33.1.4 In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

33.1.5 Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

34. Quorum for general meetings

34.1.1 No business (other than the appointment of the chair of the meeting) may be transacted at any general meeting unless a quorum is present.

34.1.2 Two persons entitled to vote on the business to be transacted (each being a member, a proxy for a member or a duly Authorised Representative of a member); or 10% of the total membership (represented in person or by proxy), whichever is greater, shall be a quorum.

34.1.3 If a quorum is not present within half an hour from the time appointed for the meeting, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting those present and entitled to vote shall be a quorum.

35. Chairing general meetings

35.1.1 The Chair (if any) or in their absence some other Director nominated by the Directors will preside as chair of every general meeting.

35.1.2 If neither the Chair nor such other Director nominated in accordance with Article 35.1.1 (if any) is present within fifteen minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to chair the meeting and, if there is only one Director present and willing to act, they shall be chair of the meeting.

35.1.3 If no Director is willing to act as chair of the meeting, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present in person or by proxy and entitled to vote must

choose one of their number to be chair of the meeting, save that a proxy holder who is not a member entitled to vote shall not be entitled to be appointed chair of the meeting.

36. Attendance and speaking by Directors and non-members

36.1.1 A Director may, even if not a member, attend and speak at any general meeting.

36.1.2 The chair of the meeting may permit other persons who are not members of the Company to attend and speak at a general meeting.

37. Adjournment

37.1.1 The chair of the meeting may adjourn a general meeting at which a quorum is present if:

- i. the meeting consents to an adjournment; or
- ii. it appears to the chair of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.

37.1.2 The chair of the meeting must adjourn a general meeting if directed to do so by the meeting.

37.1.3 When adjourning a general meeting, the chair of the meeting must:

- i. either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the Directors; and
- ii. have regard to any directions as to the time and place of any adjournment which have been given by the meeting.

37.1.4 If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the Company must give at least seven Clear Days' notice of it:

- i. to the same persons to whom notice of the Company's general meetings is required to be given; and
- ii. containing the same information which such notice is required to contain.

37.1.5 No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

VOTING AT GENERAL MEETINGS

38. Voting: general

38.1.1 A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the Articles.

38.1.2 A person who is not a member of the Company shall not have any right to vote at a general meeting of the Company; but this is without prejudice to any right to vote on a resolution affecting the rights attached to a class of the Company's debentures.²²

38.1.3 Article 38.1.2 shall not prevent a person who is a proxy for a member or a duly Authorised Representative from voting at a general meeting of the Company.

39. Votes

39.1.1 On a vote on a resolution on a show of hands at a meeting every person present in person (whether a member, proxy or Authorised Representative of a member) and entitled to vote shall have a maximum of one vote.

39.1.2 On a vote on a resolution on a poll at a meeting every member present in person or by proxy or Authorised Representative shall have one vote.

39.1.3 In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall not be entitled to a casting vote in addition to any other vote he or she may have.

39.1.4 No member shall be entitled to vote at any general meeting unless all monies presently payable by him, her or it to the Company have been paid.

39.1.5 The following provisions apply to any organisation that is a member ("a Member Organisation"):

- i. a Member Organisation may nominate any individual to act as its representative ("an Authorised Representative") at any meeting of the Company;
- ii. the Member Organisation must give notice in Writing to the Company of the name of its Authorised Representative. The Authorised Representative will not be entitled to represent the Member Organisation at any meeting of the Company unless such notice has been received by the Company. The Authorised Representative may continue to represent the Member Organisation until notice in Writing is received by the Company to the contrary;
- iii. a Member Organisation may appoint an Authorised Representative to represent it at a particular meeting of the Company or at all meetings of the Company until notice in Writing to the contrary is received by the Company;
- iv. any notice in Writing received by the Company shall be conclusive evidence of the Authorised Representative's authority to represent the Member Organisation or that his or her authority has been revoked. The Company shall not be required to consider whether the Authorised Representative has been properly appointed by the Member Organisation;

²² Inclusion of article 38.2 (reflecting paragraph 3(1) of Schedule 1 to the Regulations) is mandatory.

- v. an individual appointed by a Member Organisation to act as its Authorised Representative is entitled to exercise (on behalf of the Member Organisation) the same powers as the Member Organisation could exercise if it were an individual member;
- vi. on a vote on a resolution at a meeting of the Company, the Authorised Representative has the same voting rights as the Member Organisation would be entitled to if it was an individual member present in person at the meeting; and
- vii. the power to appoint an Authorised Representative under this Article 39.1.5 is without prejudice to any rights which the Member Organisation has under the Companies Acts and the Articles to appoint a proxy or a corporate representative.

40. Poll votes

40.1.1 A poll on a resolution may be demanded:

- i. in advance of the general meeting where it is to be put to the vote; or
- ii. at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.

40.1.2 A poll may be demanded by:

- i. the chair of the meeting;
- ii. the Directors;
- iii. two or more persons having the right to vote on the resolution;
- iv. any person, who, by virtue of being appointed proxy for one or more members having the right to vote at the meeting, holds two or more votes; or
- v. a person or persons representing not less than one tenth of the total voting rights of all the members having the right to vote on the resolution.

40.1.3 A demand for a poll may be withdrawn if:

- i. the poll has not yet been taken; and
- ii. the chair of the meeting consents to the withdrawal.

40.1.4 Polls must be taken immediately and in such manner as the chair of the meeting directs.

41. Errors and disputes

41.1.1 No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

41.1.2 Any such objection must be referred to the chair of the meeting whose decision is final.

42. Content of proxy notices

42.1.1 Proxies may only validly be appointed by a notice in writing (a “Proxy Notice”) which:

- (i) states the name and address of the member appointing the proxy;
- (ii) identifies the person appointed to be that member’s proxy and the general meeting in relation to which that person is appointed;
- (iii) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the directors may determine; and
- (iv) is delivered to the Company in accordance with the Articles and any instructions contained in the notice of the general meeting to which they relate.

42.1.2 The Company may require Proxy Notices to be delivered in a particular form, and may specify different forms for different purposes.

42.1.3 Proxy Notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.

42.1.4 Unless a Proxy Notice indicates otherwise, it must be treated as:

- (i) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
- (ii) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

43. Delivery of proxy notices

43.1.1 A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid Proxy Notice has been delivered to the Company by or on behalf of that person.

43.1.2 An appointment under a Proxy Notice may be revoked by delivering to the Company a notice in Writing given by or on behalf of the person by whom or on whose behalf the Proxy Notice was given.

43.1.3 A notice revoking the appointment of a proxy only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.

44. Amendments to resolutions

44.1.1 An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if:

- i. notice of the proposed amendment is given to the Company in Writing by a person entitled to vote at the general meeting at which it is to be

- proposed not less than 48 hours before the meeting is to take place (or such later time as the chair of the meeting may determine); and
- ii. the proposed amendment does not, in the reasonable opinion of the chair of the meeting, materially alter the scope of the resolution.
- 44.1.2 A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if:
- i. the chair of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed; and
 - ii. the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.
- 44.1.3 If the chair of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chair's error does not invalidate the vote on that resolution.

WRITTEN RESOLUTIONS

45. Written resolutions

- 45.1.1 Subject to Article 45.1.3, a written resolution of the Company passed in accordance with this Article 45 shall have effect as if passed by the Company in general meeting:
- i. A written resolution is passed as an ordinary resolution if it is passed by a simple majority of the total voting rights of eligible members.
 - ii. A written resolution is passed as a special resolution if it is passed by members representing not less than 75% of the total voting rights of eligible members. A written resolution is not a special resolution unless it states that it was proposed as a special resolution.
- 45.1.2 In relation to a resolution proposed as a written resolution of the Company the eligible members are the members who would have been entitled to vote on the resolution on the circulation date of the resolution.
- 45.1.3 A members' resolution under the Companies Acts removing a Director or an auditor before the expiration of his or her term of office may not be passed as a written resolution.
- 45.1.4 A copy of the written resolution must be sent to every member together with a statement informing the member how to signify their agreement to the resolution and the date by which the resolution must be passed if it is not to lapse. Communications in relation to written notices shall be sent to the Company's auditors in accordance with the Companies Acts.
- 45.1.5 A member signifies their agreement to a proposed written resolution when the Company receives from him or her an authenticated Document identifying the resolution to which it relates and indicating his or her agreement to the resolution.

- i. If the Document is sent to the Company in Hard Copy Form, it is authenticated if it bears the member's signature.
- ii. If the Document is sent to the Company by Electronic Means, it is authenticated [if it bears the member's signature] or [if the identity of the member is confirmed in a manner agreed by the Directors] or [if it is accompanied by a statement of the identity of the member and the Company has no reason to doubt the truth of that statement] or [if it is from an email Address notified by the member to the Company for the purposes of receiving Documents or information by Electronic Means].

45.1.6 A written resolution is passed when the required majority of eligible members have signified their agreement to it.

45.1.7 A proposed written resolution lapses if it is not passed within 28 days beginning with the circulation date.

ADMINISTRATIVE ARRANGEMENTS AND MISCELLANEOUS

46. Means of communication to be used

46.1.1 Subject to the Articles, anything sent or supplied by or to the Company under the Articles may be sent or supplied in any way in which the Companies Act 2006 provides for Documents or information which are authorised or required by any provision of that Act to be sent or supplied by or to the Company.

46.1.2 Subject to the Articles, any notice or Document to be sent or supplied to a Director in connection with the taking of decisions by Directors may also be sent or supplied by the means by which that Director has asked to be sent or supplied with such notices or Documents for the time being.

46.1.3 A Director may agree with the Company that notices or Documents sent to that Director in a particular way are to be deemed to have been received within an agreed time of their being sent, and for the agreed time to be less than 48 hours.

47. Irregularities

The proceedings at any meeting or on the taking of any poll or the passing of a written resolution or the making of any decision shall not be invalidated by reason of any accidental informality or irregularity (including any accidental omission to give or any non-receipt of notice) or any want of qualification in any of the persons present or voting or by reason of any business being considered which is not referred to in the notice unless a provision of the Companies Acts specifies that such informality, irregularity or want of qualification shall invalidate it.

48. Minutes

48.1.1 The Directors must cause minutes to be made in books kept for the purpose:

- i. of all appointments of officers made by the Directors;
- ii. of all resolutions of the Company and of the Directors; and

- iii. of all proceedings at meetings of the Company and of the Directors, and of committees of Directors, including the names of the Directors present at each such meeting;

and any such minute, if purported to be signed (or in the case of minutes of Directors' meetings signed or authenticated) by the chair of the meeting at which the proceedings were had, or by the chair of the next succeeding meeting, shall, as against any member or Director of the Company, be sufficient evidence of the proceedings.

48.1.2 The minutes must be kept for at least ten years from the date of the meeting, resolution or decision.

49. Records and accounts²³

The Directors shall comply with the requirements of the Companies Acts as to maintaining a members' register, keeping financial records, the audit or examination of accounts and the preparation and transmission to the Registrar of Companies and the Regulator of:

49.1.1 annual reports;

49.1.2 annual returns; and

49.1.3 annual statements of account.

50. Indemnity

50.1.1 Subject to Article 50.1.2, a relevant Director of the Company or an associated company may be indemnified out of the Company's assets against:

- (i) any liability incurred by that Director in connection with any negligence, default, breach of duty or breach of trust in relation to the Company or an associated company;
- (ii) any liability incurred by that Director in connection with the activities of the Company or an associated company in its capacity as a trustee of an occupational pension scheme (as defined in section 235(6) of the Companies Act 2006); and
- (iii) any other liability incurred by that Director as an officer of the Company or an associated company.

50.1.2 This Article does not authorise any indemnity which would be prohibited or rendered void by any provision of the Companies Acts or by any other provision of law.

50.1.3 In this Article:

- (i) companies are associated if one is a subsidiary of the other or both are subsidiaries of the same body corporate; and
